Update on settlement of the Exchange Offer

The Company hereby announces that all conditions to consummation of the Exchange Offer described in its Exchange Offer Memorandum, dated July 5, 2016 (the "**Exchange Offer Memorandum**"), have been met. Capitalised terms used in this Notice and not otherwise defined herein have the meanings given to such terms in the Exchange Offer Memorandum.

The Company has accepted an aggregate principal amount of US\$64,895,000 Existing 5% Bonds and US\$400,000 Existing 4.75% Bonds for exchange in the Exchange Offer. The Company intends to issue US\$42,441,750 aggregate principal amount of Bonds in exchange for the Existing Bonds Offered for Exchange. Settlement of the Exchange Offer is expected to occur on December 9, 2016 (the "**Settlement Date**").

Update on payment of Interest on the Bonds

The draft Trust Deed for the Bonds provides that the Interest Bearing Portion of the Bonds shall accrue interest for the period from and including April 1, 2016 to but excluding the next applicable Interest Payment Date at the rate of 2.5 per cent. per annum, payable semi-annually in arrears on March 31 and September 30 of each year, commencing on September 30, 2016 and calculated on the basis of a 360 day year consisting of 12 months of 30 days each.

In accordance with the above and as further detailed in the Exchange Offer Memorandum, payment of interest accruing on the Interest Bearing Portion of the Bonds for the period from April 1, 2016 to (but not including) September 30, 2016 (such interest, the "**Initial Interest Amount**") was originally expected to be made on September 30, 2016, but due to the delay in obtaining the approval of the RBI, the Company was not able to pay the Initial Interest Amount to the Bondholders on such date as the Bonds had not been issued by such date.

As a result, the Company intends to pay the Initial Interest Amount payable in respect of the Bonds within three Business Days after the Settlement Date.

To compensate holders for the time elapsed from September 30, 2016 to the date of actual payment of the Initial Interest Amount, the Company will make a one-time additional interest payment at a rate of 2.5 per cent. per annum on the Initial Interest Amount accruing for the period from September 30, 2016 to (but excluding) the date of payment of the Initial Interest Amount.

Interest accruing on the Interest Bearing Portion of the Bonds accruing for the period from September 30, 2016 to (but not including) March 31, 2017 will be paid on March 31, 2017.

Holders of Existing Bonds who are not participating in the Exchange Offer should refer to the Automatic Conversion Notice to Bondholders given by the Company and dated 30 November 2016 for further information in respect of the interest payments to be made on the Existing Bonds.
