MCT has announced a distribution of 4.39 Singapore cents per unit in MCT (“Unit”) for the period from 1 April 2021 to 30 September 2021. The distribution of 4.39 Singapore cents per Unit comprises a taxable income component of 3.99 Singapore cents per Unit, a tax-exempt income component of 0.32 Singapore cent per Unit and a capital component of 0.08 Singapore cent per Unit.

Declaration for Singapore Tax Purposes

- 1 The tax-exempt income component of the distribution is exempt from tax in the hands of all Unitholders. No tax will be deducted at source from this component.
- 2 The capital component of the distribution is treated as a return of capital for Singapore income tax purposes. No tax will be deducted at source from this component.
- 3 The taxable income component of the distribution is a distribution of income to Unitholders of MCT for Singapore income tax purposes. Tax will be deducted at source from the taxable income distribution in certain circumstances. The following paragraphs describe the circumstances in which tax will or will not be deducted from such distribution.
- 4 The following categories of Unitholders will receive a gross distribution (i.e. no tax will be deducted from the taxable income distribution):-
 - (a) Unitholders who are individuals and who hold the units either in their sole names or jointly with other individuals;
 - (b) Unitholders which are companies incorporated and tax resident in Singapore;
 - (c) Unitholders which are Singapore branches of companies incorporated outside Singapore;
 - (d) Unitholders which are body of persons (excluding companies or partnerships) registered or constituted in Singapore;
 - (e) Unitholders which are international organisations that are exempt from tax on such distributions by reason of an order made under the International Organisations (Immunities and Privileges) Act (Cap. 145); and
 - (f) Unitholders which are real estate investment trust exchange-traded funds (“REIT ETFs”) which have been accorded the tax transparency treatment.

- 5 To receive a gross distribution, Unitholders in category (b) to (f) under Paragraph 4 above must complete a prescribed form – the “*Declaration for Singapore Tax Purposes Form*” (“**Form A**”).
- 6 These categories of Unitholders, unless they are exempt from tax because of their own circumstances, will have to pay income tax subsequently at their own applicable tax rates.
- 7 Unitholders in category (a) under Paragraph 4 above are not required to submit any form. The gross distribution received by these Unitholders (irrespective of their tax residence status) is exempt from tax. However, this tax exemption does not apply to such Unitholders in respect of distribution derived by them through a partnership in Singapore or from the carrying on of a trade, business or profession. Such Unitholders, i.e. to whom the exemption does not apply, must declare the distribution received as income in their income tax returns.
- 8 Tax at the reduced rate of 10% will be deducted from the distribution made to Unitholders which are:
- (a) foreign non-individuals; and
 - (b) qualifying non-resident funds.
- 9 A foreign non-individual Unitholder is one (other than an individual) who is not a resident of Singapore for income tax purposes and:-
- (a) who does not have a permanent establishment in Singapore; or
 - (b) who carries on any operation in Singapore through a permanent establishment in Singapore, where the funds used to acquire the units in MCT are not obtained from that operation.
- 10 A qualifying non-resident fund is one that qualifies for tax exemption under section 13CA, 13X or 13Y of the Income Tax Act that is not a resident of Singapore for income tax purposes and:-
- (a) does not have a permanent establishment in Singapore (other than a fund manager in Singapore); or
 - (b) carries on any operation in Singapore through a permanent establishment in Singapore (other than a fund manager in Singapore), where the funds used to acquire the Units in MCT are not obtained from that operation.
- A non-resident fund refers to a fund being a non-resident company, a partnership where all partners are non-residents, a trust administered by a non-resident trustee, or a non-resident entity.
- 11 To receive the distribution net of tax deducted at 10%, Unitholders in categories (a) and (b) under Paragraph 8 above are required to complete Form A.
- 12 Beneficial owners of Units in MCT who hold Units through depository agents will receive:-
- (a) gross distribution if they are persons described in categories (a) to (f) under Paragraph 4 above; and
 - (b) distribution net of tax deducted at 10% if they are Unitholders described in categories (a) and (b) under Paragraph 8 above.

- 13 To receive gross distribution and distribution net of tax deducted at 10%, depository agents are required to complete the “*Declaration by Depository Agents for Singapore Tax Purposes Form*” (“**Form B**”) and its annexes.
- 14 Form A and Form B (and its annexes) will be sent to Unitholders and depository agents respectively, by MCT’s Unit Registrar, Boardroom Corporate & Advisory Services Pte. Ltd., on or around **Tuesday, 9 November 2021**.
- 15 Unitholders (Form A) and the depository agents (Form B and its annexes) will have to complete the forms legibly and send them to the Unit Registrar such that they are received by **5.00 p.m.** on **Thursday, 18 November 2021**. Failure to comply with any of these requirements will render Form A and Form B invalid and the Trustee and the Manager of MCT will be obliged to deduct tax at the rate of 17% from the distribution.
- 16 Unitholders who hold units under the Central Provident Fund Investment Scheme (“**CPFIS**”) and the Supplementary Retirement Scheme (“**SRS**”) do not have to return any form. They will receive gross distribution.
