To: The Shareholders of Sunpower Group Ltd.

Dear Sir/Madam,

1. INTRODUCTION

- 1.1 The Directors propose to convene an SGM to be held on 28 April 2022 to seek the approval of Shareholders in relation to the proposed renewal of the Share Buy-Back Mandate.
- 1.2 The purpose of this Circular is to provide Shareholders with information relating to, and explaining the rationale for, the proposed renewal of the Share Buy-Back Mandate, for the purposes of obtaining Shareholders' approval at the SGM. This Circular has been prepared solely for the purpose set out herein and may not be relied upon by any persons (other than the Shareholders) or for any other purpose.
- 1.3 The SGX-ST assumes no responsibility for the correctness of any of the statements made, opinions expressed or reports contained in this Circular.

2. THE PROPOSED RENEWAL OF THE SHARE BUY-BACK MANDATE

2.1 Introduction

A share buy-back mandate is a general mandate to be given by the shareholders of a company that allows the company to purchase or acquire its issued shares at any time during the duration and on the terms of the share buy-back mandate. It is a requirement under the Listing Manual that a company which wishes to purchase or acquire its own shares should obtain approval of its shareholders at a general meeting.

At an SGM of the Company held on 19 May 2021 ("**2021 SGM**"), the Shareholders had approved the adoption of a share buy-back mandate (the "**Share Buy-Back Mandate**") to authorise the Company to make purchases of Shares. The rationale for, the authority and limitations on, and the financial effects of, the Share Buy-Back Mandate were set out in the Company's circular to Shareholders dated 3 May 2021.

The Share Buy-Back Mandate that was adopted at the 2021 SGM is to continue in force until:

- (a) the date on which the next annual general meeting of the Company is held or required by law to be held;

LETTER TO SHAREHOLDERS

- (b) the date on which the Share Buy-Backs are carried out to the full extent mandated pursuant to the Share Buy-Back Mandate; or
- (c) the date on which the authority conferred by the Share Buy-Back Mandate is revoked or varied by the Shareholders in a general meeting,

whichever is the earliest.

The forthcoming AGM will be held on 28 April 2022. Accordingly, as the Share Buy-Back Mandate will expire at the conclusion of the forthcoming AGM, the Directors are convening an SGM to seek Shareholders' approval for the renewal of the Share Buy-Back Mandate.

2.2 Rationale for the Proposed Renewal of the Share Buy-Back Mandate

The rationale for the renewal of the Share Buy-Back Mandate to allow the Company to undertake a purchase or acquisition of its Shares is as follows:

- (a) In line with international practice, the Share Buy-Back Mandate will provide the Company with greater flexibility in managing its capital, share capital structure and maximising returns to its Shareholders.
- (b) In managing the business, the Company will strive to increase Shareholders' value by improving, *inter alia*, the return on equity of the Company. In addition to growth and expansion of the business, a Share Buy-Back at the appropriate price level is one of the ways through which the return on equity of the Company may be enhanced.
- (c) A Share Buy-Back may help to stabilise the demand for the Shares, mitigate short-term share price volatility, offset the effects of short-term speculation and bolster Shareholders' confidence.
- (d) The renewal of the Share Buy-Back Mandate will provide the Directors with the flexibility to undertake Share Buy-Backs at any time, subject to market conditions, during the period when the Share Buy-Back Mandate is in force.

The Share Buy-Back will only be undertaken if it can benefit the Company and Shareholders. While the Share Buy-Back Mandate would authorise a Share Buy-Back up to a ten per cent. (10.0%) limit during the period described in paragraph 2.3(b) below, it should be noted that the Share Buy-Back may not be carried out to the full ten per cent. (10.0%) limit as authorised. No purchase or acquisition of Shares will be made in circumstances which would have or may have a material adverse effect on the listing status of the Shares on the SGX-ST, the liquidity and capital adequacy positions of the Group as a whole.

