

 **EUROPTRONIC**

WELCOME TO EUROPTRONIC

Agenda

- **Company Overview**
- **Application & Industry**
- **Product Overview & Roadmap**
- **Manufacturing Capacity**
- **Key Customers**
- **Sales Revenue for Industrial Capacitor**

Company Overview

Manufacturing Plant

- Factory: Suzhou, China
- Specialize in manufacturing of film capacitor for automotive, new energy, industrial application and Medical equipment.

Certification

- ISO 9001
- ISO 14001
- TS 16949
- QC 080000

Application & Industry

Application Industry

Automotive

- High Speed Train
- Electric Vehicle

Industrial

- UPS
- Industrial Inverter
- Power Station

New Energy

- Windmill
- Solar Power

Medical Equipment

- Laser System
- X-Ray System

Product Overview & Roadmap

Product Overview

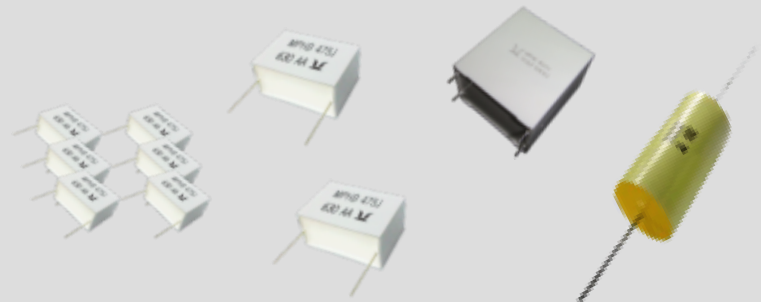

Industry Capacitor

- DC-Link Capacitor
- AC Filter Capacitor
- Snubber Capacitor
- Energy Storage

Consumer Capacitor

- General Purpose & PFC Circuit
- X2 Safety Capacitor

Product Overview & Roadmap

Product Roadmap

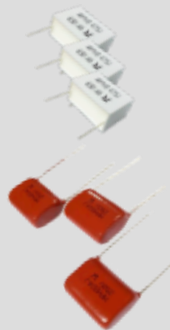

2008
& Before

Consumer/
Home Appliance:

- LCD
- LED TV/ Monitor
- White Goods
- Lighting/ Ballast

Series:

MPEB
MPHB
MPHT
MPLB
MPX2
PPSB
MPPB
MPHM

2010

Low Power
Industrial Capacitor:

- Solar Energy
- Windmill
- Welding
- UPS

Series:

APW
SLE
SLB
SLW

2012

Power Film,
Industrial Capacitor:

- Solar/Windmill
- Automotive
- UPS

Series:

DPG
DPM
DPB
APM
APT
APB

2014

Power Film,
Industrial Capacitor:

- Solar/Windmill
- Automotive
- Electric Vehicle
- UPS

Series:

DPP
DPS
DPV

2016

High Power
Industrial Capacitor:

- Transportation
- Renewable Energy
- Industrial Inverter
- Energy Storage

Series

EPS

Product Overview & Roadmap

New Products in 2014/2015

- DPV Series

Custom product and design for Electric Vehicle.

- DPS Series

High density DC-Link capacitor for Industry Inverter & Traction

- EPS Series

Energy & Storage Capacitor for Laser Systems

Product Overview & Roadmap

New Patents Obtain in 2015

- 8 new products patent obtained in 2015

- With our strong R&D and technical capability, Europtronic is targeting 8 more new products patent in 2016
- Going forward, we expect more patents will be obtained for new product in Industry application.

Manufacturing Capacity

Manufacturing Capacity

Industrial Capacitor

- Power Film ($>1,000\mu\text{F}$) : 200K /year
- Power Film ($<1,000\mu\text{F}$) : 500K /year
- Low Power ($<100\mu\text{F}$) : 5,000K /year

Consumer Capacitor

- AC/DC Film Capacitor : 600KK /year

Key Customers

Industrial/New Energy/Electric Vehicle

Key Customers

Industrial – Private Label Program & OEM

- In partnership with 2 of the world class component makers from the US & Europe.
 - Comprise 60% of our total new projects in the industrial segment.
 - Not disclosed due to NDA.
- Produce our Europtronic brand capacitor and sell worldwide through our sales offices and distributors.

