IMPORTANT: In cases where there are discrepancies between the applicable laws, rules and/or regulations of Hong Kong and Singapore, the more stringent set of laws, rules and/or regulations shall prevail.

- 2.3 Pursuant to Regulation 89 of the Constitution, the Company’s executive Director, Mr. Wong and the Company’s independent non-executive Directors, Mr. Gn and Mr. Owi shall retire from office by rotation, and, being eligible, offer themselves for re-election at the 2020 AGM.

- 2.4 As at the Latest Practicable Date, Mr. Gn has served on the Board for more than nine (9) years from the date of his first appointment on 17 May 2007.

LETTER FROM THE BOARD

- 2.5 The Nominating Committee had reviewed and confirmed that Mr. Gn continues to be independent after taking into consideration the following factors:

 - (b) Mr. Gn has expressed succinctly and objectively his views on issues and provided relevant and invaluable input during Board and/or Board committee meetings.
 - (c) Mr. Gn has continued to demonstrate strong independence in character and judgement in the best interest of the Company in the discharge of his duties as Director.

- 2.7 After due consideration, the Board has resolved that Mr. Gn continues to be considered an independent non-executive Director and will continue to bring valuable business experience, knowledge and professionalism to the Board for its efficient and effective functioning and diversity. Mr. Gn (being a Nominating Committee member and Board member) had recused himself from deliberation and voting in respect of the assessment on his own independence.
- 2.8 In addition, the re-appointment of each of Mr. Lee, Mr. Wong, Mr. Gn and Mr. Owi was recommended by the Nominating Committee, and the Board has accepted the recommendations following a review of their qualifications, expertise, experience, overall contribution to the Company and contributions at Board and/or Board committee meetings (such as participation, attendance, preparedness and candour) and review of their independence, as appropriate.
- 2.9 The particulars required to be disclosed under the HK Listing Rules and the Singapore Listing Rules in relation to the Directors proposed for re-election are set out in the Appendix ("**Details of Retiring Directors Proposed for Re-election at the Annual General Meeting**") to this Circular.

3. THE PROPOSED SHARE ISSUE MANDATE

- 3.1 At the 2019 AGM, a Share Issue Mandate (the "**2019 Share Issue Mandate**") was granted by the Shareholders to the Directors, authorising the Directors to issue Shares and/or to make or grant offers, agreements or options that might or would require Shares to be issued, in accordance with the terms set out in the resolution approving the 2019 Share Issue Mandate and in compliance with the Singapore Listing Rules, the HK Listing Rules, all legal requirements and the Constitution. The 2019 Share Issue Mandate will expire upon the conclusion of the 2020 AGM.

LETTER FROM THE BOARD

3.2 An ordinary resolution as set out in Ordinary Resolution 10 of the notice of the 2020 AGM will be proposed at the 2020 AGM to seek the approval of the Shareholders that, pursuant to Section 161 of the Act, Rule 806 of the Listing Manual and the HK Listing Rules, the following authority be given to the Directors to:

- (i) issue Shares in the capital of the Company whether by way of rights, bonus or otherwise, and/or
- (ii) make or grant offers, agreements or options (collectively, “**Instruments**”) that might or would require Shares to be issued, including but not limited to the creation and issue of (as well as adjustments to) warrants, debentures or other instruments convertible into shares,

at any time and upon such terms and conditions and for such purposes and to such persons as the Directors may in their absolute discretion deem fit.

3.3 Notwithstanding the authority conferred by the Share Issue Mandate may have ceased to be in force, the Directors be authorised to issue Shares in pursuance of any Instruments made or granted by the Directors while the Share Issue Mandate was in force,

provided that:

- (1) the aggregate number of Shares to be issued pursuant to the Share Issue Mandate (including Shares to be issued in pursuance of the Instruments, made or granted pursuant to the Share Issue Mandate) shall not exceed fifty percent (50%) of the total number of issued Shares (excluding Treasury Shares and subsidiary holdings) in the capital of the Company, of which the aggregate number of Shares to be issued other than on a pro rata basis to Shareholders shall not exceed twenty percent (20%) of the total number of issued Shares (excluding Treasury Shares and subsidiary holdings) in the capital of the Company (as calculated in accordance with sub-paragraph (2) below);
- (2) (subject to such manner of calculation as may be prescribed by the SGX-ST and HKSE) for the purpose of determining the aggregate number of Shares that may be issued under sub-paragraph (1) above, the percentage of issued Shares shall be based on the total number of issued Shares (excluding Treasury Shares and subsidiary holdings) in the capital of the Company at the time of the passing of the resolution approving the Share Issue Mandate, after adjusting for:
 - (a) new Shares arising from the conversion or exercise of convertible securities which were issued and outstanding or subsisting at the time of the passing of the resolution approving the Share Issue Mandate;
 - (b) new Shares arising from exercising share options or vesting of share awards which were issued and outstanding or subsisting at the time of the passing of the resolution approving the Share Issue Mandate; and
 - (c) any subsequent bonus issue, consolidation or subdivision of Shares.

