APPENDIX IN RELATION TO DETAILS OF THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

SUMMARY SHEET FOR RENEWAL OF SHARE PURCHASE MANDATE

(A) Shares purchased in the previous twelve months

The Company did not undertake any share purchases in the previous twelve months pursuant to the Share Purchase Mandate obtained at the annual general meeting of the Company on 24 April 2016.

(B) Renewal of the Share Purchase Mandate

The Ordinary Resolution No. 7 if passed at the AGM, will renew the Share Purchase Mandate from the date of the AGM until: (i) the date that the next annual general meeting of the Company is held; (ii) the date that the next annual general meeting of the Company is required by law to be held; (iii) the date on which the authority conferred by the Share Purchase Mandate is revoked or varied; or (iv) the date on which purchases and acquisitions of Shares pursuant to the Share Purchase Mandate are carried out to the full extent mandated, whichever is the earliest.

(C) Rationale for the Share Purchase Mandate

Short-term speculation may at times cause the market price of the Shares to be depressed below the true value of the Company and its subsidiaries (the “**Group**”). The renewal of the Share Purchase Mandate will provide the Directors with the means to restore investors’ confidence and to protect existing Shareholders’ investments in the Company in a depressed share-price situation through judicious share purchases to enhance the earnings per Share and/or the net asset value per Share. The share purchases will enhance the net asset value per Share if the share purchases are made at a price below the net asset value per Share.

The Share Purchase Mandate will also provide the Company with an expedient and cost-effective mechanism to facilitate the return of surplus cash reserves to the Shareholders, as and when the Directors are of the view that this would be in the best interests of the Company and the Shareholders.

The Directors will only make a share purchase as and when the circumstances permit and only if the Directors are of the view that such purchases are in the best interests of the Company and the Shareholders. The Directors will decide whether to purchase Shares only after taking into account, among other things, the market conditions at such time, the Company’s financial condition and whether the Company will remain solvent (as defined by Section 76F(4) of the Companies Act, Chapter 50 of Singapore (the “**Act**”)) as a result of such purchases, and whether such purchases represent an efficient and cost-effective approach to enhance share value. Share purchases will only be made if the Directors believe that such purchases are likely to benefit the Company and increase economic value for Shareholders.

The Directors will ensure that the share purchases will not have any effect on the Shares listed on the Catalist of the SGX-ST (“**Catalist**”). Rule 723 of the Listing Manual of the SGX-ST, Section B: Rules of Catalist (the “**Catalist Rules**”) requires at least ten per cent. (10%) of the total number of issued shares in any class of a company’s listed securities to be held by the public at all times. The Directors shall safeguard the interests of public Shareholders before undertaking any share purchases. Before exercising the Share Purchase Mandate, the Directors shall at all times take due cognizance of (a) the then shareholding spread of the Company in respect of the number of Shares held by substantial shareholders and by non-substantial shareholders; and (b) the volume of trading on Catalist in respect of the Shares immediately before the exercise of any share purchase.

As at 15 March 2017, (the “**Latest Practicable Date**”), the total number of issued and paid-up Shares of the Company is 390,588,125 (including 100,000 Shares held by the Company as treasury shares). Currently, 283,556,729 Shares (72.62%) of a total of 390,488,125 Shares issued by the Company (excluding treasury shares) are held by the public. The Company is of the view that there is sufficient number of Shares held by public shareholders, which would permit the Company to undertake share purchases of up to ten per cent. (10%) of its total number of issued Shares (excluding treasury shares) without affecting the listing status of the Shares on Catalist. The Company will ensure that the share purchases will not cause market illiquidity or affect orderly trade or adversely affect the financial condition of the Company.

(D) Financial impact of the proposed share purchases

1. The purchased Shares may be:

- (i) held by the Company; or
- (ii) dealt with, at any time, in accordance with Section 76K of the Act, as treasury shares.

Section 76K of the Act allows the Company to:

- (i) sell the Shares (or any of them) for cash;
- (ii) transfer the Shares (or any of them) for the purposes of or pursuant to any share scheme, whether for employees, directors or other persons;
- (iii) transfer the Shares (or any of them) as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (iv) cancel the Shares (or any of them); or
- (v) sell, transfer or otherwise use the Shares for such other purposes as may be prescribed by the Minister for Finance.

The aggregate number of Shares held as treasury shares shall not at any time exceed ten per cent. (10%) of the total number of Shares at that time. Any Shares in excess of this limit shall be disposed of or cancelled in accordance with Section 76K of the Act within six (6) months or such further period as the Registrar of Companies may allow.

Any purchases of Shares will:

- (i) reduce the amount of the Company’s share capital where the Shares were purchased or acquired out of the capital of the Company;
- (ii) reduce the amount of the Company’s profits where the Shares were purchased or acquired out of the profits of the Company; or
- (iii) reduce the amount of the Company’s share capital and profits proportionately where the Shares were purchased or acquired out of both the capital and the profits of the Company;

by the total amount of the consideration paid by the Company for the Shares cancelled (including brokerage, commission and other expenses incurred directly in the purchase or acquisition by the Company of its Shares).