Key Customers

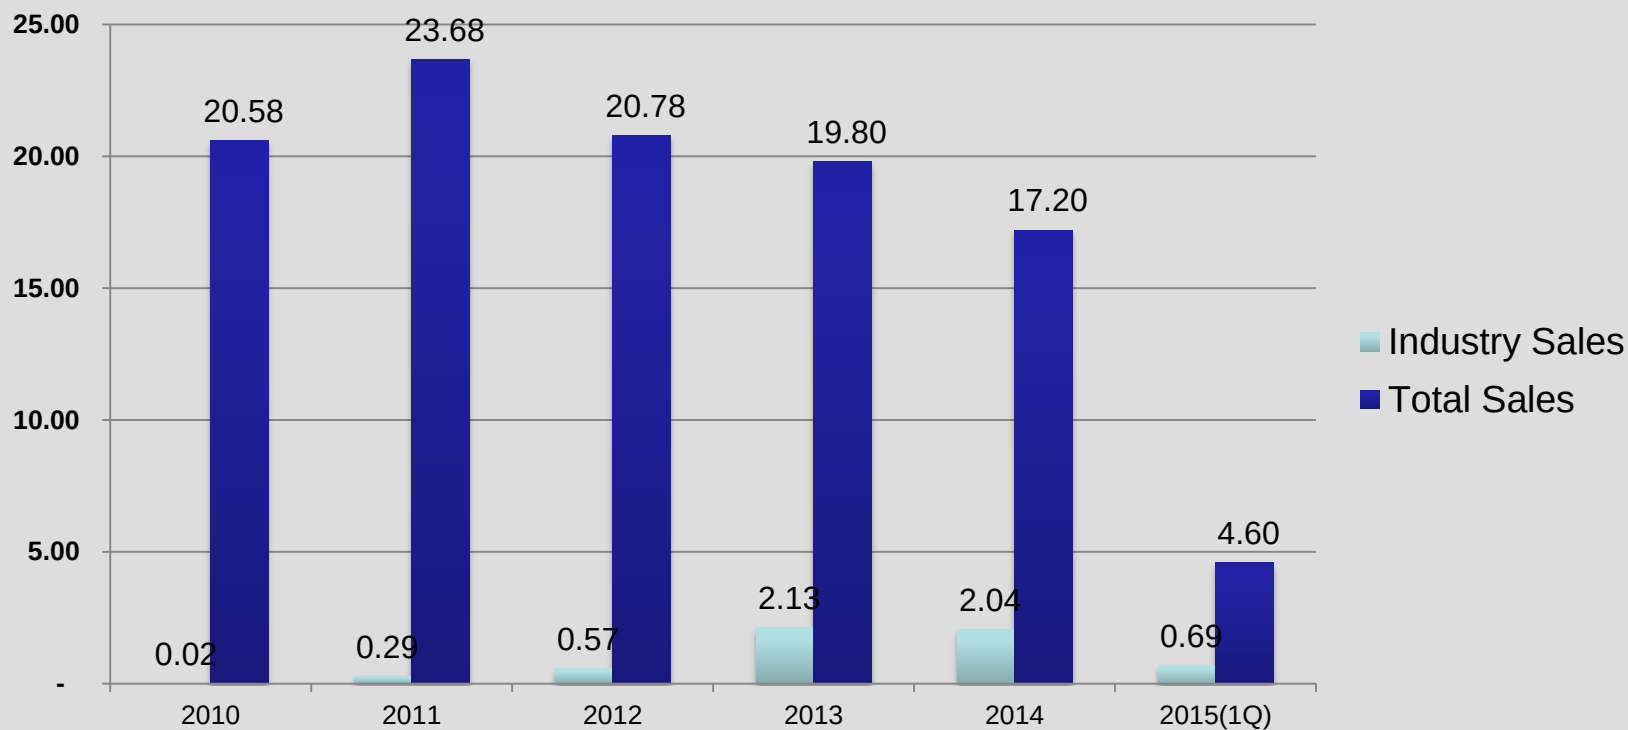

Consumer (TV/ Monitor/ Power/ Lighting/ White Good)