LETTER FROM THE BOARD

- 3.4 In exercising the authority conferred by the Share Issue Mandate, the Company shall comply with the provisions of the Listing Manual and the HK Listing Rules for the time being in force (unless such compliance has been waived by the SGX-ST and HKSE) and the Constitution for the time being.
- 3.5 Unless revoked or varied by the Company in general meeting, the authority conferred by the Share Issue Mandate shall continue in force until the conclusion of the next AGM or the date by which the next AGM is required by law to be held, whichever is the earlier.
- 3.6 Notwithstanding the above, it must be noted that the HK Listing Rules provide that the Share Issue Mandate shall be subject to a restriction that the aggregate number of Shares allotted or agreed to be allotted under the Share Issue Mandate must not exceed twenty percent (20%) of the total number of issued Shares of the Company. The Company will comply with the requirements under the HK Listing Rules or the Listing Manual for matters relating to the Share Issue Mandate, whichever is more onerous.
- 3.7 As at the Latest Practicable Date, the number of Shares in issue was 840,778,624. Accordingly, the exercise of the Share Issue Mandate in full (other than on a pro-rata basis) would enable the Company to issue a maximum of 168,155,724 new Shares (assuming no Shares are issued or repurchased after the Latest Practicable Date and up to the passing of the relevant resolution). The grant of the proposed Share Issue Mandate will provide flexibility to the Directors to issue new Shares when it is in the interests of the Company to do so.

4. THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

4.1 Background

- 4.1.1 The Act allows companies to purchase their own shares, stocks and preference shares in the manner stated in the Act, if their constitution allows them to do so. Regulation 3A of the Constitution expressly permits the Company to purchase or otherwise acquire, *inter alia*, its issued Shares.
- 4.1.2 Any purchase or acquisition of its Shares by the Company is required to be made in accordance with, and in the manner prescribed by, the Act, the Listing Manual, the Constitution, the HK Listing Rules, the HK Repurchase Code and such other laws and regulations as may, for the time being, be applicable. Companies listed on the HKSE are not allowed to hold Treasury Shares. Accordingly, as the Company is listed on the Main Board of the HKSE, the Company will not be allowed to hold Treasury Shares and any Shares purchased, redeemed or acquired pursuant to the Share Purchase Mandate will be cancelled.
- 4.1.3 At the 2019 AGM, the Shareholders had approved the renewal of a Share Purchase Mandate (the “**2019 Share Purchase Mandate**”) to enable the Company to purchase or otherwise acquire its issued Shares. The details of the 2019 Share Purchase Mandate were set out in the Circular to Shareholders dated 22 March 2019 accompanying the Notice of 2019 AGM.

LETTER FROM THE BOARD

- 4.1.4 The 2019 Share Purchase Mandate was expressed to continue, *inter alia*, in force until:
- (i) the date on which the 2020 AGM is held or required by law to be held;
 - (ii) the date on which the purchase of Shares by the Company pursuant to the 2019 Share Purchase Mandate is carried out to the full extent mandated; or
 - (iii) the date on which the authority conferred by the 2019 Share Purchase Mandate is revoked or varied by the Company in general meeting,
- whichever is the earliest.
- 4.1.5 As the 2019 Share Purchase Mandate will be expiring on 27 April 2020, being the date of the 2020 AGM, the Directors are seeking the Shareholders' approval for the renewal of the Share Purchase Mandate at the 2020 AGM.

4.2 Rationale for renewal of the Share Purchase Mandate

- 4.2.1 Short term speculation may at times cause the market price of the Company's Shares to be depressed below the true value of the Company and the Group. The proposed renewal of the Share Purchase Mandate will provide the Directors with the means to restore investors' confidence and to protect existing Shareholders' investments in the Company in a depressed share-price situation through judicious Share Purchases to enhance the EPS and/or the NAV per Share. The Share Purchases will enhance the NAV per Share if the Share Purchases are made at a price below the NAV per Share.
- 4.2.2 The proposed renewal of the Share Purchase Mandate will also provide the Company with an expedient and cost-effective mechanism to facilitate the return of surplus cash reserves to the Shareholders, as and when the Directors are of the view that this would be in the best interests of the Company and the Shareholders.
- 4.2.3 Directors will only make a Share Purchase as and when the circumstances permit and only if the Directors are of the view that such purchases are in the best interests of the Company and the Shareholders. The Directors will decide whether to purchase Shares only after taking into account, among other things, the market conditions at such time, the Company's financial condition and whether such purchases will cause the Company to become insolvent (i.e. the Company is unable to pay its debts as they fall due during the period of 12 months immediately following the date of the payment of the consideration for Share Purchase, or the value of the Company's assets is less than the value of its liabilities including contingent liabilities), and whether such purchases represent the most efficient and cost-effective approach to enhance Share value. Share Purchases will only be made if the Directors believe that such purchases are likely to benefit the Company and increase economic value for the Shareholders.

