IMPORTANT CAUTIONARY NOTE

The unaudited financial results of Jason Holdings Limited (the **"Company"**) and its subsidiary (collectively, the **"Group"**) for HY2016 (**"HY2016 Results"**) disclosed in this announcement (**"Announcement"**) comprises the financial information of the Company and its 60%-owned operating subsidiary, White Cubic Pte Ltd (**"White Cubic"**).

For HY2016, the Company has not consolidated the financial statements of its wholly-owned principal subsidiary, Jason Parquet Specialist (Singapore) Pte Ltd (**"JPS"**). JPS was being wound up on 10 June 2016 pursuant to a winding up application filed by a substantial shareholder of the Company. The liquidation of JPS is still ongoing. The Board of Directors of the Company (the "**Board**" or the "**Directors**") is of the opinion that it is not possible to consolidate the financial statements of JPS after taking into consideration the followings:-

(a) All management staff and personnel have left the employment of the Company in 2016;

(b) The Company does not have complete financial records of JPS due to limited access to financial information as all the financial information documents are handed over to liquidator of JPS and some financial information documents are impounded by Commercial Affairs Department of Singapore Police Force ("**CAD**"); and

(c) The Company has insufficient resources to complete the bookkeeping of JPS.

The Board would not be able to verify the financial information of JPS without complete bookkeeping and the assistance of the relevant management, coupled with the significant uncertainties on the financial statements of JPS arising from the findings reported by Ernst & Young Advisory Pte. Ltd. and pending investigations by the CAD on Jason Sim Chon Ang, a Director of the Company and JPS, as announced by the Company in 2016. In view of the above, coupled with the winding up of JPS on 10 June 2016, the Board is of the view that it would not be meaningful to present the financial statements of JPS.

The Company wishes to highlight that the HY2016 Results are subject to limitations as set out below:

(a) the non-consolidation of the financial statements of JPS from 1 January 2016 till 10 June 2016, for the reasons stated above;

(b) the financial impact arising from the Scheme of Arrangement, which become effective on 22 March 2017 and completed on 17 October 2017; and

(c) the HY2016 Results have not been reviewed or audited by the Independent Auditor.

As such, the Company would like to remind Shareholders that the HY2016 Results disclosed herein may be subject to further adjustments and revision, including but not limited to adjustments and revisions to results of prior year(s) or period(s).

Given the above, the Board cautions and advises against reliance on the HY2016 Results disclosed herein.

Finance lease liabilities are secured by the leased assets, which will revert to the financial institutions in the event of default by the Group.

Property loan as at 31 December 2015 taken by JPS was secured by the legal mortgage of JPS's leasehold land and building ("**Mortgaged Property**"), and was supported by a corporate guarantee provided by the Company. Subsequent to FY2015, Development Bank of Singapore ("**DBS**"), the mortgagee of the Mortgaged Property has appointed receivers ("**Receivers**") to take over the Mortgaged Property. On 28 February 2017, the Receivers informed the Company that the sale of the Mortgaged Property has been completed. The proceed from the sale of the Mortgaged Property amounted to approximately $8.3 million of which $8.2 million had been used to repay professional fees and incidental costs, and borrowings from DBS and the balance proceed of approximately $104,000 returned to JPS. On 17 May 2017, DBS issued a letter to JPS to discharge the Company from the corporate guarantee given to DBS.

Trust receipts, trade receivable financing and bank overdraft attributable to JPS as at 31 December 2015 were unsecured but were supported by corporate guarantees provided by the Company or by personal guarantees provided by the two directors of the Company. Following 10 June 2016, the day on which JPS was placed under liquidation, the Company recognised provision for corporate guarantees given to banks for facilities granted to JPS which were being called and payable to these banks amounting to $1.1 million in accordance to the Scheme of Arrangement announcement dated 19 July 2017.

