Subject : Disclosure of Information of PT SMART Tbk (the "Company") – Fire accident in the downstream production facility in Belawan

Dear Sir and Madam,

We refer to the Decree of the Head of the Capital Market Supervisory Board No. KEP-86/PM/1996 Rule No X.K.1, regarding Disclosure of Information That Must be Announced to the Public as well as Indonesia Stock Exchange Regulation No.IV.3 Rule No.I-E, regarding Obligation of Information Submission, we hereby submit disclosure of information about the fire accident in one of the Company's downstream production facilities located at Jalan Balmerah Baru III, Belawan II, Medan.

The fire accident happened on Monday, 13 July 2015 at approximately 18.50 Western Indonesian Time.

The damaged facilities consist of a margarine and shortening processing facility, filling and packing facilities, as well as part of a finished good warehouse located next to the affected facilities.

Other production facilities such as refinery, fractionation, Cocoa Butter Substitute processing, kernel crushing plant, and another finished good warehouse were not damaged and can be operated as per normal.

There were no casulties nor injuries caused by this accident. The exact cause of the fire is currently under investigation by the relevant Indonesian authorities. Our management is likewise in the process of estimating the total loss incurred. The impacted assets are covered by fire insurance

Based on 2014 data, revenue contribution from the damaged production lines is not material; sales volume from the damaged production lines represents less than 1% of the Company's total sales volume. The Company continues to produce margarine, shortening and branded cooking oil products from its other plants located in Marunda and Surabaya, thereby ensuring the availability of these products.

Other than the above, there are no other material information or facts relating to the Company that need to be disclosed at this time. Thank you for your attention and cooperation.

Best regards,

Jimmy Pramono	Gianto Widjaja
Vice President Director	Director