LETTER FROM THE BOARD

4.2.4 The Directors will ensure that the Share Purchases will not have any effect on the listing of the Company's securities including the Shares listed on the SGX-ST and/or the HKSE. Rule 723 of the Listing Manual requires at least ten percent (10%) of the total number of issued Shares excluding Treasury Shares (excluding preference shares and convertible equity securities) in a class that is listed is at all times held by the public. Rule 8.08 of the HK Listing Rules requires at least twenty-five percent (25%) of the total number of issued Shares at all times be held by the public. The Directors shall safeguard the interests of public Shareholders before undertaking any Share Purchases. Before exercising the Share Purchase Mandate, the Directors shall at all times take due cognisance of (a) the then shareholding spread of the Company in respect of the number of Shares held by Substantial Shareholders and by non-substantial shareholders and (b) the volume of trading on the SGX-ST in respect of the Shares immediately before the exercise of any Share Purchase. The Company will ensure that after a Share Purchase, the number of Shares remaining in the hands of the public will not fall below the minimum levels prescribed by the Singapore Listing Rules and the HK Listing Rules, and the Share Purchases will not cause market illiquidity or affect the orderly trading and listing status of the Shares on the SGX-ST and/or the HKSE.

4.3 Authority and limits on the Share Purchase Mandate

The authority and limitations placed on the Share Purchases by the Company under the proposed renewal of the Share Purchase Mandate are set out below:

4.3.1 Maximum Number of Shares

The total number of Shares which may be purchased or acquired by the Company pursuant to the Share Purchase Mandate is limited to that number of Shares representing not more than ten percent (10%) of the total number of issued Shares (excluding Treasury Shares and subsidiary holdings) as at the date of the 2020 AGM at which the renewal of the Share Purchase Mandate is approved (the "**Approval Date**"), unless the Company has effected a reduction of the issued share capital of the Company in accordance with the applicable provisions of the Act, at any time during the relevant period, in which event the total number of issued Shares of the Company shall be taken to be the total number of the issued Shares of the Company as altered. As at the Latest Practicable Date, the Company had no Treasury Shares and no subsidiary holdings.

For illustrative purposes only, on the basis of 840,778,624 issued Shares as at the Latest Practicable Date, and assuming that no further Shares are issued or repurchased on or prior to the 2020 AGM, not more than 84,077,862 issued Shares (representing approximately ten percent (10%) of the total number of issued Shares as at the Approval Date) may be purchased by the Company pursuant to the Share Purchase Mandate for the duration referred to in Section 4.3.2.

LETTER FROM THE BOARD

4.3.2 Duration of Authority

- (a) Purchases of Shares by the Company must be approved in advance by the Shareholders at a general meeting of the Company, by way of a general mandate. Share Purchases under the Share Purchase Mandate may be made at any time, and from time to time, on and from the Approval Date, up to:
- (i) the date on which the next AGM is held or required by law to be held;
 - (ii) the date on which the purchase of Shares by the Company pursuant to the Share Purchase Mandate is carried out to the full extent mandated; or
 - (iii) the date on which the authority conferred by the Share Purchase Mandate is revoked or varied by the Company in a general meeting,

whichever is the earliest (the “**Permitted Period**”).

- (b) The authority conferred on the Directors by the Share Purchase Mandate to purchase Shares may be renewed. When seeking the approval of the Shareholders for the renewal of the Share Purchase Mandate, the Company is required to disclose, *inter alia*, details pertaining to Share Purchases made during the previous 12 months (whether On-Market Share Purchases or Off-Market Share Purchases), including the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for such Share Purchases, where relevant, and the total consideration paid for such Share Purchases.

4.3.3 Manner of Share Purchases

- (a) Share Purchases may be made by way of:
- (i) an On-Market Share Purchase; and/or
 - (ii) an Off-Market Share Purchase.
- (b) The Directors may impose such terms and conditions, which are not inconsistent with the Share Purchase Mandate, the Listing Manual, the Act, the HK Listing Rules or the HK Repurchase Code and the Constitution, as they consider fit, in the interests of the Company in connection with or in relation to any equal access scheme or schemes. However, an Off-Market Share Purchase must satisfy all the following conditions:
- (i) offers for the Share Purchase shall be made to every person who holds Shares to purchase or acquire the same percentage of their Shares;
 - (ii) all of those persons shall be given a reasonable opportunity to accept the offers made to them; and

LETTER FROM THE BOARD

- (iii) the terms of all the offers shall be the same, except that there shall be disregarded:
 - (A) differences in consideration attributable to the fact that offers relate to Shares with different accrued dividend entitlements (if applicable);
 - (B) differences in consideration attributable to the fact that offers relate to Shares with different amounts remaining unpaid (if applicable); and
 - (C) differences in the offers introduced solely to ensure that each Shareholder is left with a whole number of Shares in board lots of 1,000 Shares on the HKSE and 100 Shares on the SGX-ST after the Share Purchases, in the event there are offeree Shareholders holding odd numbers of Shares.

- (c) The Listing Manual provides that, in making an Off-Market Share Purchase, the Company must issue an offer document to all Shareholders, which must contain at least the following information:
 - (i) the terms and conditions of the offer;
 - (ii) the period and procedures for acceptances;
 - (iii) the reasons for the proposed Share Purchase;
 - (iv) the consequences, if any, of Share Purchases by the Company that will arise under the Singapore Take-over Code or other applicable take-over rules;
 - (v) whether the Share Purchase, if made, could affect the listing of the Shares on the SGX-ST;
 - (vi) details of any Share Purchases made by the Company in the previous 12 months (whether On-Market Share Purchases or Off-Market Share Purchases), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for the Share Purchases, where relevant, and the total consideration paid for the Share Purchases; and
 - (vii) whether the Shares purchased by the Company will be cancelled or kept as Treasury Shares.

