DIESEL TRADING WITH DYNEFF SAS

The Board of Directors (the “**Directors**”) of the Company is pleased to announce that Singapore CEFC Petrochemical & Energy Pte. Ltd. (“**SPE**”), a wholly-owned subsidiary of the Company, has successfully won a tender bid to supply diesel to Dyneff SAS (“**Dyneff**”). The duration of this supply arrangement is one year commencing from 01 January 2016 and ending on 31 December 2016.

Dyneff is one of the leading independent fuel distributors in France and it has business operations in both France and Spain. Dyneff offers a full choice of motor fuels, biofuels, heating fuels, supplementary products and services that fulfill all the market requirements. Dyneff has played an active role in the fuel distribution sector for more than 50 years and covers three distribution channels: filling stations, a network of commercial agencies, and two wholesale agencies. Meanwhile, Dyneff also has a large-scale logistics infrastructure in both France and Spain, with strategic capabilities at the main Mediterranean and Atlantic ports.

The successful bid for the diesel supply arrangement will assist the Company’s business strategy to enhance its global presence in its core business of oil and petrochemical trading for its long-term growth.

CEFC Shanghai International Group Limited, with which SPE entered into a framework cooperation agreement in September 2015, has agreed to purchase 51% stake in Rompetrol France SAS, the parent company of Dyneff.

Our Executive Chairman, Mr Zang Jian Jun, has a 13% indirect effective interest in CEFC Shanghai International Group Limited. Mr Zang and our Chief Executive Officer, Mr Lu Da Chuan and Mr Liu Zhong Qiu who are our executive directors are also directors of CEFC China Energy Company Limited, the holding company of CEFC Shanghai International Group Limited.

Save as described above for the interest of Mr Zang, Mr Lu and Mr Liu, none of the directors and substantial shareholders has any interest directly or indirectly in the diesel supply arrangement other than through their respective shareholdings (if any) in the Company.

Barring unforeseen circumstances, the management of the Company expects the diesel supply business with Dyneff to provide stable trade flow and contribute positively to the Company’s profitability and revenue for the financial year 2016.

The Company will keep its shareholders updated of any further developments and announcements will be made as and when appropriate.
