SGX Stock Exchange welcomes Metasurface Technologies Holdings Limited to Catalist

SGX Stock Exchange congratulates Metasurface Technologies Holdings Limited (Metasurface) on its dual listing on Catalist under stock code “MET”.

Metasurface is a Singapore-headquartered precision engineering services provider established in 2000. The company specialises in precision machining and precision welding for international customers in the semiconductor, aerospace and data storage industries. It has production facilities in Singapore and Malaysia, and its customers have manufacturing bases across Singapore, Malaysia, Japan, the United States of America, South Korea and India. The company has been listed on the Hong Kong Stock Exchange GEM board since July 2024.

Chua Chwee Lee, Founder, Executive Director and CEO of Metasurface Technologies Holdings Limited, said, “Our dual primary listing on Catalist marks an important milestone for Metasurface, giving investors in Singapore, where we are headquartered, the opportunity to participate in our growth. For more than 20 years, we have built our reputation on precision and consistency, serving customers in the semiconductor industry as well as in the aerospace and data storage sectors. Proceeds from the placement will enable us to invest in advanced 5-axis machines and software, and to strengthen our quality control capabilities, so that we continue to meet the exacting standards our customers expect. We thank our investors for their support and look forward to welcoming new shareholders in Singapore.”

Koh Jin Hoe, Head of Capital Markets, Global Sales and Origination, SGX Group, said, “From the microchips in our daily devices to advanced aviation, precision engineering is what makes modern technology possible. Metasurface’s listing on SGX provides an opportunity for our investors to connect with a homegrown champion that serves global technology leaders, adding valuable depth to Singapore’s high-tech manufacturing ecosystem.”

Metasurface Technologies Holdings Limited opened at S$0.54 today.
