IHH Healthcare Berhad
(Company No. 901914-V)
(Incorporated in Malaysia under the Companies Act, 1965)

PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

1. INTRODUCTION

At the Fifth AGM of IHH held on 15 June 2015, our Company had obtained its shareholders' approval to purchase its own shares of up to ten percent (10%) of the prevailing issued and paid-up share capital of our Company.

The aforesaid shareholders' approval shall in accordance with the Listing Requirements, lapse at the conclusion of the forthcoming Sixth AGM unless such authority is renewed by an ordinary resolution to be passed by the shareholders at the forthcoming Sixth AGM.

On 25 February 2016, we announced our Company's intention to seek your approval for the Proposed Renewal of Share Buy-Back Authority at our forthcoming Sixth AGM.

The purpose of this Statement is to provide you with the details of the Proposed Renewal of Share Buy-Back Authority, together with our Board's recommendation and to seek your approval for the Proposed Renewal of Share Buy-Back Authority to be tabled as a Special Business at our forthcoming Sixth AGM. The Notice of the Sixth AGM together with the Form of Proxy are enclosed in our Company's Annual Report 2015. An extract of the resolution in connection with the Proposed Renewal of Share Buy-Back Authority is enclosed in Appendix I of this Statement.

YOU ARE ADVISED TO READ AND CONSIDER CAREFULLY THE CONTENTS OF THIS STATEMENT BEFORE VOTING ON THE RESOLUTION PERTAINING TO THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY TO BE TABLED AS A SPECIAL BUSINESS AT OUR FORTHCOMING SIXTH AGM.

2. DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The Proposed Renewal of Share Buy-Back Authority, if granted, will provide our Company with the renewed authority to purchase up to ten percent (10%) of the prevailing issued and paid-up share capital of our Company at the point of purchase through stockbroker(s) to be appointed by our Company at a later date. The purchases pursuant to the Proposed Renewal of Share Buy-Back Authority will be effected on Bursa Securities subject to compliance with Section 67A of the Act, the Listing Requirements and the prevailing laws, rules, regulations, orders, guidelines and requirements issued by the relevant authorities at the time of the purchase.

The Proposed Renewal of Share Buy-Back Authority, if approved at our forthcoming Sixth AGM, will be effective immediately and shall continue to be in force until:

- (i) the conclusion of the next AGM of our Company at which time the authority shall lapse unless by ordinary resolution passed at that AGM, the authority is renewed, either unconditionally or subject to conditions;
- (ii) the expiration of the period within which the next AGM is required by law to be held; or
- (iii) revoked or varied by ordinary resolution passed by shareholders at a general meeting,

whichever occurs first, but shall not prejudice the completion of purchase(s) by our Company before the aforesaid expiry date and, in any event, in accordance with the provisions of the Listing Requirements and any other relevant authorities.

For illustrative purposes, the maximum number of Shares that can be purchased pursuant to the Proposed Renewal of Share Buy-Back Authority is 824,122,293 Shares based on the issued and paid-up share capital of our Company as at the LPD of 8,224,187,034 Shares and assuming that all the outstanding 9,005,905 LTIP Units and 8,030,000 EOS Options as at the LPD are fully surrendered/exercised. For the avoidance of doubt, for illustrative purposes throughout this Statement including the proforma effects as disclosed in Section 7 below, we have not taken into account (i) any further grant of LTIP Units and EOS Options to the eligible employees and/or Directors of our Group after the LPD; and (ii) the issuance of new Shares pursuant to the exercise of Aydinlar Option and Bagan Lalang Option in view that the actual number of new Shares to be issued are dependent on various factors including, but not limited to, the relative prices at which the Acibadem Holding shares are to be sold, and the IHH Shares are to be issued, which will be based on the fair market value of these shares at the time the option is exercised, which cannot be verified at this juncture. As such, the maximum number of Shares, representing ten percent (10%) of the prevailing issued and paid-up share capital of our Company that we can purchase pursuant to the Proposed Renewal of Share Buy-Back Authority may change from time to time during the validity period of the Proposed Renewal of Share Buy-Back Authority.

