Appendix A

Ms Cheng Hui Yuen, Vivien, age 26, has been working in Lion Group since 2012 upon graduating from University of Science & Technology Beijing, People's Republic of China with a Bachelor of Engineering in Environmental Engineering.

Ms Cheng is presently serving as Business Development Manager in Parkson Branding Division and responsible for bringing in international Brands to the South East Asia market and at the same time, working closely with Parkson Department Stores by providing brands that are exclusive to Parkson. Since her tertiary years in Beijing, she has been accompanying her father, Tan Sri William Cheng, Group Executive Chairman, to visit and study Parkson stores operations and brand mix in South East Asia and China as well as department stores in other Asian countries and Europe, to gain better understanding of the upcoming trends of retail market and branding business, in order to assist in improving Parkson Department Stores future development.

Besides her key function of identifying and procuring fashion and retail brands, her portfolio requires her to be keenly involved in Parkson Department Stores operations and other Lion Group projects such as Shopping Mall Development and Food & Beverage business.

She is a director of several subsidiary companies under Parkson Group and a few private companies involved in property development.
