Singtel TV scores Premier League rights for another three seasons

Singapore, 22 November, 2018 – Singtel TV is set to bring the next three thrilling seasons of the Premier League to Singapore fans. Running from August 2019 to May 2022, the latest rights deal will make Singtel TV the official broadcaster of the Premier League in Singapore for 12 consecutive years.

"We are pleased to continue offering fans front row seats to all the action from the English top-flight clubs. Fans can be assured Premier League coverage remains affordable as we will keep prices unchanged," said Mr Yuen Kuan Moon, Chief Executive Officer, Consumer Singapore at Singtel.

As Singapore's home of football, Singtel TV broadcasts the Premier League in addition to the UEFA Champions League, FA Cup and eight more football league and cup competitions.

Now, everyone in Singapore can also enjoy the 380 live Premier League matches each season on Singtel CAST. The OTT video app enables fans with a valid credit or debit card to catch the action live. Sports Plus pack on CAST brings Premier League coverage to mobile devices and compatible smart TV sets without the need of a set-top box. "The CAST Sports Plus pack was launched to bring the Premier League to more fans at home and on-the-go," added Mr Yuen.

To enjoy the current and future seasons of the Premier League, fans can subscribe to Singtel TV's Value packs at singtel.com/TV or call 1609, and CAST Sports Plus pack at cast.sg.
