About Micro-Mechanics

Micro-Mechanics designs, manufactures and markets high precision parts and tools used in process-critical applications for the semiconductor and other high technology industries.

The Group serves a worldwide base of customers from five manufacturing facilities located in Singapore, Malaysia, China, the Philippines and the USA. Together with its direct sales presence in Taiwan, Indonesia, and Europe, the Group’s strategy is to relentlessly pursue product and operational improvement while providing its global customers with fast, effective and local support.

In addition to designing and manufacturing a market-leading range of consumable tools and parts used in the assembly and testing of semiconductors, the Group also engages in the contract manufacturing of precision parts and tools used in process-critical applications for the semiconductor wafer-fabrication and other high-technology industries.

Since listing on the Singapore Exchange in June 2003, Micro-Mechanics has received multiple awards in recognition of its high standards of corporate governance, quality of disclosure, transparency and investor relations.
