KIM HENG LTD.
(Company Registration Number: 201311482K)
(Incorporated in the Republic of Singapore on 29 April 2013)

CYBER SECURITY INCIDENT

The board of directors (the "**Board**") of Kim Heng Ltd. (the "**Company**", together with its subsidiaries, the "**Group**") wishes to announce that the Group was the subject of a cyber security incident recently (the "**Incident**").

The Group identified the Incident, and together with its external experts, immediate actions were taken to contain and address the Incident. The Group has reported the Incident to the relevant authorities, including the Singapore Police Force and the Cyber Security Agency of Singapore. Investigations into the Incident are currently ongoing.

As at the date of this announcement, there has been no significant impact to the Group's business operations arising from the Incident. Based on preliminary investigations of the Incident, there is no evidence of data exfiltration. The Group takes a serious view of such incidents and will undertake a rigorous review of its IT systems and also seek advice from industry experts to identify areas for improvement and further strengthen its cyber security measures and overall resilience against cyber threats.

The Company will make further announcements as and when there are material developments.

By order of the Board

Tan Keng Siong Thomas
Executive Chairman & CEO