Any Share Buy-Back will have to be made in accordance with, and in the manner prescribed by, the Bermuda Companies Act, the Bye-Laws, the Take-over Code, and such other laws and regulations as may, for the time being, be applicable. As the Company is listed on the SGX-ST, it is also required to comply with Part XIII of Chapter 8 of the Listing Manual, which relates to the purchase or acquisition of issued ordinary shares in the capital of a company listed on the SGX-ST.

2.3 Authority and Limitations

The authority and limitations placed on purchases or acquisitions of Shares by the Company under the proposed Share Buy-Back Mandate, if approved at the forthcoming SGM, are set out below:

(a) Maximum Number of Shares

Only Shares which are issued and fully paid-up may be purchased or acquired by the Company.

LETTER TO SHAREHOLDERS

Pursuant to Rule 882 of the Listing Manual, the total number of Shares that may be purchased or acquired by the Company pursuant to the Share Buy-Back Mandate is limited to that number of Shares representing not more than ten per cent. (10.0%) of the issued share capital of the Company, ascertained as at the date of the SGM at which the resolution authorising the renewal of the Share Buy-Back Mandate is approved (the “**Approval Date**”), unless the Company has effected a reduction of the share capital of the Company in accordance with the applicable provisions of the Bermuda Companies Act, at any time during the Relevant Period, in which event the total number of Shares of the Company shall be taken to be the total number of Shares of the Company as altered after such capital reduction. For the purposes of calculating the percentage of issued Shares above, Treasury Shares and subsidiary holdings will be disregarded.

For illustrative purposes only, based on the existing issued and paid-up share capital of the Company as at the Latest Practicable Date comprising 795,686,142 Shares (excluding Shares held as Treasury Shares and subsidiary holdings), and assuming that no further Shares are issued on or prior to the SGM, not more than 79,568,614 Shares (representing ten per cent. (10.0%) of the Shares as at that date excluding Treasury Shares and subsidiary holdings) may be purchased or acquired by the Company pursuant to the Share Buy-Back Mandate.

(b) Duration of Authority

The purchase or acquisition of Shares may be made at any time and from time to time, on and from the Approval Date up to the earliest of:

- (i) the date on which the next annual general meeting of the Company is held or required by law to be held;
- (ii) the date on which the Share Buy-Backs are carried out to the full extent mandated pursuant to the Share Buy-Back Mandate; or
- (iii) the date on which the authority conferred by the Share Buy-Back Mandate is revoked or varied by the Shareholders in a general meeting.

The authority conferred on the Directors by the Share Buy-Back Mandate to purchase or acquire Shares may be renewed at a general meeting of the Company.

(c) Manner of Share Buy-Backs

- (i) Pursuant to Rule 882 of the Listing Manual, Share Buy-Backs may be made by way of:
 - (1) On-Market Share Purchase; and/or
 - (2) Off-Market Share Purchase.
- (ii) The Directors may impose such terms and conditions which are not inconsistent with the Share Buy-Back Mandate, the Companies Act, the Bermuda Companies Act, the Bye-Laws, and the Listing Rules, as they consider fit in the interests of the Company in connection with or in relation to an equal access scheme or schemes. An Off-Market Share Purchase must, however, satisfy all the following conditions:
 - (1) offers for the purchase or acquisition of Shares shall be made to every person who holds Shares, to purchase or acquire the same percentage of their Shares;
 - (2) all of the abovementioned persons shall be given a reasonable opportunity to accept the offers made; and

LETTER TO SHAREHOLDERS

- (3) the terms of all the offers shall be the same, except that there shall be disregarded:
 - (A) differences in consideration attributable to the fact that offers may relate to Shares with different accrued dividend entitlements;
 - (B) differences in consideration attributable to the fact that offers relate to Shares with different amounts remaining unpaid (if applicable); and
 - (C) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.
- (iii) In addition, the Listing Manual provides that, in making an Off-Market Share Purchase in accordance with an equal access scheme, the Company must issue an offer document to all Shareholders which must contain at least the following information:
 - (1) the terms and conditions of the offer;
 - (2) the period and procedures for acceptance;
 - (3) the reasons for the proposed Share Buy-Back;
 - (4) the consequences, if any, of Share Buy-Backs by the Company that will arise under the Take-over Code or other applicable take-over rules;
 - (5) whether the Share Buy-Back, if made, would have any effect on the listing of the Shares on the SGX-ST;
 - (6) details of any Share Buy-Backs made by the Company in the previous 12 months (whether On-Market Share Purchases or Off-Market Share Purchases), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for the Share Buy-Backs, where relevant, and the total consideration paid for the Share Buy-Backs; and
 - (7) whether the Shares purchased by the Company pursuant to a Share Buy-Back will be cancelled or kept as Treasury Shares.