In accordance with Section 67A of the Act, our Board may, at its discretion, deal with the Purchased Shares in the following manner as may be permitted by the Act, rules, regulations, guidelines, requirements and/or orders of Bursa Securities and any other relevant authorities for the time being in force:

- (i) cancel all or part of the Purchased Shares; and/or
- (ii) retain all or part of the Purchased Shares as treasury shares (as defined in Section 67A of the Act); and/or
- (iii) resell the treasury shares on Bursa Securities in accordance with the relevant rules of Bursa Securities; and/or
- (iv) distribute the treasury shares as share dividends to the shareholders of our Company,

or in any other manner as may be prescribed by the Act, the applicable laws, regulations and guidelines applied from time to time by Bursa Securities and/or any other relevant authority for the time being in force and that the authority to deal with the Purchased Shares shall continue to be valid until all the Purchased Shares have been dealt with by our Directors.

In the event our Company ceases to hold all or part of the Purchased Shares as a result of the above, our Company may further purchase such additional number of Shares provided that the total Purchased Shares (including Shares held as treasury shares) does not exceed ten percent (10%) of the issued and paid-up share capital of our Company at the time of such purchase(s).

While the Purchased Shares are held as treasury shares, the rights attached to them as to voting, dividends and participation in other distributions or otherwise are suspended and the treasury shares shall not be taken into account in calculating the number or percentage of shares or of a class of shares in our Company for any purposes including the determination of substantial shareholding, take-overs, notices, the requisitioning of meetings, the quorum for a meeting and the results of a vote on a resolution at a general meeting.

3. RATIONALE FOR THE PROPOSED RENEWAL OF SHARE BUY-BACK

The rationale for the Proposed Renewal of Share Buy-Back Authority is as follows:

- (i) it provides us with the flexibility in managing our dividend policy and capital structure in terms of debt and equity composition and size of equity;
- (ii) it enables us to utilise any of our surplus financial resources which is not immediately required for other uses, to purchase our own Shares from the market;
- (iii) it enables us to purchase our own Shares when the Shares are being traded at values that are grossly below what our Board believes to be their intrinsic value; and
- (iv) the consolidated EPS of our Company is expected to increase as the consolidated earnings of our Company would be divided by a reduced number of Shares, assuming all other things being equal.

4. RETAINED PROFITS AND SHARE PREMIUM

Based on the latest audited financial statements of our Company for the FYE 31 December 2015, the retained earnings and share premium account of our Company were RM502.4 million and RM8,151.0 million respectively.

5. FUNDING FOR THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The maximum amount of funds to be allocated for the purchase of Shares under the Proposed Renewal of Share Buy-Back Authority will be subject to the amount of the retained earnings and/or share premium account of our Company. The number of Shares that may be purchased will depend on, among others, the availability of financial resources and prevailing market conditions.

The Proposed Renewal of Share Buy-Back Authority will be funded entirely from internally generated funds and/or external borrowings as long as the purchase is backed by an equivalent amount of retained profits and/or share premium of our Company. In the event that our Company purchases the Shares using external borrowings, our Board will ensure that there are sufficient funds to repay the borrowings and such repayment is not expected to have a material effect on the cash flow of our Company.

6. POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

6.1 Potential advantages

The potential advantages of the Proposed Renewal of Share Buy-Back Authority, if implemented, are as follows:

- (i) enable us to take preventive measures against speculative activities particularly when the Shares are undervalued, which may in turn stabilise the market price and hence, enhance investors' confidence;
- (ii) enable us to utilise our financial resources more efficiently especially when there is no immediate use for such resources;
- (iii) provide us with opportunities for potential gains if the Purchased Shares which are held as treasury shares are subsequently resold at prices higher than the purchase price; and
- (iv) provide the flexibility for our Company to distribute the Purchased Shares which are held as treasury shares as share dividends to our shareholders.

6.2 Potential disadvantages

The potential disadvantages of the Proposed Renewal of Share Buy-Back Authority, if implemented, are as follows:

- (i) the purchase(s) of our Shares pursuant to the Proposed Renewal of Share Buy-Back Authority will reduce the financial resources of our Group and may result in our Group foregoing other investment opportunities that may emerge in the future; and
- (ii) as the purchase(s) of our Shares pursuant to the Proposed Renewal of Share Buy-Back Authority must be backed by an equivalent amount of retained profits and/or share premium of our Company, the amount available from these accounts for distribution to our shareholders may decrease accordingly.

Notwithstanding the above, the Proposed Renewal of Share Buy-Back Authority is not expected to result in any material disadvantages to our Company and our shareholders as it will be implemented only after due consideration of our Group's available financial resources and the resultant impact on our Company and our shareholders. Our Board, in exercising any decision to purchase any Share, will be mindful of our Company's and our shareholders' interests.