LETTER FROM THE BOARD

- (d) In relation to an On-Market Share Purchase, the Company may apply to the SGX-ST for a special trading counter for the purposes of effecting the On-Market Share Purchase besides the normal ready market counter. Subject to the Shareholders' approval being obtained at the 2020 AGM for the renewal of the Share Purchase Mandate, the Company will consider whether to apply to the SGX-ST for a special trading counter for the purpose of conducting On-Market Share Purchases of its Shares.

- (e) In Hong Kong, companies with a primary listing of its equity securities in Hong Kong may only engage an off-market share repurchase approved in accordance with Rule 2 of the HK Repurchase Code. According to the HK Repurchase Code, off-market purchases must be approved by the Executive Director of the Corporate Finance Division of the SFC or any delegate of the Executive Director before a repurchasing company acquires any shares pursuant to such share repurchases. Such approval will normally be conditional upon, amongst others, approval of the proposed off-market repurchase by at least three-fourths of the votes cast on a poll by disinterested shareholders in attendance in person or by proxy at a general meeting of shareholders duly convened and held to consider the proposed transaction. The repurchasing company should also comply with such other applicable requirements under the HK Repurchase Code. Accordingly, even if the Share Purchase Mandate shall have been approved by Shareholders at the 2020 AGM, the Company will still be required to convene a general meeting to seek specific approval from the Shareholders in the event it wishes to conduct an Off-Market Share Purchase in compliance with the applicable requirements of the HK Repurchase Code.

4.3.4 Maximum Purchase Price

- (a) The purchase price (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) to be paid for a Share will be determined by a committee of Directors constituted for the purposes of effecting purchases or acquisitions of Shares by the Company under the Share Purchase Mandate.

- (b) However, the purchase price to be paid for the Shares pursuant to the Share Purchase Mandate must not exceed:
 - (i) in the case of an On-Market Share Purchase, one hundred and five percent (105%) of the Average Closing Price (as defined below) of the Shares; and
 - (ii) in the case of an Off-Market Share Purchase, one hundred and twenty percent (120%) of the Average Closing Price of the Shares,(the “**Maximum Price**”) in either case (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses).

LETTER FROM THE BOARD

- (c) For the above purposes, “**Average Closing Price**” means the average of the closing market prices of a Share over the last five (5) Market Days, on which transactions in the Shares were recorded, immediately preceding the date of making the On-Market Share Purchase, or, as the case may be, the date of making an announcement for an offer pursuant to the Off-Market Share Purchase, and deemed to be adjusted for any corporate action that occurs during the relevant five (5) Market Days and the day on which the purchase is made.
- (d) For the above purposes, “**date of making an announcement for an offer**” means the date on which the Company announces its intention to make an offer for an Off-Market Share Purchase, stating therein the purchase price (which shall not be more than the Maximum Price for an Off-Market Share Purchase calculated on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Share Purchase.

4.4 Status of purchased Shares

General

- (a) Under Section 76B(5) of the Act, any Share that is purchased or acquired by the Company, unless held as a Treasury Share pursuant to Section 76H of the Act, is deemed cancelled immediately on purchase, and all rights and privileges attached to that Share will expire on cancellation. All Shares purchased by the Company will be automatically delisted by the SGX-ST, and (where applicable) all certificates in respect thereof will be cancelled and destroyed by the Company as soon as reasonably practicable following the settlement of any such purchase. Accordingly, the total number of issued Shares will be diminished by the number of Shares purchased or acquired, which are cancelled and not held as Treasury Shares.
- (b) As the Company is concurrently primarily listed on the Mainboard of the SGX-ST and the Main Board of the HKSE, the Company is required to comply with the relevant Singapore and Hong Kong laws, the Singapore Listing Rules and the HK Listing Rules, including, *inter alia*, the listing requirements of the SGX-ST and the HKSE. Pursuant to Rule 10.06(5) of the HK Listing Rules, the listing of all purchased Shares by the Company (whether on the HKSE or otherwise) shall be automatically cancelled upon such purchase.

Regulation 4A of the Constitution provides that “The Company shall not have any treasury share”. In addition, as mentioned above, companies listed on the HKSE are not allowed to hold Treasury Shares. Accordingly, as the Company is listed on the Main Board of the HKSE, the Company will not be allowed to hold Treasury Shares and any Shares purchased, redeemed or acquired pursuant to the Share Purchase Mandate will be cancelled.

LETTER FROM THE BOARD

4.5 Reporting requirements

4.5.1 Notification to ACRA

Within 30 days of the Approval Date, the Company shall lodge a copy of the resolution approving the Share Purchase Mandate with ACRA.

The Company shall lodge with ACRA a notice of Share Purchase within 30 days of a Share Purchase. Such notification shall include the date of the Share Purchase, the total number of Shares purchased by the Company, the number of Shares cancelled, the number of Treasury Shares held (which will be nil), the Company's issued share capital and total number of issued Shares before and after the Share Purchase, the amount of consideration paid by the Company for the Share Purchase, whether the Shares were purchased or acquired out of the profits or the capital of the Company and such other particulars as may be required, in the prescribed form.

