The Group has a 20% stake in the Thailand onshore oil concessions located in Phetchabun Basin (the “**Concessions**”). Pending receipt of governmental approvals and logistics, the joint operators of the Concessions have made plans to perform additional workovers and tests, which are expected to be fully funded by the positive cash flow generated from the sale of oil drawn from the existing producing wells and bank facilities available to the Concessions.

Save as disclosed above, the Group does not have any exploration, development and/or production activities for 1Q2024 and is not expected to incur any expenditure for such activities for 2Q2024.