Sales for Industry Capacitor

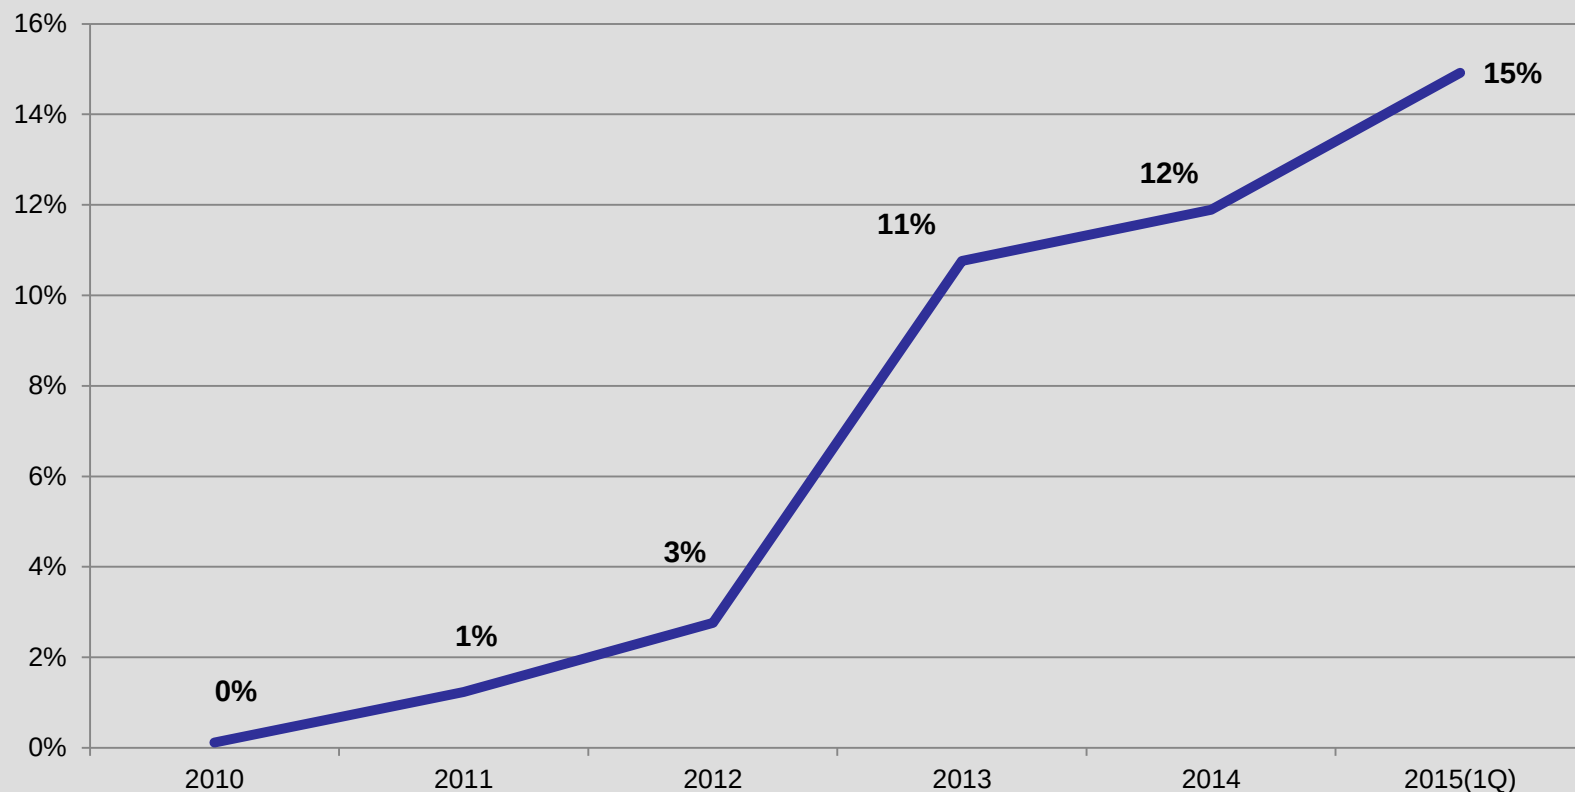

Industry Cap Sales

USD(Million)

Sales for Industry Capacitor

Industry Cap Sales VS Total Sales (%)

Thank You

Integrity . Passion . Innovation