4.5.2 Notification to SGX-ST

The Singapore Listing Rules specify that a company listed on the SGX-ST shall notify the SGX-ST of all purchases or acquisitions of its shares not later than 9:00 am:

- (a) in the case of an On-Market Share Purchase, on the Market Day following the day on which the On-Market Share Purchase was made; or
- (b) in the case of an Off-Market Share Purchase, on the second Market Day after the close of acceptance of the offer for the Off-Market Share Purchase.

The notification of such purchases or acquisitions of Shares to the SGX-ST shall be in such form and shall include such details that the SGX-ST may prescribe. The Company shall make arrangements with its stockbrokers to ensure that they provide the necessary information to the Company in a timely fashion to enable the Company to make the notifications to the SGX-ST.

4.5.3 Reporting Requirements in Hong Kong

Under the HK Listing Rules, after a listed issuer has made a purchase of its shares, whether on the HKSE or otherwise, the listed issuer shall:

- (a) submit for publication to the HKSE not later than thirty (30) minutes before the earlier of the commencement of the morning trading session or any pre-opening session on the Market Day following any day on which the issuer makes a purchase of shares (whether on the HKSE or otherwise), the total number of shares purchased by the issuer on the previous day, the purchase price per share or the highest and lowest price paid for such shares, where relevant, and shall confirm that purchases which were those made on the HKSE were made in accordance with the HK Listing

LETTER FROM THE BOARD

Rules and if the issuer's primary listing is on the HKSE, that there have been no material changes to the particulars contained in the explanatory statement issued by the listed issuer in relation to the mandate pursuant to which such share purchase is made. In respect of purchases made on another stock exchange, the issuer's report must confirm that those purchases were made in accordance with the domestic rules applying to purchases on that other stock exchange. Such reports shall be made on a return, in such form and containing such information as the HKSE may from time to time prescribe. In the event that no shares are purchased on any particular day then no return need to be made to the HKSE. The listed issuer should make arrangements with its brokers to ensure that they provide to the issuer in a timely fashion the necessary information to enable the listed issuer to make the report to the HKSE; and

- (b) include in its annual report and accounts a monthly breakdown of purchases of shares made during the financial year under review, showing the number of shares purchased each month (whether on the HKSE or otherwise) and the purchase price per share or the highest and lowest price paid for all such purchases, where relevant, and the aggregate price paid by the issuer for such purchases. The directors' statement shall contain reference to the purchases made during the year and the directors' reasons for making such purchases. The issuer shall procure that any broker appointed by the issuer to effect the purchase of its shares shall disclose to the HKSE such information with respect to purchases made on behalf of the issuer as the HKSE may request.

4.6 Source of funds

4.6.1 The company may only apply funds legally available for a Share Purchase as provided in the Constitution and in accordance with the applicable laws in Singapore and Hong Kong. The Company may not purchase its Shares for a consideration other than in cash or, in the case of an On-Market Share Purchase, for settlement otherwise than in accordance with the listing rules of the SGX-ST and the HKSE.

4.6.2 The Act permits the Company to purchase or acquire its own Shares out of capital, as well as from its profits, so long as the Company is solvent. The Company is solvent if:

- (a) there is no ground on which the Company could be found to be unable to pay its debts in full at the date of the payment of the consideration for, *inter alia*, the acquisition of any right with respect to the Share Purchase, and will be able to pay its debts as they fall due during the period of 12 months immediately following the date of the payment; and
- (b) the value of the Company's assets is not less than the value of its liabilities (including contingent liabilities), and will not after, *inter alia*, the Share Purchase, become less than the value of its liabilities (including contingent liabilities).

LETTER FROM THE BOARD

4.6.3 The Company intends to use internal sources of funds or borrowings, or a combination of internal resources and external borrowings, to finance the Share Purchases. In purchasing or acquiring Shares pursuant to the Share Purchase Mandate, the Directors will principally consider the availability of internal resources. In addition, the Directors will also consider the availability of external financing. However, in considering the option of external financing, the Directors will consider particularly the prevailing gearing level of the Group. The Directors will only make purchases or acquisitions pursuant to the Share Purchase Mandate in circumstances which they believe will not result in any material adverse effect to the financial position of the Company or the Group.

4.7 Financial effects

4.7.1 If Shares purchased by the Company are cancelled pursuant to Section 76B(5) of the Act, the purchase price paid by the Company for the Shares (including brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) will correspondingly:

- (a) reduce the amount of its share capital where the Shares were purchased out of the capital of the Company;
- (b) reduce the amount of its profits where the Shares were purchased out of the profits of the Company; or
- (c) reduce the amount of its share capital and profits proportionately where the Shares were purchased out of both the capital and the profits of the Company.

4.7.2 The amount of funding required for the Company to purchase or acquire its Shares and the financial impact on the Company and the Group arising from Share Purchases, which may be made pursuant to the proposed renewal of the Share Purchase Mandate, will depend on, *inter alia*, the aggregate number of Shares purchased or acquired, the consideration paid at the relevant time and the sources of funds applied by the Company.

4.7.3 Based on the existing issued Shares of the Company, which is 840,778,624 Shares as at the Latest Practicable Date, and assuming that no further Shares are issued or repurchased before the 2020 AGM, not more than 84,077,862 Shares, representing not more than ten percent (10%) of the total number of Shares in issue (excluding Treasury Shares and subsidiary holdings) as at the date of the 2020 AGM, may be purchased by the Company pursuant to the Share Purchase Mandate. As at the Latest Practicable Date, the Company had no Treasury Shares and no subsidiary holdings.

