AZEUS WINS DOUBLE AT THE BEST IN BIZ AWARDS 2016 INTERNATIONAL

- ***Azeus Convene* was conferred two Silver Awards for *Most Innovative Product of the Year* and *App of the Year***
- **The awards follow shortly after *Azeus Convene* was hailed *Storage and Information Management Solution of the Year* at the European IT & Software Excellence Awards**

Singapore, 26 September 2016 – Azeus Systems Holdings Ltd (“**Azeus**”) is pleased to announce that the Group’s board and enterprise meeting solution, *Azeus Convene*, was recently awarded Silver for *Most Innovative Product of the Year – Enterprise*, and *App of the Year – Enterprise and Small or Medium Business (SMB)* at the Best in Biz Awards 2016 International (“**BiBA 2016 International**”), in recognition of the platform’s various innovative features. With these, Azeus was named as one of 14 multiple award winners.

Mr Lee Wan Lik, Managing Director of Azeus, said: “We are heartened that our focus in providing innovative IT solutions to meet our customers’ evolving needs has gained recognition on the international stage. Our Group will continue to remain committed in delivering innovative, best-in-class solutions by leveraging on our longstanding technology and industry knowledge.”

BiBA 2016 International is the only independent global business awards programme, which features an international judging panel of global opinion makers comprising journalists from various influential media outlets, as well as industry analysts. This year’s award attracted entries from more than 270 public and private companies hailing from all sectors of the global economy from over 30 countries.

Earlier this year, *Azeus Convene* was also conferred the *Storage and Information Management Solution of the Year* at the European IT & Software Excellence Awards in London on 14 April, besting hundreds of software entries from more than 31 countries in meeting the criteria for innovative creation, management, storage, and distribution of meeting documents through its administrative portal.