(d) Purchase Price

- (i) The purchase price (excluding brokerage, stamp duties, applicable goods and services tax and other related expenses) to be paid for the Shares will be determined by the Directors.
- (ii) However, the purchase price to be paid for the Shares pursuant to Share Buy-Backs must not exceed:
 - (1) in the case of an On-Market Share Purchase, 105.0% of the Average Closing Price (as defined below) of the Shares; and
 - (2) in the case of an Off-Market Share Purchase, 120.0% of the Average Closing Price of the Shares,

in either case, excluding related expenses of the On-Market Share Purchase or Off-Market Share Purchase (as the case may be) (the “**Maximum Price**”).

LETTER TO SHAREHOLDERS

(iii) For the above purposes:

“Average Closing Price” means:

- (1) the average of the closing market prices of a Share over the last five (5) Market Days, on which transactions in the Shares were recorded, immediately preceding (as the case may be):
 - (A) the date of making the On-Market Share Purchase; or
 - (B) the day of the making of the offer pursuant to the Off-Market Share Purchase; and
- (2) shall be deemed to be adjusted for any corporate action that occurs during:
 - (A) the relevant five (5) day period; and
 - (B) the day on which (as the case may be):
 - (I) the On-Market Share Purchase; or
 - (II) the offer pursuant to the Off-Market Share Purchase, is made.

“day of the making of the offer” means the day on which the Company announces its intention to make an offer for the purchase of Shares from Shareholders, stating the purchase price (which shall not be more than the Maximum Price calculated on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Share Purchase.

Any Share Buy-Back by the Company will be made in accordance with, and in the manner prescribed by, the Bermuda Companies Act and such other laws or regulations that may be applicable from time to time. As the Company is listed on the SGX-ST, it must also comply with Part XIII of Chapter 8 of the Listing Manual, which relates to purchases by a company listed on the SGX-ST of its own shares.

2.4 Status of Purchased Shares

Under the Bermuda Companies Act, a company may, if authorised by its memorandum of association or bye-laws, purchase its own shares. The shares so purchased may either be cancelled (in which event, the company’s issued, but not its authorised, share capital will be diminished accordingly) or be held as treasury shares. Under the Bermuda Companies Act, if a company holds shares as treasury shares, the company shall be entered in the register of members as the member holding the shares but the company is not permitted to exercise any rights in respect of those shares (including any right to attend and vote at meetings) and no dividend or other distribution (whether in cash or otherwise) shall be paid or made to the company in respect of such shares. However, the allotment of shares as fully paid bonus shares in respect of shares held by a company as treasury shares is allowed.

Where the Company acquires its Shares to be held as Treasury Shares, the Company may:

- (a) hold all or any of the Shares;
- (b) sell, dispose of, or transfer all or any of the Shares for cash or other consideration, subject to compliance with the Listing Rules;
- (c) cancel all or any of the Shares; or

LETTER TO SHAREHOLDERS

- (d) allot Treasury Shares as fully-paid bonus Shares.

Depending on the needs of the Company, the Directors will decide whether the Shares purchased pursuant to the Share Buy-Back Mandate will be cancelled or kept as Treasury Shares, or partly cancelled and partly kept as Treasury Shares. Pursuant to Rule 704(28) of the Listing Manual, an immediate announcement must be made of any sale, transfer, cancellation and/or use of Treasury Shares. Such announcement must include details such as the date of the sale, transfer, cancellation and/or use of such Treasury Shares, the purpose of such sale, transfer, cancellation and/or use of such Treasury Shares, the number of Treasury Shares which have been sold, transferred, cancelled and/or used, the number of Treasury Shares before and after such sale, transfer, cancellation and/or use, the percentage of the number of Treasury Shares against the total number of issued Shares (of the same class as the Treasury Shares) which are listed on the SGX-ST before and after such sale, transfer, cancellation and/or use, and the value of the Treasury Shares if they are used for a sale or transfer, or cancelled.