LETTER FROM THE BOARD

4.7.4 An illustration of the impact of Share Purchases by the Company pursuant to the Share Purchase Mandate on the Group's and the Company's financial position is set out below based on the following assumptions:

- (a) audited financial statements of the Group and the Company as at 31 December 2019;
- (b) in full exercise of the Share Purchase Mandate, 84,077,862 Shares (representing ten percent (10%) of 840,778,624 issued Shares as at the Latest Practicable Date were purchased and assuming no further Shares are issued and no further Shares are held by the Company as Treasury Shares on or prior to the 2020 AGM);
- (c) assuming that the Company purchases or acquires at the Maximum Price, in the case of both On-Market Share Purchase and Off-Market Share Purchase, of S\$0.44 for one (1) Share, which is five percent (5%) above the average of the closing market prices of the Shares for the last five (5) consecutive Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date; and
- (d) the maximum amount of funds required for the Share Purchases in the aggregate is approximately S\$36,994,000. The Share Purchases are assumed to be funded by the Company's cash and bank balances, as well as inter-companies funding.

Illustrative Financial Effects

For illustrative purposes only and on the basis of the assumptions set out in the above paragraph, the financial effects on the consolidated financial statements of the Group and the Company for FY2019 based on a purchase or acquisition by the Company of up to ten percent (10%) of the total number of its issued Shares would have been as follows:

	Group before Share Purchase (S\$'000)	Group after Share Purchase (S\$'000)	Company before Share Purchase (S\$'000)	Company after Share Purchase (S\$'000)
As at 31 December 2019				
Shareholders' funds	592,191	555,197	281,551	244,557
Total equity	613,865	576,871	281,551	244,557
Current assets	78,052	41,058	45,533	30,630
Current liabilities	110,106	110,106	19,309	19,309
Cash and bank balances	48,588	11,594	14,903	–
Borrowings ⁽¹⁾	739,039	739,039	141,708	163,799
Number of Shares ('000)	840,779	756,701	840,779	756,701
Financial Ratios				
Net assets per Share (S\$)	0.7043	0.7337	0.3349	0.3232
Net gearing ⁽²⁾	51%	55%	30%	40%
Current ratio ⁽³⁾	0.71	0.37	2.36	1.59

LETTER FROM THE BOARD

Notes:

- (1) The above computation assumes that the maximum number of Shares are purchased.
- (2) Net gearing equals borrowings less cash and cash equivalents divided by total equity and borrowings.
- (3) Current ratio equals current assets divided by current liabilities.

- 4.7.5 There may be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the annual report for the year ended 31 December 2019) in the event the Share Purchase Mandate was to be carried out in full at any time during the proposed Permitted Period. However, the Directors do not propose to exercise the Share Purchase Mandate to such extent as would, in the circumstances, have a material adverse impact on the working capital requirements of the Company or the gearing levels which, in the opinion of the Board, are from time to time appropriate for the Company. The Company will take into account both financial and non-financial factors, among other things, the market conditions at such time, the Company's financial condition, the performance of the Shares and whether such Share Purchases would represent the most efficient and cost-effective approach to enhance the Share value. Share Purchases will only be made if the Directors believe that such purchases are likely to benefit the Company and increase economic value for the Shareholders.
- 4.7.6 Shareholders should be aware that the financial effects set out above are based on the assumptions set out above and are for illustrative purposes only. The above analysis is based on historical figures for FY2019 and is not necessarily representative of the Company's or the Group's future financial performance. Although the proposed Share Purchase Mandate would authorise the Company to buy back up to ten percent (10%) of the total number of issued Shares (excluding Treasury Shares and subsidiary holdings, if any) as at the date the Share Purchase Mandate is obtained, the Company may not necessarily buy back or be able to buy back ten percent (10%) of the total number of issued Shares (excluding Treasury Shares and subsidiary holdings, if any) in full. As mentioned above, the Company is not permitted to hold Treasury Shares.
- 4.7.7 To the best of the knowledge of the Directors, and having made all reasonable enquiries, as at the Latest Practicable Date, none of the Directors nor any of their close associates has a present intention, in the event that the proposed Share Purchase Mandate is approved by Shareholders, to sell Shares to the Company.
- 4.7.8 The Directors have undertaken to the HKSE that the power of the Company to make Share Purchases pursuant to the proposed Share Purchase Mandate, if approved, shall be exercised in accordance with the HK Listing Rules, and the laws of Singapore, being the jurisdiction in which the Company is incorporated.
- 4.7.9 As at the Latest Practicable Date, there is no core connected person of the Company that has notified the Company that he has a present intention to sell Shares to the Company or has undertaken not to sell any of the Shares held by him to the Company, in the event that the Company is authorised to make Share Purchases.

