PROFIT GUIDANCE ANNOUNCEMENT – HALF YEAR ENDED 30 SEPTEMBER 2025

The Board of Directors (the “**Board**”) of HS Optimus Holdings Limited (the “**Company**”, together with its subsidiaries, collectively, the “**Group**”) wishes to update shareholders of the Company that the Group is expected to report a net loss for the half year ended 30 September 2025 (“**HY2026**”).

Based on the preliminary review of the Group’s unaudited financial results for HY2026, the losses are mainly due to (i) continued macro-economic headwinds, geo-political events and strong and increased competition from other competitors globally, resulting in lower revenue from the door export business; (ii) the higher finance cost from the A\$7.05 million loan obtained by its subsidiary in June 2025 and (iii) an allowance for expected credit loss from a customer in United Kingdom.

The Company is in the process of finalising its HY2026 financial results and will provide further details of the Group’s performance when it releases the financial results on or before 14 November 2025.

In the meantime, shareholders of the Company are advised to exercise caution when dealing in the shares of the Company. Persons who are in doubt as to the action they should take should consult their stockbrokers, bank managers, solicitors, accountants or other professional advisers.
