

PRESS RELEASE

Norway & Oman Production Update – June 2025

SINGAPORE, 7 July 2025 – Rex International Holding Limited (“Rex International Holding”, “Rex” or the “Company”, and together with its subsidiaries, the “Group”), a technology-driven oil exploration and production company, wishes to share that production in June 2025 from Norway and Oman totalled 9,998 boepd.

Reference is made to the press release dated 7 July 2025 by Rex’s subsidiary, Lime Petroleum AS, which announced the following:

“Lime Petroleum AS (“**LPA**”) wishes to announce that for the full month of June 2025, production at the Brage and Yme Fields combined, net to LPA, was 8,306 barrels of oil equivalent per day (boepd).

Brage Field: LPA holds a 33.8434 per cent interest in the Brage Field. The operator of the Brage Field is OKEA ASA.

Yme Field: LPA holds a 25 per cent interest in the Yme Field. The operator of the Yme Field is Repsol Norge AS. Only oil is sold from the Yme Field as the produced gas is being used for production operations and re-injected into the reservoirs for improved oil recovery.

There were scheduled and unscheduled shut-ins that were in the ordinary course of operations during the month. Drilling operations on Brage of an appraisal and production well were completed in June.”

The Group also refers to the press release issued on 7 July 2025 by its subsidiary Masirah Oil Limited, which announced the following:

“Muscat, 7 July 2025: Masirah Oil Limited (“**MOL**”) today announced that gross production in June 2025 from the Yumna Field in offshore Block 50 Oman, amounted to an average of 1,692 stock tank barrels per day (stb/d) over the 30 days of production period.

MOL is the Operator and holds a 100 per cent interest in Block 50 Oman.”

--- END ---

Disclaimer

This press release may contain projections and forward-looking statements that reflect the Company's current views with respect to future events and financial performance. These views are based on estimates and current assumptions which are subject to business, economic and competitive uncertainties and contingencies as well as various risks and these may change over time and in many cases are outside the control of the Company and its directors. Actual future performance, outcome and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, availability of real estate properties, competition from other companies and venues for the sale/distribution of goods and services, shifts in customer demands, customers and partners, changes in operating expenses, including employee wages, benefits and training, governmental and public policy changes and the continued availability of financing in the amounts and the terms necessary to support future business. No assurance can be given that future events will occur, that projections will be achieved, or that the Company's assumptions are correct. The Company does not assume any responsibility to amend, modify or revise any forward-looking statements, on the basis of any subsequent developments, information or events, or otherwise. These statements can be recognised by the use of words such as "expects," "plans," "will," "estimates," "projects," or words of similar meaning. Such forward-looking statements are not guarantees of future performance and actual results may differ from those forecast and projected or in the forward-looking statements as a result of various factors and assumptions. Shareholders and investors are cautioned not to place undue reliance on these forward-looking statements, which are based on the current view of management of future events.

About Rex International Holding

*Rex International Holding Limited (“**Rex International Holding**”, “**Rex**” or the “**Company**”, and together with its subsidiaries, the “**Group**”) is a multinational oil exploration and production (“**E&P**”) company listed on Singapore Exchange Securities Trading Limited’s Mainboard. The Group has interests in exploration and production licences in Norway, Germany, Oman and Benin, and holds operatorship for the assets in Oman, Benin and Germany. The Group de-risks its portfolio of exploration and development assets using its proprietary liquid hydrocarbon indicator Rex Virtual Drilling technology, which can identify liquids in the sub-surface using seismic data. Since the Company’s listing in July 2013, the Group has achieved four offshore discoveries, one in Oman and three in Norway.*