2.5 Source of Funds

- (a) Pursuant to the Bermuda Companies Act, a purchase or acquisition by the Company of its Shares may only be funded out of capital paid up on the Shares to be purchased or acquired, or out of the funds of the Company which would otherwise be available for dividend or distribution, or out of the proceeds of a fresh issue of Shares made for the purposes of the purchase or the acquisition, and the premium payable, if any, on the purchase or the acquisition (i.e. the amount paid in excess of the nominal or par value of the Shares to be purchased or acquired) must be provided for out of the funds of the Company which would otherwise be available for dividend or distribution, or out of the Company's share premium account, before the Shares are purchased or acquired. No purchase or acquisition by the Company of its own Shares may be effected if, on the date on which the purchase or acquisition is to be effected, there are reasonable grounds for believing that the Company is, or after the purchase or acquisition would be, unable to pay its liabilities as they become due.
- (b) The Company will use internal resources to finance the buy-backs of its Shares. It is not possible for the Company to realistically calculate or quantify the impact of the Share Buy-Backs that may be made pursuant to the Share Buy-Back Mandate on the net asset value and earnings per share, as the resultant effect would depend on factors such as the aggregate number of Shares purchased or acquired and the purchase prices paid at the relevant times. The Board will only make purchases or acquisitions of Shares pursuant to the Share Buy-Back Mandate in circumstances which they believe will not adversely affect the financial condition of the Company or the Group.

2.6 Financial Effects

- (a) The financial effects on the Company and the Group arising from Share Buy-Backs which may be made pursuant to the Share Buy-Back Mandate will depend on, *inter alia*, the number of Purchased Shares, the price paid for such Purchased Shares, the manner in which the Share Buy-Back or acquisition is funded, and whether the Shares purchased or acquired are cancelled or held as Treasury Shares.
- (b) The Company's total issued share capital will be diminished by the total nominal amount (for par value) of the Purchased Shares if cancelled upon the Share Buy-Back(s). The NTA of the Company and the Group will be reduced by the aggregate purchase price paid by the Company for the Purchased Shares. The purchase price paid by the Company for the Purchased Shares (excluding brokerage, stamp duties, applicable goods and services tax and other related expenses) will correspondingly reduce the amount available for the distribution of cash dividends by the Company.
- (c) The financial effects on the Company and the Group, based on the audited financial statements of the Company and the Group for the financial year ended 31 December 2021, are based on the assumptions set out below:

LETTER TO SHAREHOLDERS

(i) *Share Buy-Back out of capital or profits*

- (A) Under the Bermuda Companies Act, a purchase or acquisition by a company of its own shares may only be funded out of the capital paid up on the purchased shares or out of the funds of the company which would otherwise be available for dividend or distribution, or out of the proceeds of a fresh issue of shares made for the purposes of the purchase or the acquisition. Any premium payable on a purchase or acquisition over the nominal or par value of the shares to be purchased or acquired must be provided for out of funds of the company which would otherwise be available for dividend or distribution, or out of the company's share premium account, before the shares are purchased or acquired.
- (B) Any amount due to a shareholder on a purchase or acquisition by a company of its own shares may (i) be paid in cash; (ii) be satisfied by the transfer of any part of the undertaking or property of the company having the same value; or (iii) be satisfied partly under (i) and partly under (ii). Any purchase or acquisition by a company of its own shares may be authorised by its board of directors or otherwise by or in accordance with the provisions of its bye-laws. Such purchase or acquisition may not be made if, on the date on which the purchase or acquisition is to be effected, there are reasonable grounds for believing that the company is, or after the purchase or acquisition would be, unable to pay its liabilities as they become due.
- (C) Where the consideration paid by the Company for the Share Buy-Backs is made out of profits, such consideration (excluding related brokerage, goods and services tax, stamp duties and clearance fees) will correspondingly reduce the amount of profits available for the distribution of cash dividends by the Company. However, where the consideration paid by the Company for the Share Buy-Backs is made out of capital, the amount of profits available for the distribution of cash dividends by the Company will not be reduced.

