## 2. **THE OFFER**

### 2.1 **Offer Terms**

In accordance with Rule 14 of the Code, and subject to the terms and conditions set out in the formal offer document to be issued by the Financial Adviser, for and on behalf of the Offeror (the "**Offer Document**"), the Offeror will make the Offer for the Offer Shares on the following basis:

**For each Offer Share: S\$0.425 in cash (the "**Offer Price**").**

**The Offer Price is final and the Offeror will not further increase the Offer Price.**

The Offer, when made, will be extended, on the same terms and conditions, to:

- (a) all the Shares, other than treasury shares and those Shares already owned, controlled or agreed to be acquired by the Offeror;
- (b) all new Shares unconditionally issued or to be issued pursuant to the valid exercise of any options granted under the Procurri Corporation Employee Share Option Scheme prior to the close of the Offer; and
- (c) all new Shares unconditionally issued or delivered or to be issued or delivered pursuant to the vesting and release of any outstanding awards granted under the Procurri Corporation Performance Share Plan ("**Procurri PSP Awards**") prior to the close of the Offer.

For the purposes of the Offer, the expression the "**Offer Shares**" will include all such Shares and the expression the "**Shareholders**" shall mean each shareholder of the Company.

The Offer Shares are to be acquired (a) fully paid-up, (b) free from all liens, equities, mortgages, charges, encumbrances, rights of pre-emption and other third party rights and interests of any nature whatsoever, and (c) together with all rights, benefits and entitlements attached thereto as at the date of this Announcement (the "**Offer Announcement Date**") and hereafter attaching thereto (including the right to receive and retain all dividends, other distributions and return of capital (the "**Distributions**") which may be announced, declared, paid or made thereon by the Company on or after the Offer Announcement Date).

If any Distribution is announced, declared, paid or made by the Company on or after the Offer Announcement Date, the Offeror reserves the right to reduce the Offer Price payable to a shareholder of the Company who validly accepts or has validly accepted the Offer by an amount equivalent to such Distribution.

## 2.2 **Conditional Offer**

The Offer will be conditional upon the Offeror having received, by the close of the Offer, valid acceptances in respect of such number of Offer Shares which, when taken together with the Shares owned, controlled or agreed to be acquired by the Offeror (whether before or during the Offer and pursuant to the Offer or otherwise), will result in the Offeror holding such number of Shares carrying more than 50% of the voting rights attributable to the issued share capital of the Company (excluding treasury shares) as at the close of the Offer.

Accordingly, the Offer will not become or be capable of being declared unconditional as to acceptances until the close of the Offer, unless at any time prior to the close of the Offer, the Offeror has received valid acceptances (which have not been withdrawn) in respect of such number of Offer Shares which, when taken together with the Shares owned, controlled or agreed to be acquired by or on behalf of the Offeror (either before or during the Offer and pursuant to the Offer or otherwise), will result in the Offeror holding such number of Shares carrying more than 50% of the voting rights attributable to the maximum potential issued share capital of the Company. For this purpose, the "**maximum potential issued share capital of the Company**" means the total number of Shares (excluding treasury shares) which would be in issue had all outstanding Procurri PSP Awards been validly vested as at the date of such declaration.

Further information on the Offer and the terms and conditions upon which the Offer will be made shall be set out in the Offer Document to be issued.

## 8. **LISTING STATUS AND COMPULSORY ACQUISITION**

### 8.1 **Listing Status**

Pursuant to Rule 1105 of the listing manual of the SGX-ST (the "**Listing Manual**"), upon an announcement by the Offeror that acceptances have been received pursuant to the Offer that bring the holdings owned by the Offeror and persons acting in concert with it to above 90% of the total number of issued Shares (excluding treasury shares), the SGX-ST may suspend the trading of the Shares in the Ready and Unit Share markets until it is satisfied that at least 10% of the total number of issued Shares (excluding treasury shares) are held by at least 500 Shareholders who are members of the public. Rule 1303(1) of the Listing Manual provides that if the Offeror succeeds in garnering acceptances exceeding 90% of the total number of issued Shares (excluding treasury shares), thus causing the percentage of the total number of issued Shares (excluding treasury shares) held in public hands to fall below 10%, the SGX-ST will suspend trading of the Shares only at the close of the Offer.

Under Rule 724(1) of the Listing Manual, if the percentage of the Shares held in public hands falls below 10%, the Company must, as soon as practicable, announce that fact, and the SGX-ST may suspend trading of all the Shares. Rule 724(2) of the Listing Manual states that the SGX-ST may allow the Company a period of three (3) months, or such longer period as the SGX-ST may agree, to raise the percentage of the Shares held in public hands to at least 10%, failing which the Company may be removed from the Official List of the SGX-ST.

### 8.2 **Compulsory Acquisition**

Pursuant to Section 215(1) of the Companies Act 1967 of Singapore (the "**Companies Act**"), in the event that the Offeror acquires not less than 90% of the total number of Shares (other than those already held by the Offeror, its related corporations or their respective nominees as at the date of the Offer and excluding treasury shares), the Offeror will be entitled to exercise the right to compulsorily acquire all the Shares from Shareholders who have not accepted the Offer at a price equal to the Offer Price.

In addition, pursuant to Section 215(3) of the Companies Act, if the Offeror acquires such number of Shares which, together with the Shares held by it, its related corporations and their respective nominees, comprise 90% or more of the total number of Shares, the Shareholders who have not accepted the Offer will have a right to require the Offeror to acquire their Shares at the Offer Price. Such Shareholders who wish to exercise such a right are advised to seek their own independent legal advice.

### 8.3 **Offeror's Intentions**

It is the current intention of the Offeror to maintain the listing status of the Company on the SGX-ST following the Offer and the Offeror does not currently intend to exercise any rights of compulsory acquisition that may arise under Section 215(1) of the Companies Act. However, in the event that the Company does not meet the minimum public float required under the Listing Manual at the close of the Offer, the Offeror reserves the right to re-evaluate its position, including its right of compulsory acquisition (if applicable) under Section 215(1) of the Companies Act, depending on, *inter alia*, the ultimate level of acceptances received by the

Offeror and the prevailing market conditions at the relevant time.
