SGX Group welcomes China Securities (International) Brokerage Company Limited as Derivatives Trading Member

SGX Group (Singapore Exchange) is pleased to welcome China Securities (International) Brokerage Company Limited to its derivatives market as a trading member.

China Securities (International) Finance Holding Company Limited, incorporated in Hong Kong in 2012 as a wholly owned overseas subsidiary of CSC Financial Co., Ltd, is dedicated to becoming a leading Chinese investment bank. Its wholly owned subsidiary, China Securities (International) Brokerage Company Limited, serves as the trading entity for its international markets strategy. Together, the Group offers a comprehensive suite of financial products and services to a diverse client base that includes corporate, institutional, and wealth management clients. Its integrated business platform covers corporate finance, asset management, securities and futures brokerage, investment research and institutional sales, fixed income, derivatives trading, and insurance brokerage.

Pol de Win, Head of Global Sales and Origination, SGX Group, said, “We are pleased to welcome China Securities (International) Brokerage Company Limited as a derivatives trading member of SGX Group. As a key international arm of one of China’s most established securities groups, China Securities brings a strong reputation, wide institutional reach and a breadth of expertise that will enrich our marketplace. Their membership underscores SGX’s role as a trusted international hub for global derivatives trading and we look forward to working together to further deepen market connectivity for investors.”

Jiang Yueqin, Chairman, China Securities (International) Finance Holding Company Limited, said, “Joining SGX as a derivatives trading member is a crucial step in the expansion of our global business. China Securities (International) has been dedicated to advancing cross-border financial services and strengthening its global presence. Obtaining the membership underscores the robustness of our compliance framework and risk-management capabilities. It also highlights China Securities (International)’s exceptional competencies in technological infrastructure, service quality, and international operations. This accomplishment marks a significant elevation of the company’s globalisation strategy and establishes a solid foundation for further expansion into Southeast Asia.”

The addition brings the total number of trading members in SGX’s derivatives market to 69. SGX’s derivatives market also has 33 clearing members.