LETTER FROM THE BOARD

4.7.10 The highest and lowest prices per Share at which the Shares have traded on the HKSE, respectively, during each of the previous 12 months were as follows:

Month	Highest Price (HK\$)	Lowest Price (HK\$)
2019		
March	2.530	2.360
April	2.590	2.360
May	2.500	2.300
June	3.390	2.290
July	2.420	2.280
August	2.380	2.260
September	2.500	2.250
October	2.430	2.250
November	2.530	2.380
December	2.590	2.450
2020		
January	2.860	2.530
February	2.620	2.480
March (up to the Latest Practicable Date)	2.500	2.090

4.8 Tax implications arising from Share Purchases

Shareholders who are in doubt as to their respective tax positions or tax implications of Share Purchases by the Company, or who may be subject to tax, whether in or outside Singapore, should consult their own professional advisers.

4.9 Listing Rules

4.9.1 Singapore Listing Rules

- (a) The Listing Manual specifies that a listed company shall notify the SGX-ST of any On-Market Share Purchases not later than 9:00 am on the Market Day following the day on which the On-Market Share Purchase was made, and of any Off-Market Share Purchases not later than 9:00 am on the second Market Day after the close of acceptance of the offer for the Off-Market Share Purchase. The notification of such Share Purchases to the SGX-ST shall be in such form and shall include such details that the SGX-ST may prescribe. The Company shall make arrangements with its stockbrokers to ensure that they provide the Company in a timely fashion the necessary information which will enable the Company to make the notifications to the SGX-ST.

LETTER FROM THE BOARD

- (b) In addition, under the Listing Manual, the Company shall not buy back any Shares during the period commencing (a) two (2) weeks before the announcement of the Company's financial statements for each of the first three quarters of its financial year, and one (1) month before the announcement of the Company's full year financial statements (if the Company announces its quarterly financial statements, whether required by the SGX-ST or otherwise), or (b) one (1) month before the announcement of the Company's half year and full year financial statements (if the Company does not announce its quarterly financial statements), as the case may be, and ending on the date of announcement of the relevant financial statements. Further, the Company will not undertake Share Purchases after a price sensitive development has occurred or has been the subject of consideration and/or a decision of the Board until such time as the price sensitive information has been publicly announced or disseminated in accordance with the requirements of the Listing Manual.
- (c) The Listing Manual requires a listed company to ensure that at least ten percent (10%) of the total number of issued Shares excluding Treasury Shares (excluding preference shares and convertible equity securities) in a class that is listed is at all times held by the Public. The "**Public**", as defined under the Listing Manual, are persons other than the Directors, chief executive officer, Substantial Shareholders or Controlling Shareholders of the Company or its subsidiaries, as well as the associates of such persons. Based on the Register of Directors' Shareholdings maintained by the Company and its subsidiaries and the Register of Substantial Shareholders maintained by the Company as at the Latest Practicable Date, there are 266,623,149 Shares in the hands of Public Shareholders, representing approximately 31.71% of the total number of issued Shares excluding Treasury Shares. Assuming the Company exercises the Share Purchase Mandate in full and purchases ten percent (10%) of the total number of issued Shares excluding Treasury Shares (excluding preference shares and convertible equity securities) from the Public, the number of Shares in the hands of the Public would be reduced to approximately 182,545,287 Shares, representing approximately 24.12% of the total number of issued Shares excluding Treasury Shares (excluding preference shares and convertible equity securities). It should be noted that the Company has no Treasury Shares, and is not permitted to hold Treasury Shares.
- (d) Based on the above analysis, the Company is of the view that there is a sufficient number of Shares in issue held by Public Shareholders, which would permit the Company to undertake purchases or acquisitions of its Shares up to the full ten percent (10%) limit pursuant to the Share Purchase Mandate, without affecting the listing status of the Shares on the SGX-ST. However, the Company will not be able to exercise the Share Purchase Mandate to its full extent since it needs to comply with the minimum public float requirement under the HK Listing Rules. The Directors have no present intention to exercise the Share Purchase Mandate to such an extent, as it would result in the Company failing to comply with the public float requirement under Rule 8.08 of the HK Listing Rules.

LETTER FROM THE BOARD

- (e) In undertaking any Share Purchases, the Directors will use their best efforts to ensure that, notwithstanding such Share Purchases, a sufficient float in the hands of the Public will be maintained so that the Share Purchases will not adversely affect the listing status of the Shares on the SGX-ST, cause market illiquidity or adversely affect the orderly trading of the Shares.

4.9.2 HK Listing Rules

- (a) Pursuant to the HK Listing Rules, the Company shall ensure that after its purchase of Shares on any stock exchange, at least twenty five percent (25%) of its Shares will remain in the hands of the public.
- (b) In addition, under the HK Listing Rules, an issuer shall not purchase its shares on HKSE at any time after inside information has come to its knowledge, until the information is made publicly available. In particular, during the period of one (1) month immediately preceding the earlier of: (a) the date of the board meeting (as such date is first notified to the HKSE in accordance with the HK Listing Rules) for the approval of the issuer's results for any year, half-year, quarterly or any other interim period (whether or not required under the HK Listing Rules); and (b) the deadline for the issuer to announce its results for any year or half-year under the HK Listing Rules, or quarterly or any other interim period (whether or not required under the HK Listing Rules), and ending on the date of the results announcement, the issuer may not purchase its shares on the HKSE, unless the circumstances are exceptional. Further, an issuer shall not knowingly purchase its shares from a core connected person and a core connected person shall not knowingly sell shares to the issuer, on the HKSE.
- (c) In undertaking any Share Purchases, the Directors will use their best efforts to ensure that, notwithstanding such Share Purchases, a sufficient float in the hands of the public will be maintained so that the Share Purchases will not adversely affect the listing status of the Shares on the HKSE, cause market illiquidity or adversely affect the orderly trading of the Shares.