(ii) *Number of Shares purchased or acquired*

Based on the issued and paid-up Shares as at the Latest Practicable Date and assuming no further Shares are issued on or prior to the SGM, the purchase or acquisition by the Company of up to the maximum limit of ten per cent. (10.0%) of its issued Shares will result in the purchase or acquisition of 79,568,614 Shares.

(iii) *Maximum price paid for Shares purchased or acquired*

- (A) Based on the existing issued and paid-up capital of the Company as at the Latest Practicable Date and assuming that none of the outstanding share options are exercised before the SGM and the Company purchases or acquires the maximum number of 79,568,614 Shares pursuant to the Share Buy-Back Mandate, in the case of On-Market Share Purchases and Off-Market Share Purchases by the Company at the Maximum Price of S\$0.485 (being the price equivalent to the 105.0% of the average of the closing market prices of a Share over the last five (5) Market Days, on which transactions in the Shares were recorded, immediately preceding the Latest Practicable Date) and S\$0.554 (being the price equivalent to the 120.0% of the average of the closing market prices of a Share over the last five (5) Market Days, on which transactions in the Shares were recorded, immediately preceding the Latest Practicable Date) per Share respectively, the maximum amounts of funds required for the purchase or acquisition of 79,568,614 Shares (excluding brokerage,

- (IV) the Share Buy-Backs are financed by internal funding; and
- (V) the related expenses (such as transaction costs) incurred for the Share Buy-Backs are assumed to be insignificant and have not been accounted for in calculating the financial effects,

the financial effects on the Company and the Group, based on the audited financial statements of the Company and the Group for the financial year ended 31 December 2021, with and without the Convertible Bonds, are set out below:

2.7 Tax Implications Arising From Share Buy-Back

Shareholders who are in doubt as to their respective tax positions or tax implications of a Share Buy-Back by the Company, or who may be subject to tax whether in or outside Singapore, should consult their own professional advisers.

2.8 Reporting Requirements

The Listing Rules require the Company to make reports in relation to the Share Buy-Back Mandate as follows:

- (a) in the case of On-Market Share Purchases, purchases or acquisitions of Shares must be reported to the SGX-ST in the forms prescribed by the Listing Rules and announced to the public, not later than 9:00 a.m. on the Market Day following the day of purchase or acquisition of any of its Shares; and
- (b) in the case of Off-Market Share Purchases, not later than 9:00 a.m. on the second Market Day after the close of acceptances of the offer made by the Company.

The notification of such purchases or acquisitions of Shares to the SGX-ST shall be in such form and shall include such details as the SGX-ST may prescribe. The Company shall make arrangements with its stockbrokers to ensure that they provide the necessary information to the Company in a timely fashion to enable the Company to make the notifications to the SGX-ST.

