IMPORTANT NOTICE

This announcement may contain forward-looking statements that involve risks and uncertainties. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, competition from similar developments, shifts in expected levels of property rental income, changes in operating expenses or property expenses, governmental and public policy changes and the continued availability of financing in the amounts and the terms necessary to support future business.

Investors are cautioned not to place undue reliance on these forward-looking statements, which are based on the REIT Manager's current view on future events.

The value of the units in FLCT ("**Units**") and the income derived from them, if any, may fall or rise. The Units are not obligations of, deposits in, or guaranteed by, the REIT Manager or Perpetual (Asia) Limited, as trustee of FLCT. An investment in Units is subject to investment risks, including the possible loss of the principal amount invested.

This announcement is for information purposes only and does not constitute an offer for sale or an invitation or offer to acquire, purchase or subscribe for Units in the United States. This announcement is not for publication or distribution, directly or indirectly, in or into the United States (including its territories and possessions, any state of the United States and the District of Columbia), Canada or Japan. The Units referred to herein have not been, and will not be, registered under the Securities Act, or the securities laws of any state of the United States or other jurisdiction, and the Units may not be offered or sold in the United States, absent registration or an exemption from, the registration requirements under the Securities Act and applicable state or local securities laws. No public offering of securities is being made in the United States.

Investors should note that they have no right to request the REIT Manager to redeem their Units while the Units are listed. It is intended that Unitholders may only deal in their Units through trading the SGX-ST. Listing of the Units on the SGX-ST does not guarantee a liquid market for the Units. This announcement is for information only and does not constitute an invitation or offer to acquire, purchase or subscribe for the Units.
