Press Release

For Immediate Release

Glenmark Pharmaceuticals receives ANDA approval for Tacrolimus Ointment, 0.1%

Mumbai, India; April 18, 2018: Glenmark Pharmaceuticals Inc., USA (Glenmark) has been granted final approval by the United States Food & Drug Administration (U.S. FDA) for Tacrolimus Ointment, 0.1%, the generic version of Protopic®¹ Ointment, 0.1%, of Leo Pharma AS.

According to IQVIA™ sales data for the 12 month period ending February 2018, the Protopic® Ointment, 0.1% market² achieved annual sales of approximately \$109.0 million*.

Glenmark's current portfolio consists of 132 products authorized for distribution in the U.S. marketplace and 61 ANDA's pending approval with the U.S. FDA. In addition to these internal filings, Glenmark continues to identify and explore external development partnerships to supplement and accelerate the growth of its existing pipeline and portfolio.

¹All brand names and trademarks are the property of their respective owners.

²Market includes brand and all available therapeutic equivalents

*IQVIA™ National Sales Perspectives: Retail & Non-Retail, February 2018

About Glenmark Pharmaceuticals Ltd.:

Glenmark Pharmaceuticals Ltd. (GPL) is a research-driven, global, integrated pharmaceutical organization headquartered at Mumbai, India. It is ranked among the top 75 Pharma & Biotech companies of the world in terms of revenue (SCRIP 100 Rankings published in the year 2017). Glenmark is a leading player in the discovery of new molecules both NCEs (new chemical entity) and NBEs (new biological entity). Glenmark has several molecules in various stages of clinical development and is primarily focused in the areas of oncology, dermatology and respiratory.

The company has a significant presence in the branded generics markets across emerging economies including India. Glenmark along with its subsidiary has 17 manufacturing facilities across five countries and has six R&D centers. The Generics business of Glenmark services the requirements of the US and Western European markets. The API business sells its products in over 80 countries, including the US, various countries in the EU, South America and India.
