Important notice

Certain statements in this Presentation constitute “forward-looking statements”, including forward-looking financial information. Such forward-looking statement and financial information involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of FCT or the Manager, or industry results, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements and financial information. Such forward-looking statements and financial information are based on numerous assumptions regarding the Manager’s present and future business strategies and the environment in which FCT or the Manager will operate in the future. Because these statements and financial information reflect the Manager’s current views concerning future events, these statements and financial information necessarily involve risks, uncertainties and assumptions. Actual future performance could differ materially from these forward-looking statements and financial information.

The Manager expressly disclaims any obligation or undertaking to release publicly any updates or revisions to any forward-looking statement or financial information contained in this Presentation to reflect any change in the Manager’s expectations with regard thereto or any change in events, conditions or circumstances on which any such statement or information is based, subject to compliance with all applicable laws and regulations and/or the rules of the SGX-ST and/or any other regulatory or supervisory body or agency.

This Presentation contains certain information with respect to the trade sectors of FCT’s tenants. The Manager has determined the trade sectors in which FCT’s tenants are primarily involved based on the Manager’s general understanding of the business activities conducted by such tenants. The Manager’s knowledge of the business activities of FCT’s tenants is necessarily limited and such tenants may conduct business activities that are in addition to, or different from, those shown herein.

This Presentation includes market and industry data and forecast that have been obtained from internal survey, reports and studies, where appropriate, as well as market research, publicly available information and industry publications. Industry publications, surveys and forecasts generally state that the information they contain has been obtained from sources believed to be reliable, but there can be no assurance as to the accuracy or completeness of such included information. While the Manager has taken reasonable steps to ensure that the information is extracted accurately and in its proper context, the Manager has not independently verified any of the data from third party sources or ascertained the underlying economic assumptions relied upon therein.

Northpoint AEI update

Northpoint AEI background information

- The AEI at Northpoint is part of the overall strategy to periodically upgrade our malls to provide sustainable income growth for FCT
- 18-month AEI commenced in March 2016, expected completion is in September 2017
- Mall to remain open for business during course of AEI
- AEI Capex budgeted at \$60 million, to be funded by borrowings and internal resources
- The net lettable area of Northpoint is projected to be reduced by about 4% due to reconfiguration of the mall
- FCAM aims to improve the average gross rental rate of Northpoint by approximately 9% upon the completion of the AEI

Plan view of Northpoint and upcoming retail component of Northpoint City by Frasers Centrepoint Limited

Plan view of Northpoint Shopping Centre and the mixed-commercial and residential* development by Frasers Centrepoint Limited

* North Park Residences, the residential component of the mixed-use development Northpoint City, comprises 12 blocks of total 920 units.

AEI works progressing on schedule

The AEI works have been phased to minimise income disruption, but Northpoint's rental revenue will be impacted.

PHASE 1 (March 2016 to January 2017) – Completed

- Reconfiguration of retail space
- Relocation of Food court at Basement level 2
- Relocation of through block link escalators
- Upgrading of passenger lift, toilets, ceiling and floor at common area

PHASE 2 (February to September 2017) – Commencing Mid-February

- Integration with Northpoint City (at all levels B2-L3, Roof)
- Upgrading of ceiling and floor at common area
- Upgrading of Play area at rooftop

AEI works progressing on schedule

- Occupancy of Northpoint is expected to reach a trough of around 57-58%, following which, it will increase progressively as AEI approaches completion

Occupancy at Northpoint (Projected versus Actual)

* Occupancy may vary from the projection, subject to AEI site conditions, the occupancy excludes Yishun 10 retail podium.

Outlook

FCT's malls are expected to remain resilient

- Singapore's economy grew by 1.8% in 2016 and conditions in 2017 will remain uncertain and challenging.
- The asset enhancement works at Northpoint are proceeding on schedule and are expected to complete by September 2017. Retailers have shown keen interest by pre-committing their leases.
- Despite continuing headwinds and challenges in the retail sector, FCT's well-located suburban malls are expected to remain resilient.