The Company cannot exercise any right in respect of treasury shares. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Act, the Company shall be treated as having no right to vote and the treasury shares will be treated as having no voting rights. However, the allotment of shares as fully paid bonus shares in respect of treasury shares is allowed. Further, a subdivision or consolidation of any treasury share into treasury shares of a greater or smaller number is allowed so long as the total value of the treasury shares after the subdivision or consolidation is the same as before.

2. The financial effects on the Company and the Group arising from the proposed purchases of the Shares pursuant to the Share Purchase Mandate will depend on, *inter alia*, the aggregate number of Shares purchased and the consideration paid at the relevant time.
3. On the basis of 390,488,125 issued Shares (excluding 100,000 treasury shares) as at the Latest Practicable Date, and assuming no further Shares are issued or repurchased prior to the AGM, the exercise in full of the Share Purchase Mandate of up to a maximum of ten per cent. (10%) of the total number of issued Shares would result in the purchase or acquisition of 38,958,812 Shares.
4. An illustration of the impact of share purchases by the Company pursuant to the Share Purchase Mandate on the Group and the Company's financial position is set out below based on the following assumptions:
 - (a) audited financial statements of the Group and the Company for the financial year ended 31 December 2016;
 - (b) in full exercise of the Share Purchase Mandate, 38,958,812 Shares were purchased;
 - (c) the Maximum Price for the market or off-market purchases is S\$0.074 per Share, which is five per cent. (5%) above the average closing prices of the Shares over the last five (5) market days preceding the Latest Practicable Date on which the transactions in Shares were recorded on the SGX-ST;
 - (d) no expenses were incurred directly by the Company in the purchase of its Shares;
 - (e) the maximum amount of funds required for the share purchases in the aggregate is approximately S\$2,883,000; and
 - (f) that the Company holds 39,058,812 treasury shares (being the maximum number of treasury shares that the Company is permitted to hold, pursuant to the Act).

Market purchase or off-market purchase made entirely out of capital and/or profits, and either cancelled or held as treasury shares

Current ratio (times) ⁽⁴⁾	1.53	1.07	6.73	4.68

Notes:

1. NTA equals total equity less goodwill and intangible asset.
2. For illustrative purposes, basic loss per Share is computed based on the loss for the year attributable to owners of the Company divided by number of Shares as shown in the table above.
3. Gearing equals total borrowings divided by total equity.
4. Current ratio equals current assets divided by current liabilities.

As at 31 December 2016, the Group and the Company had cash and short term deposits of S\$7,088,000 and S\$4,816,000 respectively. As the share purchases will reduce the cash and short term deposits of the Group and the Company, there will be a corresponding reduction in the current assets and the total equity of the Group and the Company. The current ratios of the Group and the Company will decline. The actual impact on the current ratios will depend on the number of Shares purchased and the prices at which the Shares were purchased.

When undertaking any share purchase, the Directors will ensure that:

- (a) the Company and the Group will at all times have adequate working capital to meet its operational requirements;
 - (b) any share purchase will be financed by the Company's distributable profits and/or capital; and
 - (c) the Company will not obtain nor incur any borrowings to finance any share purchase.
5. Shareholders should note that the financial effects set out above are based on the audited financial statements of the Group and the Company for the financial year ended 31 December 2016 and are for illustration only and may not be representative of future performance.

6. The Company intends to use its internal sources of funds to finance its purchases of the Shares. The Company does not intend to obtain or incur any borrowings to finance its purchases of the Shares. The Directors do not propose to exercise the Share Purchase Mandate in a manner and to such extent that the financial condition and working capital requirements of the Group would be materially affected.
7. The Company will take into account both financial and non-financial factors, among other things, the market conditions at such time, the Company's financial condition, the performance of the Shares and whether such share purchases would represent the most efficient and cost-effective approach to enhance the share value. Share purchases will only be made if the Directors believe that such purchases are likely to benefit the Company and increase economic value for Shareholders.

(E) Consequences of share purchases under the Singapore Code on Take-over and Mergers

1. In accordance with the Singapore Code on Take-over and Mergers (the "Code"), a person will be required to make a general offer for a public company if:
 - (a) his voting rights increases to thirty per cent. (30%) or more of the voting rights of the company; or
 - (b) he already holds between thirty per cent. (30%) and fifty per cent. (50%) of the voting rights of the company, and he increases his voting rights in the company by more than one per cent. (1%) in any six-month period.
2. As at the Latest Practicable Date, the Directors' and substantial shareholders' interests are as follows:

Notes:

