**QUERY FROM THE SINGAPORE EXCHANGE SECURITIES TRADING LIMITED (“SGX-ST”) ON
UNAUDITED FIRST HALF FINANCIAL STATEMENTS FOR THE PERIOD ENDED 30 JUNE 2014
(“1H14”)**

The Board of Directors of CNA Group Ltd (the “Company”) refers to the following queries from the SGX-ST on 1H14 Results and wishes to respond to the queries as follows:-

“Please explain the reason(s) for the increase in Trade and Other Receivables (current) from S\$35.77 million as at 30 June 2013 to S\$41.9 million as at 30 June 2014 despite a decrease in revenue of 42.7% during the same period. Please also disclose whether the Company foresees any issue with the collectability of these debts.”

The increase in the Company’s Trade Receivables (current) from S\$35.77 million as at 30 June 2013 to S\$41.9 million as at 30 June 2014 was primarily due to the reclassification as at year-end 31 December 2013, of net Long-term Trade Receivables (after write-off of uncollectible amounts) arising from the Dubai Arbitration case award. The Company is of the view that these debts are collectible.
