PROFIT GUIDANCE FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2024

The Board of Directors of Fuxing China Group Limited (“the **Company**” or together with its subsidiaries, the “**Group**”), after a preliminary assessment of the Group’s financial results for the year ended 31 December 2024 (“**FY2024**”), deems it appropriate to issue guidance that the Group is expected to report a slight profit after tax for FY2024 (the “**Expected PAT**”), compared to the loss during the same period last year.

The Expected PAT was mainly due to the increase in other income for FY2024 as compared to last year mainly attributable to the reversal of loss allowance for trade receivables and allowance for advances to suppliers for FY2024 as compared to net provision for loss allowance for trade receivables and allowance for advances to suppliers for last year.

The Group is still in the process of finalising its unaudited financial statements for FY2024 and further details of the Group’s performance will be disclosed in the FY2024 financial results announcement.

Shareholders and potential investors are reminded to exercise caution when dealing or trading in the securities of the Company and should consult their stockbrokers, bank managers, solicitors, accountants or other professional advisers if they are in doubt about the actions that they should take.
