Additional information on items of ordinary and special business

- Item 3 Key information on the Directors to be re-elected can be found in the “Board of Directors” and “Corporate Governance” sections of the Annual Report 2024.
- Item 4 This item is to approve payment of the Directors’ fees for Non-Executive Directors on a current year basis (“FY2025”). The aggregate fees are calculated based on a fee formulation substantially similar to that applied in the prior financial year (please refer to the “Corporate Governance” section of the Annual Report 2024 for more information), taking into account the number of scheduled Board and committee meetings for FY2025, and assuming that all the Non-Executive Directors will hold office for the full period. The amount also includes a buffer to cater for contingencies such as, but are not limited to, *ad hoc* meetings, additional Board committees, etc. In the event the Directors’ fees proposed for FY2025 are insufficient (for example, due to more meetings or enlarged Board size), approval will be sought at next year’s Annual General Meeting for additional fees to meet the shortfall.
- Item 6 This Ordinary Resolution is to empower the Directors, effective until the conclusion of the next Annual General Meeting, to issue shares of the Company and to make or grant instruments (such as warrants or debentures) convertible into shares, and to issue shares in pursuance of such instruments, for such purposes as they consider would be in the interests of the Company, up to a number not exceeding in aggregate 50% of the issued shares (excluding treasury shares and subsidiary holdings), of which up to 20% may be issued other than on a *pro rata* basis to shareholders. For the purpose of determining the aggregate number of shares that may be issued, the total number of issued shares, excluding treasury shares and subsidiary holdings, will be calculated based on the total number of issued shares, excluding treasury shares and subsidiary holdings, at the time that this Resolution is passed, after adjusting for the conversion or exercise of any convertible securities and share options or vesting of share awards that have been issued or granted (provided the options or awards were granted in compliance with Part VIII of Chapter 8 of the Listing Manual of the SGX-ST) and which are outstanding or subsisting at the time that this Resolution is passed, and any subsequent bonus issue, consolidation or subdivision of shares. As at 7 June 2024, the Company held 55,082,900 treasury shares and there were no subsidiary holdings.
- Item 7 This Ordinary Resolution is to renew, effective until the date of the next Annual General Meeting, the Share Purchase Mandate for the Company to make purchases or acquisitions of its issued ordinary shares. The Company intends to use internal sources of funds, external borrowings, or a combination of internal resources and external borrowings, to finance purchases or acquisitions of its shares. For illustrative purposes only, the financial effects of an assumed purchase or acquisition by the Company, of 10% of its issued ordinary shares as at 7 June 2024, at a purchase price equivalent to the Maximum Price per share, in the case of a Market Purchase and an Off-Market Purchase respectively, based on the audited financial statements of the Group and the Company for the financial year ended 31 March 2024, and certain other assumptions, are set out in the Company’s letter to shareholders dated 4 July 2024 accompanying this Notice of Annual General Meeting.