LETTER TO SHAREHOLDERS

2.9 Listing Rules

- (a) The Listing Rules do not expressly prohibit any purchase or acquisition of shares by a listed company during any particular time(s). However, as the Company would be considered an “insider” in relation to any proposed purchase or acquisition of its Shares, the Company will not undertake any purchase or acquisition of Shares pursuant to the Share Buy-Back Mandate after a price sensitive development has occurred or has been the subject of consideration and/or a decision of the Board until such time as the price sensitive information has been publicly announced. In particular, the Company will not purchase any Shares during the period commencing two (2) weeks before the announcement of the Company’s results for each of the first three (3) quarters of the financial year, and one (1) month before the announcement of the Company’s half year and full year results, as the case may be, and ending on the date of announcement of the relevant results.
- (b) As a listed company, the Listing Rules require the Company to ensure that at least ten per cent. (10.0%) of the total number of issued Shares excluding Treasury Shares (excluding preference shares and convertible equity securities) are at all times held by the public. The “public”, as defined in the Listing Rules, are persons other than the Directors, chief executive officer, Substantial Shareholders or Controlling Shareholders of the Company and its subsidiaries, as well as the Associates of such persons. As at the Latest Practicable Date, there is a public float of 318,750,533 Shares representing approximately 40.1% of the issued Shares (excluding Treasury Shares). Assuming the Company exercises the Share Buy-Back Mandate in full and purchases the maximum of ten per cent. (10.0%) of its Shares through On-Market Share Purchases from the public, the public float would be reduced to approximately 33.4% of the issued Shares (excluding Treasury Shares). Accordingly, the Company is of the view that there is a sufficient number of the Shares in issue held by public Shareholders which would permit the Company to undertake Share Buy-Backs up to the full ten per cent. (10.0%) limit pursuant to the Share Buy-Back Mandate without affecting the listing status of the Shares on the SGX-ST, and that the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity or adversely affect the orderly trading of the Shares.

2.10 Share Buy-Backs During the Last 12 Months

In the 12 months preceding the Latest Practicable Date, the Company had not purchased or acquired any Shares by way of On-Market Share Purchases (whether pursuant to the Share Buy-Back Mandate adopted at the 2021 SGM or otherwise).

2.11 Take-over Code Implications Arising From Share Buy-Backs

- (a) There are presently no requirements under any Bermuda laws or regulations on take-over offers for Shares, which would be applicable to the Company. However, the Company is subject to sections 138, 139 and 140 of the SFA and the Take-over Code notwithstanding that the Company is a company incorporated in Bermuda, as long as the Company is listed on a securities exchange (as defined in the SFA), which includes the SGX-ST.

(b) **Obligation to make a take-over offer**

Pursuant to Appendix 2 of the Take-over Code, an increase of a shareholder’s proportionate interest in the voting rights of the Company as a result of any purchase or acquisition of Shares by the Company will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code (“**Rule 14**”).

Under Rule 14, a person will incur an obligation to make a mandatory take-over offer for the Company if, *inter alia*:

- (i) he acquires (whether by a series of transactions over a period of time or not),

LETTER TO SHAREHOLDERS

Shares which, when taken together with Shares held or acquired by persons acting in concert with him, carry 30.0% or more of the voting rights of the Company; or

- (ii) he and any persons acting in concert with him, together holding between 30.0% and 50.0% of the Company's voting rights, increase their voting rights in the Company by more than one per cent. (1.0%) in any period of six (6) months.

In addition to such person, each of the principal members of the group of persons acting in concert with him may, according to the circumstances of the case, have the obligation to extend an offer.

If, as a result of any purchase or acquisition by the Company of Shares, the proportionate interest in the voting capital of the Company of a Shareholder and persons acting in concert with him increases, such increase will be treated as an acquisition for the purposes of Rule 14. Consequently, a Shareholder or a group of Shareholders acting in concert with a Director could obtain or consolidate effective control of the Company and become obliged to make an offer under Rule 14.

(c) **Persons acting in concert**

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company to obtain or consolidate effective control of that company.

Unless the contrary is established, the Take-over Code presumes, *inter alia*, the following persons to be acting in concert, namely:

- (i) a company with any of its directors (together with their close relatives, related trusts and companies controlled by any of the directors, their close relatives and related trusts);
- (ii) the following companies:
 - (A) a company;
 - (B) the parent company of (A);
 - (C) the subsidiaries of (A);
 - (D) the fellow subsidiaries of (A);
 - (E) the associated companies of any of (A), (B), (C), or (D);
 - (F) companies whose associated companies include any of (A), (B), (C) or (D); and
 - (G) any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above for the purchase of voting rights,

for this purpose, ownership or control of at least 20.0% but not more than 50.0% of the voting rights of a company will be regarded as the test of associated company status;

- (iii) a company with any of its pension funds and employee share schemes;
- (iv) a person with any investment company, unit trust or other fund whose investment such person manages on a discretionary basis, but only in respect of the investment account which such person manages;

