

TERMOCANDELARIA POWER, S.A.
(FORMERLY KNOWN AS TERMOCANDELARIA POWER LTD.)
ANNOUNCES CHANGE OF NAME AND RELOCATION

Madrid, Kingdom of Spain – September 3, 2024 – Termocandelaria Power, S.A. (“Termocandelaria” or the “Company”), an electric power generation company, which owns and operates a large portfolio of thermal power plants in Colombia, announces that, on November 30, 2020, the shareholders of the Company passed a resolution approving the change of name of the Company from Termocandelaria Power Ltd. to Termocandelaria Power, S.A. and the relocation of the Company from the Cayman Islands to the Kingdom of Spain.

As a result of the relocation, Termocandelaria converted from a company limited by shares under the laws of the Cayman Islands into a public limited company (*sociedad anónima*) existing under the laws of the Kingdom of Spain. The relocation of Termocandelaria to the Kingdom of Spain became effective on January 27, 2021, when the relocation public deed was executed by the public notary of Madrid. Pursuant to such deed, Termocandelaria was registered as a Spanish company in the Commercial Registry of Madrid and de-registered as a Cayman company from the Registrar of Companies.

About Termocandelaria