- (1) Based on 390,488,125 Shares in the issued ordinary share capital of the Company (excluding 100,000 treasury shares) as at the Latest Practicable Date.
- (2) For illustrative purposes only, based on 351,529,313 Shares in the issued ordinary share capital of the Company (excluding 39,058,812 treasury shares, being the maximum number of treasury shares the Company may hold in accordance with the Act).
- (3) Luye Medicals Group Pte. Ltd. holds its Shares in the Company directly.
- (4) Luye Medicals Investment Pte. Ltd. holds 100% of the issued and paid up share capital of Luye Medicals Group Pte. Ltd. and is deemed interested in the Shares that Luye Medicals Group Pte. Ltd. has an interest in.
- (5) Luye Group Ltd holds 100% of the issued and paid up share capital of Luye Medicals Investment Pte. Ltd. and is deemed to be interested in the Shares that Luye Medicals Investment Pte. Ltd. has an interest in.
- (6) Nelumbo Investments Limited holds 70% of the issued and paid up share capital of Luye Group Ltd and is deemed to be interested in the Shares that Luye Group Ltd has an interest in.
- (7) The shares representing 100% of the issued and paid up share capital of Nelumbo Investments Limited are held as trust property of The Asoka Trust. Accordingly, The Asoka Trust is deemed interested in the Shares that Nelumbo Investments Limited has an interest in.
- (8) Liu Dianbo, Wang Cuilian, Aona Liu and Alina W Liu are the beneficiaries under The Asoka Trust and are deemed to be interested in the Shares that The Asoka Trust has an interest in.

In the event the Company undertakes share purchases of up to ten per cent. (10%) of the total number of issued Shares as permitted under the Share Purchase Mandate, it is not expected that the shareholdings and voting rights of any of the Shareholders will be increased to thirty per cent. (30%) or more of the Company's voting rights. Accordingly, no general offer is required to be made pursuant to the Code as a result of share purchases under the Share Purchase Mandate.

The Directors have confirmed that they are not aware of any facts or factors which suggest or imply that any particular person(s) and/or Shareholders are, or may be regarded as parties acting in concert such that their respective interests in voting shares in the capital of the Company should or ought to be consolidated, and consequences under the Code would ensue as a result of a share purchase under the Share Purchase Mandate.

(F) Miscellaneous

1. Any share purchases undertaken by the Company shall be at a price of up to but not exceeding the Maximum Price. The Maximum Price is a sum which shall not exceed the sum constituting five per cent. (5%) above the average closing price of the Shares over the period of five (5) trading days in which transactions in the Shares on the SGX-ST were recorded, in the case of a market purchase, before the day on which such purchase is made, and, in the case of an off-market purchase, immediately preceding the date of offer by the Company, as the case may be, and adjusted for any corporate action that occurs after the relevant five (5) day period.
2. In making share purchases, the Company will comply with the requirements of the Catalist Rules, in particular, Rule 871 with respect to announcement of any share purchases. Rule 871 is reproduced below:
 - (1) An issuer must announce any share buy-back as follows:
 - (a) In the case of a market acquisition, by 9.00 a.m. on the market day following the day on which it purchased shares,
 - (b) In the case of an off-market acquisition under an equal access scheme, by 9.00 a.m. on the second market day after the close of acceptances of the offer.
 - (2) The announcement must be in the form of Appendix 8D.

3. Share purchases will be made in accordance with the “Guidelines on Share Purchases” as set out in the Annexure to this Appendix. All information required under the Act relating to the Share Purchase Mandate is contained in the said Annexure.
4. The Catalist Rules do not expressly prohibit any purchase of shares by a listed company during any particular time or times. However, as a listed company would be considered an “insider” in relation to any proposed purchase or acquisition of its shares, the Company will undertake not to purchase or acquire Shares pursuant to the Share Purchase Mandate at any time after a price sensitive development has occurred or has been the subject of a decision until the price sensitive information has been publicly announced. In particular, the Company will not purchase or acquire any Shares during the period commencing one month immediately preceding the announcement of the Company’s full-year and half-year results.

(G) Directors’ responsibility statement

The Directors collectively and individually accept full responsibility for the accuracy of the information given in this Appendix and confirm after making all reasonable enquiries, that to the best of their knowledge and belief, this Appendix constitutes full and true disclosure of all material facts about the Share Purchase Mandate, the Company and its subsidiaries, and the Directors are not aware of any facts the omission of which would make any statement in this Appendix misleading. Where information in this Appendix has been extracted from published or otherwise publicly available sources or obtained from a named source, the sole responsibility of the Directors has been to ensure that such information has been accurately and correctly extracted from those sources and/or reproduced in this Appendix in its proper form and context.

(H) Directors’ recommendation

The Directors, having considered the rationale and benefits of the proposed renewal of the Share Purchaser Mandate, are of the opinion that the proposed renewal of the Share Purchase Mandate is in the best interests of the Company. Accordingly, the Directors recommend that Shareholders vote in favour of Ordinary Resolution No. 7 in relation to the proposed renewal of the Share Purchase Mandate.

(I) Taxation

Shareholders who are in doubt as to their respective tax positions or any tax implications, or who may be subject to tax in a jurisdiction outside Singapore, should consult their own professional tax advisers.

(J) Documents for inspection

Copies of the following documents may be inspected at the registered office of the Company at 350 Orchard Road, #08-00 Shaw House, Singapore 238868 during normal business hours up to and including the date of the AGM:
