Query 3:

Listing Rule 710 requires issuers to explicitly state, when deviating from the provisions prescribed in the Code of Corporate Governance 2018 (the “Code”), an explanation on how the practices it had adopted are consistent with the intent of the relevant principle. We note that the Company had not complied with Provision 8.1 and 8.2 of the Code with regard to the disclosure of remuneration, and there were no explanations were provided for in your FY2021 annual report on how it is consistent with the intent of Principle 8 of the Code. Please clarify how the practices the Company had adopted are consistent with the intent of Principle 8 of the Code, which requires transparency on the Company’s remuneration policies, level and mix of remuneration, the procedure for setting remuneration and the relationships between remuneration, performance and value creation.:

Company’s response:

The Company has stated, in page 25 of the 2021 Annual Report, that remuneration of each individual Director to the nearest thousand is not disclosed as disclosure may be prejudicial to its business interests given the highly competitive marine business environment the Group operates in. Nonetheless, disclosure of director remuneration, categorised by names and remuneration mix, has been set out in page 25 of the 2021 Annual Report in bands of S\$250,000. The Company also stated, in page 25 of the Annual Report, that it is not in the best interest of the Company to disclose the total remuneration of each director and key executive in dollar terms, given the sensitivity of remuneration matters and the competitiveness of the industry for key talent. Nonetheless, disclosure of key executive remuneration, categorised by names and remuneration mix, has been set out in page 25 of the 2021 Annual Report in bands of S\$250,000. As no director and key executive officer was remunerated in excess of S\$250,000, there was no need to set out an additional band range of S\$250,001 to S\$500,000. Notwithstanding the above, the Company has further set out information regarding its remuneration policies, procedures for setting remuneration and relationships between remuneration, performance and value creation under provisions 5.2, 6 and 7 in its report on corporate governance (from page 23 to page 25 of the 2021 Annual Report). Accordingly, the Company is of the view that its practices are consistent with the intent of provision 8 of the Code, taking into account the strategic objectives of the Company pursuant to Principle 7 of the Code.
