

GOL Updates Financial Projections for 2025

São Paulo, March 28, 2025 – GOL Linhas Aéreas Inteligentes S.A. (B3: GOLL4) (“Company” or “GOL”), one of the leading airlines in Brazil, announces an update of some of its financial projections for 2025 to reflect the company’s performance as shown below, as shown below:

Financial Projections (Consolidated)	2025E Previous	2025E Updated
Total Net Revenue (R\$ billions)	22.1	22.1 – 22.7
Recurring EBITDA (R\$ billions)	5.5	5.7 – 5.9

These projections consider an average exchange rate of US Dollar to Brazilian Real (US\$/R\$) of 6.04 for the year 2025, in line with previous projections.

These financial projections may be adjusted to incorporate the development of GOL's operational and financial performance, as well as potential changes in the Brazilian economy and the market in which GOL operates, including variations in GDP growth, interest rates, exchange rates, and fuel prices.

About GOL Linhas Aéreas Inteligentes S.A

GOL is one of Brazil's leading airlines and is part of the Abra Group. Since it was founded in 2001, the company has had the lowest unit cost in Latin America, democratizing air transport with the aim of “Being the First for All”. GOL has alliances with American Airlines and Air France-KLM and offers customers more than 60 codeshare and interline agreements, making connections to any place served by these partnerships more convenient and easier. GOL also has the Smiles loyalty program and GOLLOG for cargo transportation, which serves various regions in Brazil and abroad. The company has 13,900 highly qualified professionals focused on safety, GOL's number one value, and operates a standardized fleet of 138 Boeing 737 aircraft. The Company's shares are traded on B3 (GOLL4). For further information, visit www.voegol.com.br/ir.