LETTER TO SHAREHOLDERS

- (v) a financial or other professional adviser, including a stockbroker, with its client in respect of the shareholdings of the adviser and persons controlling, controlled by or under the same control as the adviser;
- (vi) directors of a company (together with their close relatives, related trusts and companies controlled by any of such directors, their close relatives and related trusts) which is subject to an offer or where the directors have reason to believe a *bona fide* offer for their company may be imminent;
- (vii) partners; and
- (viii) the following persons and entities:
 - (A) an individual;
 - (B) the close relatives of (A);
 - (C) the related trusts of (A);
 - (D) any person who is accustomed to act according to the instructions of (A);
 - (E) companies controlled by any of (A), (B), (C) or (D); and
 - (F) any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above for the purchase of voting rights.

The circumstances under which Shareholders, including Directors and persons acting in concert with them, respectively, will incur an obligation to make a take-over offer after a purchase or acquisition of Shares by the Company are set out in Rule 14 and Appendix 2 of the Take-over Code.

2.12 Effect of Rule 14 and Appendix 2 of the Take-over Code

In general terms, the effect of Rule 14 and Appendix 2 of the Take-over Code is that:

- (a) unless exempted, Directors and persons acting in concert with them will incur an obligation to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Directors and persons acting in concert with them would increase to 30.0% or more, or if the voting rights of such Directors and persons acting in concert with them fall between 30.0% and 50.0% of the Company's voting rights, the voting rights of such Directors and persons acting in concert with them would increase by one per cent. (1.0%) in any period of six (6) months; and
- (b) a Shareholder not acting in concert with the Directors will not be required to make a takeover offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder would increase to 30% or more, or if such Shareholder holds between 30.0% and 50.0% of the Company's voting rights, the voting rights of such Shareholder would increase by more than one per cent. (1.0%) in any period of six (6) months. Such Shareholder need not abstain from voting in respect of the resolution authorising the Share Buy-Back Mandate.

However, Shareholders will be subject to the provisions of Rule 14 if they acquire Shares after the Company's Share Buy-Backs. For the purposes of the Take-over Code, an increase in the percentage of voting rights as a result of the Share Buy-Backs will be taken into account in determining whether a Shareholder and persons acting in concert with him have increased their voting rights by more than one per cent. (1.0%) in any period of six (6) months.

LETTER TO SHAREHOLDERS

Shareholders (including Directors) and persons acting in concert with them who hold more than 50.0% of the Company's voting rights are under no obligation to make a take-over offer if the voting rights of such Shareholders and the persons acting in concert in them were to increase as a result of the Company purchasing or acquiring shares.

The statements in this Circular do not purport to be a comprehensive or exhaustive description of all implications that may arise under the Take-over Code. Shareholders who are in doubt as to their obligations, if any, to make a mandatory take-over offer under the Take-over Code as a result of any purchase or acquisition of Shares by the Company should consult their professional advisers and/or the SIC and/or other relevant authorities at the earliest opportunity.

2.13 Application of the Take-over Code

The interests of the Directors and Substantial Shareholders of the Company in the Shares are disclosed in paragraph 3 below.

As at the Latest Practicable Date, assuming (a) the Company purchases or acquires the maximum amount of ten per cent. (10.0%) of the issued Shares, and (b) there is no change in the number of Shares held or deemed to be held by the Directors and Substantial Shareholders prior to and after the exercise of the Share Buy-Back Mandate, none of the Directors or the Substantial Shareholders will become obligated to make a mandatory take-over offer under Rule 14 in the event that the Company purchases or acquires the maximum number of 79,568,614 Shares pursuant to the Share Buy-Back Mandate. The Company is not aware of any Shareholders who would have to make a general offer under the Take-over Code and the SFA as a result of the Share Buy-Back Mandate.

Shareholders are advised to consult their professional advisers and/or the SIC and/or the relevant authorities at the earliest opportunity as to whether an obligation to make a take-over offer would arise by reason of any share buy-backs or acquisitions by the Company pursuant to the Share Buy-Back Mandate.