7. EFFECTS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

7.1 Issued and paid-up share capital

The effect of the Proposed Renewal of Share Buy-Back Authority on the issued and paid-up share capital of our Company will depend on whether the Purchased Shares are cancelled or retained as treasury shares. The Proposed Renewal of Share Buy-Back Authority will result in a reduction in the issued and paid-up share capital of our Company if the Purchased Shares are cancelled.

For illustrative purposes only, the proforma effect of the Proposed Renewal of Share Buy-Back Authority on the issued and paid-up share capital of our Company is based on the following scenarios:

Minimum Scenario: Assuming, (i) none of the outstanding LTIP Units and EOS Options as at the LPD are surrendered/exercised; and (ii) the Proposed Renewal of Share Buy-Back Authority is implemented in full and all the Purchased Shares are cancelled.

Maximum Scenario: Assuming, (i) all the outstanding 9,005,905 LTIP Units and 8,030,000 EOS Options as at the LPD are fully surrendered/exercised and a total of 17,035,905 Shares are issued pursuant thereto; and (ii) the Proposed Renewal of Share Buy-Back Authority is implemented in full and all the Purchased Shares are cancelled.

Minimum Scenario

	No. of Shares	RM
As at the LPD	8,224,187,034	8,224,187,034
Number of Shares to be issued arising from the surrender of LTIP Units	-	-
Number of Shares to be issued arising from the exercise of EOS Options	-	-
	<hr/> 8,224,187,034	<hr/> 8,224,187,034
Less: Cancellation of the Purchased Shares	(822,418,703)	(822,418,703)
	<hr/> 7,401,768,331	<hr/> 7,401,768,331

Maximum Scenario

	No. of Shares	RM
As at the LPD	8,224,187,034	8,224,187,034
Number of Shares to be issued arising from the surrender of LTIP Units	9,005,905	9,005,905
Number of Shares to be issued arising from the exercise of EOS Options	8,030,000	8,030,000
	<hr/> 8,241,222,939	<hr/> 8,241,222,939
Less: Cancellation of the Purchased Shares	(824,122,293)	(824,122,293)
	<hr/> 7,417,100,646	<hr/> 7,417,100,646

The above illustration assumes that the Purchased Shares are cancelled. Nevertheless, if the Purchased Shares are retained as treasury shares, resold or distributed to our shareholders, the Proposed Renewal of Share Buy-Back Authority will have no effect on the existing issued and paid-up share capital of our Company.

7.2 Earnings and EPS

The effects of the Proposed Renewal of Share Buy-Back Authority on the earnings of our Group are dependent on the number of the Purchased Shares, the purchase prices of the Purchased Shares, the effective funding cost to finance such purchases and/or loss in interest income to our Group, if internally generated funds are utilised. Further, the purchase of the Shares will result in a lower number of Shares being taken into account for purposes of EPS computation.

7.3 NA, NA per Share and gearing

The potential effect of the Proposed Renewal of Share Buy-Back Authority on the consolidated NA of our Group will depend on the number of the Purchased Shares, the purchase prices of the Purchased Shares, the effective funding costs to our Group to finance such purchases and/or any loss in interest income to our Group, if internally generated funds are utilised.

The Proposed Renewal of Share Buy-Back Authority would increase the consolidated NA per Share of our Group if the purchase price is less than the consolidated NA per Share at the relevant point in time, and vice versa.

If the treasury shares are resold on Bursa Securities, the consolidated NA per Share upon the resale would increase if our Company realises a gain from the resale and vice versa.

If the treasury shares are distributed to shareholders as share dividends, the consolidated NA per Share of our Group would decrease.

The effects of the Proposed Renewal of Share Buy-Back Authority on the gearing of our Group will depend on the proportion of borrowing utilised to fund the purchase of the Purchased Shares. At this juncture, we have not determined whether to use borrowings for purposes of purchasing our own Shares.

7.4 Working capital

The implementation of the Proposed Renewal of Share Buy-Back Authority will reduce our Group's working capital, the quantum of which will depend on, among others, the number of Shares purchased and the purchase prices of such Shares.

However, the resale of the Purchased Shares will increase our Group's working capital. The quantum of the increase in our Group's working capital will depend on the number of treasury shares resold on Bursa Securities and the actual selling price of such treasury shares.

7.5 Dividends

The Proposed Renewal of Share Buy-Back Authority is not expected to have any impact on the policy of our Board in recommending dividends to shareholders. However, our Board may, at its discretion, deal with the Purchased Shares in the manner as may be permitted by the Act, rules, regulations, guidelines, requirements and/or orders of Bursa Securities and any other relevant authorities for the time being in force, including but not limited to distribute future dividends in the form of treasury shares which are purchased pursuant to the Proposed Renewal of Share Buy-Back Authority.

