Unless otherwise defined, capitalized terms used in this announcement have the same meanings defined in the Announcements.

CONSENT FEE

The Issuer values its relationship with the Noteholders and is committed to upholding the rights and interests of each Noteholder. In light of this commitment and following careful consideration, the Issuer has determined to improve the terms of the Consent Solicitations by providing a cash payment of US\$1 per US\$1,000 principal amount of the Notes (the "**Consent Fee**") to each Holder of such Notes whose

valid Consent Instruction in favour of the Extraordinary Resolution is received by the Tabulation and Information Agent at or prior to the Expiration Time, subject to (i) all Meetings being quorate and validly held, (ii) the Extraordinary Resolution with respect to each Series of Notes being approved by the requisite majority at the relevant Meeting, (iii) the Consent Conditions with respect to each Series of Notes being satisfied and (iv) the Notes remained blocked before the relevant Meeting.

Noteholders that have already submitted a Consent Instruction aligned with the above requirements do not need to take further action to be entitled to the Consent Fee.

Subject to the satisfaction of the above conditions, the Issuer currently expects that the Consent Fee will be paid on or as soon as practicable after 25 March 2024 (the “**Payment Date**”). The Issuer will not be obligated to pay the Consent Fee if any of the above conditions is not met (or waived by the Issuer, in whole or in part, in its sole discretion).

In order to be entitled to the Consent Fee, a Noteholder must validly submit its Consent Instruction(s) in favour of the Extraordinary Resolution which shall be received by the Tabulation and Information Agent at or prior to the Expiration Time. Noteholders are reminded that in the case of a Consent Instruction to vote in favour of the Extraordinary Resolution, a Noteholder may choose to (a) vote in favour of the Consent Solicitations and consider participating in the Exchange Offers or (b) vote in favour of the Consent Solicitations only.

Noteholders who wish to be eligible for the Consent Fee must make the necessary arrangements for the receipt by the Tabulation and Information Agent by the Expiration Time of a valid Consent Instruction in favour of the Extraordinary Resolution, and Noteholders will not be eligible for the Consent Fee if they (i) appoint a proxy other than the Tabulation and Information Agent (or its nominee) to attend and vote at the relevant Meeting; (ii) attend, or seek to attend, or make any other arrangement to be represented at the relevant Meeting (other than by way of their Consent Instructions in favour of the Extraordinary Resolution); (iii) submit a Consent Instruction against the relevant Extraordinary Resolution or do not submit a Consent Instruction at or prior to the Expiration Time; or (iv) unblock their Notes before the relevant Meeting.

As soon as practicable after the approval of the Extraordinary Resolutions and the satisfaction of the Consent Conditions, the Amendment Documents will be executed. The Amendment Documents shall become effective upon execution, but shall only become operative upon (i) the consummation of the Transaction and (ii) payment of the Consent Fee. The Proposed Amendments and the Amendment Documents will become void if the Transaction is not consummated by the Long Stop Date.

REVOCATION RIGHT
