5. RATIONALE AND USE OF PROCEEDS

The Company's rationale for the Subscription is that the Subscription will be used to strengthen the financial position and capital base of the Group. The Board is cautiously confident that the additional working capital together with an effective strategic plan and a strong management team to execute the plans of the Company will allow the Group to grow successfully and steadily. The net proceeds will be used for the future expansion of the Group as well as for the working capital needs of the Group.

The net proceeds from the Subscription of approximately S\$200,000 (the "**Share Subscription Net Proceeds**") will be used by the Company in the following estimated proportions:

Funding growth, development and expansion of its existing medical aesthetics and healthcare business and exploration of new business opportunities as and when they arise	10	20,000
Working capital purposes mainly comprising: (i) Manpower costs; (ii) Professional fees such as compliance costs and continuing listing expenses; and (iii) Administrative and head office expenses	90	180,000

Pending the use of the Share Subscription Net Proceeds, such amount may be deposited in financial institutions or be used for working capital or any other purpose on a short-term basis.

The Company will make periodic announcements as and when the Share Subscription Net Proceeds are materially disbursed and whether the disbursements are in accordance with the use of proceeds as stated in this announcement.

The Company will also provide a status report on the use of the Share Subscription Net Proceeds in the Company's annual report. Where the Share Subscription Net Proceeds are used for working capital purposes, the Company will provide a breakdown with specific details on how the proceeds have been applied in the Company's announcements and annual report.

Where there is any material deviation from the stated use of proceeds, the Company will announce the reasons for such deviation.

6. DIRECTORS' CONFIRMATION

The Directors are of the opinion that, after taking into consideration the Group's present financial position, including its banking facilities, its bank and cash balances, the Group will have adequate working capital for its present requirements, with or without the Subscription taking place. Notwithstanding the foregoing, the Directors are of the opinion that the Share Subscription Net Proceeds will further strengthen and supplement the Group's financial position and capital base.

7. ALLOTMENT AND ISSUANCE OF THE SUBSCRIPTION SHARES

The Subscription Shares will be allotted and issued pursuant to the Share Issue Mandate obtained at the annual general meeting of the Company held on 29 April 2024 (the “AGM”). Pursuant to the Share Issue Mandate, Directors have the authority to issue: (a) Shares; (b) convertible securities; (c) additional securities arising from the adjustment to (b) above; and (d) Shares arising from the conversion of securities in (b) and (c) above (collectively, “Instruments”), provided that the aggregate number of Shares to be issued (including Shares to be issued pursuant to the Instruments, made or granted) does not exceed 100% of the total number of issued Shares (excluding treasury shares and subsidiary holdings) as at the date of the AGM, of which the aggregate number of Shares and Instruments to be issued other than on a pro-rata basis to existing shareholders of the Company shall not exceed 50% of the total number of issued Shares (excluding treasury shares and subsidiary holdings) as at the date of the AGM.
