- (f) **Brief explanation of the status of (i) utilisation of proceeds from IPO, compared with the disclosure of the intended use of proceeds in the prospectus, segregated between those placed in the escrow account from those which are not, including explanation for any material deviation in the use of proceeds; and (ii) utilisation of any interests and income derived from the amounts placed in the escrow account.**

Operating expenses of S\$5,641,071 for period from 13 October 2021 (date of incorporation) to 30 September 2022 in connection with the offering was higher than the total estimated expenses of S\$4,090,000 in the prospectus. This was largely due to higher IPO related expenses incurred by the Company compared to the estimated legal and professional fees. The details and explanation of the material variances incurred in connection with the IPO are shown below:

	Prospectus	Actual	Variance	Note
	S\$'000	S\$'000	%	
Underwriting commission and expenses	2,394	2,587	7.5	1
Legal fees	821	1,532	46.4	2
Professional fees	412	563	26.9	3
Listing fees	128	128	-	
Insurance	-	432	Nm	4
Other expenses	335	399	15.8	5
Total	4,090	5,641		

Notes

- 1 The variance is due to underwriting fees related to public offering and lead issue manager's fees previously not included.
- 2 The variance is mainly attributable to increase in legal fees from estimates incurred in Singapore, Cayman and US counsels for the purposes of IPO offering.
- 3 The variance is mainly attributable to increase professional fees in audit and valuation of financial instruments.
- 4 The variance is mainly attributable to Directors and Officers insurance previously not included as IPO expenses.
- 5 The variance is mainly attributable to operating costs incurred on administrative and staff salaries not included as IPO expenses.

Post offering, operating expenses incurred up to 30 June 2022 of S\$270,630 is largely due to directors' fees and professional fees. The expenses incurred up to 30 September 2022 of S\$744,240 in the ordinary course of business as explained in part (a).

- i. The utilisation of proceeds (from the issue of Private Placement) is in line with the disclosure of the intended use of proceeds in the prospectus. The IPO proceeds placed in the Escrow account are not used for operating expenses incurred by the Company to date.
- ii. There is no utilisation of any net interests and income derived from the amounts placed in the Escrow account.