8. DIRECTORS' AND SUBSTANTIAL SHAREHOLDERS' SHAREHOLDINGS AND INTERESTS

8.1 Directors

The proforma effects of the Proposed Renewal of Share Buy-Back Authority on the shareholdings of the Directors of our Company based on the Register of Directors' shareholdings of our Company as at the LPD are as follows:

8.3 Interests of the Directors, Major Shareholders and/or Persons Connected to them

Save for the proportionate increase in the percentage shareholding and/or voting rights of our Directors who are holding the Shares and our major shareholders as a consequence of the implementation of the Proposed Renewal of Share Buy-Back Authority, none of the Directors and major shareholders of our Company and/or persons connected to them has any interest, direct or indirect, in the Proposed Renewal of Share Buy-Back Authority or resale of the treasury shares, if any, in the future.

9. IMPLICATION OF THE CODE

The purchase of the Shares by our Company pursuant to the Proposed Renewal of Share Buy-Back Authority will effectively cause our shareholders' respective percentage shareholding in our Company to increase without any corresponding increase in the actual number of Shares held, assuming all other things being equal.

Pursuant to Paragraph 10.1, Practice Note 9, Part II of the Code, a person and/or any persons acting in concert with him/her ("**PACs**") will be obliged to make a mandatory take-over offer when:

- (a) a person obtains controls in a company as a result of a buy back scheme by the company;
- (b) a person (holding more than thirty-three percent (33%) but not more than fifty percent (50%) of the voting shares or voting rights of a company), as a result of a buy back scheme by the company, increases his holding of the voting shares or voting rights of the company by more than two percent (2%) in any six (6) month period;
- (c) a person (holding more than thirty-three percent (33%) but not more than fifty percent (50%) of the voting shares or voting rights of a company) acquires more than two percent (2%) of the voting shares or voting rights of the company when he knows or reasonably ought to know that the company would carry out a buy back scheme.

As at the LPD, our major shareholder, Pulau Memutik, holds 43.41% of the total voting shares of our Company. The shareholding of Pulau Memutik and its PACs (if any) will increase by more than two percent (2%) under both the Minimum Scenario and Maximum Scenario (as set out in Section 8.2 of this Statement) in the event that our Company purchases a maximum of ten percent (10%) of the prevailing issued and paid-up share capital of our Company. Therefore, Pulau Memutik and its PACs (if any), will be obliged to extend a mandatory take-over offer if their shareholdings increase by two percent (2%) or more within any period of six (6) months as a result of the Shares bought back by our Company. If such circumstance arises, Pulau Memutik and its PACs (if any), will submit an application to Securities Commission Malaysia for a waiver from the obligation to undertake a mandatory take-over offer for the remaining Shares not already owned by them under Paragraph 24.1, Practice Note 9, Part II of the Code at the appropriate time.

10. PURCHASE, RESALE AND CANCELLATION OF SHARES IN THE LAST FINANCIAL YEAR

As disclosed in Note 2 of the Additional Compliance Information as contained in the Annual Report 2015, our Company does not hold any treasury share as at 31 December 2015 and has not purchased, resold and/or cancelled any Share during the last FYE 31 December 2015.

11. PUBLIC SHAREHOLDING SPREAD

The Proposed Renewal of Share Buy-Back Authority will be carried out in accordance with the prevailing laws at the point of purchase including compliance with twenty percent (20%) shareholding spread in the hands of public shareholders as approved by Bursa Securities vide its letter dated 14 March 2012.

The public shareholding spread of our Company based on our Record of Depositors as at the LPD was approximately 32.95%. For illustrative purposes, assuming that the purchase by our Company of the Shares pursuant to the Proposed Renewal of Share Buy-Back Authority is carried out in full based on the issued and paid-up share capital of our Company as at the LPD of 8,224,187,034 Shares, the proforma public shareholding spread of our Company will be reduced to approximately 25.50%, on the basis that all the Shares are purchased from public shareholders and the Shares so purchased are held as treasury shares.

12. APPROVAL REQUIRED

The Proposed Renewal of Share Buy-Back Authority is subject to your approval at our forthcoming Sixth AGM.

13. DIRECTORS' STATEMENT

Our Board, having considered all aspects of the Proposed Renewal of Share Buy-Back Authority (including but not limited to the rationale and effects of the Proposed Renewal of Share Buy-Back Authority), is of the opinion that the Proposed Renewal of Share Buy-Back Authority is in the best interest of our Company.
