PROFIT WARNING ANNOUNCEMENT

The Board of Directors of Aztech Group Ltd (the “Company”) deems it appropriate to inform the shareholders of the Company and potential investors that the Group will record a loss for the fourth quarter ended 31 December 2015 (“4Q2015”) and full year 2015 (“FY2015”) based on the preliminary review of the Group’s unaudited financial results.

The expected losses for 4Q2015 are primarily due to losses incurred in the Group’s Material and Marine Logistics Segment. In view of the protracted weakness in the global marine industry, the Group will register additional impairment charges on its fleet of vessels.

Further details of the Group’s performance will be made available when it announces its 4Q2015/FY2015 financial results on 26 February 2016.

Shareholders and potential investors should exercise caution when dealing in securities of the Company.