4.10 Take-over Code implications arising from Share Purchases

4.10.1 Singapore Take-over Code Implications

- (a) The resultant increase in the percentage of voting rights held by a Shareholder and persons acting in concert with him, following the Share Purchases, will be treated as an acquisition for the purposes of Rule 14 of the Singapore Take-over Code ("Rule 14"). Consequently, depending on the number of Shares purchased by the Company and the Company's issued share capital at that time, a Shareholder or group of Shareholders acting in concert with each other could obtain or consolidate effective control of the Company and could become obliged to make a take-over offer under Rule 14.

LETTER FROM THE BOARD

- (b) Under the Singapore Take-over Code, persons acting in concert or concert parties comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company to obtain or consolidate effective control of the company. Unless the contrary is established, the following persons, *inter alia*, will be presumed to be acting in concert, namely: (i) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts); and (ii) a company, its parent, Subsidiaries and fellow Subsidiaries, and their Associated Companies and companies of which such companies are Associated Companies, all with one another, and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the aforesaid for the purchase of voting rights. For this purpose, ownership or control of at least twenty percent (20%) but not more than fifty percent (50%) of the voting rights of a company will be regarded as the test of Associated Company status.
- (c) The circumstances under which Shareholders (including Directors) and persons acting in concert with them, respectively, will incur an obligation to make a take-over offer under Rule 14 after a purchase or acquisition of Shares by the Company are set out in Rule 14 and Appendix 2 of the Singapore Take-over Code.
- (d) In general terms, the effect of Rule 14 and Appendix 2 is that, unless exempted, Directors and persons acting in concert with them will incur an obligation to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring Shares, the voting rights of such Directors and their concert parties would increase to thirty percent (30%) or more, or, in the event that such Directors and their concert parties hold between thirty percent (30%) and fifty percent (50%) of the Company's voting rights, the voting rights of such Directors and their concert parties would increase by more than one percent (1%) in any period of six (6) months.
- (e) Under Appendix 2 of the Singapore Take-over Code, a Shareholder not acting in concert with the Directors will not be required to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder would increase to thirty percent (30%) or more, or, if such Shareholder holds between thirty percent (30%) and fifty percent (50%) of the Company's voting rights, the voting rights of such Shareholder would increase by more than one percent (1%) in any period of six (6) months. Such a Shareholder need not abstain from voting in respect of the resolution renewing the Share Purchase Mandate.
- (f) Shareholders will be subject to the provisions of Rule 14 if they acquire any Shares after the Share Purchase. For the purpose of the Singapore Take-over Code, an increase in the percentage of voting rights as a result of the Share Purchases will be taken into account in determining whether a Shareholder and persons acting in concert with him have increased their voting rights by more than one percent (1%) in any period of six (6) months.

LETTER FROM THE BOARD

- (b) As at the Latest Practicable Date, the Company's total issued share capital comprised 840,778,624 Shares and Centurion Properties, together with its concert parties (including Mr. Loh and Mr. Han) (collectively, the "**Concert Party Group**"), hold an aggregate of 497,637,476 Shares, representing approximately 59.19% of the total number of issued shares of the Company. Part A

Mr. Gn Hiang Meng

I am an independent non-executive director of TEE International Limited (“**TEEI**”). TEEI had, on 4 March 2020, received an order under Section 20 of the Criminal Procedure Code (Cap. 68) of Singapore (“**CPC**”) to produce various categories of documents to the Commercial Affairs Department (“**CAD**”) to assist with an investigation into an offence under the Penal Code (Cap. 224) of Singapore pursuant to the provisions of the CPC.

TEEI had also received a notice to provide assistance to gain access to the computers containing corporate email accounts and instant messages/chat accounts assigned to (i) the Company’s former Group Chief Executive Officer, (ii) the Group Chief Financial Officer and (iii) the Financial Controller.

On 4 March 2020, the CAD took certain documents and items from the premises of TEEI.

Part B

Mr. Wong Kok Hoe

I was appointed as an independent non-executive director of Citiraya Industries Ltd (now known as Centillion Environment & Recycling Limited) in September 2004. Citiraya is a company listed on the Mainboard of the Singapore Exchange Securities Trading Limited.

In January 2005, the Corrupt Practices Investigation Bureau launched an investigation against the management and staff of Citiraya and staff of client companies of Citiraya for offences under the Prevention of Corruption Act and Penal Code.

Separately, the Commercial Affairs Department also started investigations directed against staff of Citiraya and staff of some private companies who were in collusion to create fictitious transactions to inflate the sales and purchases of Citiraya.

Since then various management and staff of Citiraya and certain persons from the client companies have been charged and convicted.

The subject transactions go as far back as 2003.

I was only appointed in September 2004 for a few months when the investigations commenced. I was never involved in the operations of the company and believe I was not the subject of the investigations and I have not been charged with any offences.

I resigned from Citiraya in September 2006 after assisting in the restructuring of the company.
