Repurchases of Shares will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders. The Directors have no present intention to repurchase any Shares and will only exercise such power in such circumstances that they believe such repurchase will benefit the Company and the Shareholders as a whole.

3. FUNDING OF REPURCHASE

Repurchase would be funded entirely from the Company's available cash flow or working capital facilities which will be fund legally available for the purpose and in accordance with the Singapore Companies Ordinance, the Company's Bye-laws, the Listing Rules and the applicable laws of Bermuda.

There may be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited consolidated financial statements contained in the annual report for the year ended 31 December 2016) in the event that the Repurchase Mandate is to be exercised in full.