REVIEW OF CONSOLIDATED STATEMENT OF COMPREHENSIVE INCOME

Revenue

The Group's revenue for HY2016 was derived from its 60%-owned subsidiary, White Cubic, in projects relating to supply of structural clay, concrete products, ceramic, mosaic tiles and cement works.

The Group recorded a decrease in revenue of approximately $12.4 million or 89% due to deconsolidation of JPS in HY2016. JPS posted revenue of $12.2 million in HY2015.

In HY2016, White Cubic reported a decline in revenue of $0.2 million or 12% mainly due to gradual completion of projects during the period. The Distribution business of White Cubic declined by $0.4 million to $0.9 million in HY2016 mainly due to gradual completion of its existing projects. Its Projects business however increased by $0.2 million to $0.7 million in HY2016 mainly due to continued contribution from an existing major project.

Gross Profit

White Cubic achieved gross profit of $0.8 million in HY2016. This was higher by $0.3 million when compared to HY2015 due to increase in revenue of White Cubic. Gross profit margin of 51% in HY2016 was higher when compared to 37% achieved by White Cubic in HY2015 on less labour costs required on the projects and higher margin realised on the completed projects. In HY2015, JPS contributed gross loss of $0.5 million.

Other Income

Other income comprised mainly gain from the recovery of previously impaired receivables from JPS amounting to $0.4 million.

Selling and Distribution Expenses

Excluding JPS's HY2015 administrative expenses of $1.8 million, administrative expenses of the Company and White Cubic remained marginally the same. Depreciation expense of White Cubic increased marginally by $6,000 to $41,000 in HY2016.

Other Expenses

Other expenses increased by approximately $3.5 million or 296%. Excluding JPS's HY2015 other expenses of $0.8 million, other expenses of the Company and White Cubic would have increased by $4.3 million. This was mainly due to loss on deconsolidation of JPS amounting to $3.2 million and provision for corporate guarantee amounting to $1.1 million.

Finance Costs

The HY2015 finance costs were attributable to JPS.

Loss for the Financial Period

The Group reported a loss of $4.5 million in HY2016 as compared to a loss of $3.9 million in HY2015. JPS contributed $3.3 million loss in HY2015. HY2016 loss of $4.5 million was mainly due to loss on deconsolidation of JPS amounting to $3.2 million and provision for corporate guarantee amounting to $1.1 million. Assets

The Group's total assets decreased by approximately 94% or $27.8 million from $29.7 million as at 31 December 2015 to $1.9 million as at 30 June 2016. The significant decrease was mainly due to the deconsolidation of JPS.

Main assets of JPS as at 31 December 2015 comprised property, plant and equipment of $8.8 million, inventories of $8.1 million, trade and other receivables of $11.1 million and cash of $0.3 million.

Inventories of White Cubic declined from $0.3 million to $0.1 million mainly due to utilisation of existing inventories for projects.

Trade and other receivables of White Cubic increased from $0.7 million to $1.1 million mainly due to deposit paid to a supplier and performance bond issued for a project.

Liabilities

The Group's total liabilities decreased by approximately 86% or $23.3 million from $27.3 million as at 31 December 2015 to $4.0 million as at 30 June 2016. The significant decrease was mainly due to the deconsolidation of JPS.

Main liabilities of JPS as at 31 December 2015 comprised trade and other payables of $8.9 million, amount due to a corporate shareholder of the Company of $1.3 million, amount due to a Director of the Company of $0.3 million and borrowings of $14.5 million.

Other payables of the Company increased from $1.0 million to $2.3 million mainly due to a provision of corporate guarantee amounting to $1.1 million and higher amounts due to third parties. Trade and other payables of White Cubic increased by $0.5 million to $1.7 million mainly due to higher deposits received from its project.

Going concern

For the HY2016, the Group recorded a net loss of $4.5 million and was in a net current liabilities position of $2.2 million and net liability position of $2.0 million as at 30 June 2016, and negative cash flows from operating activities of $64,000 for HY2016. Included in the Group's current liabilities are bank borrowings amounting to $9,000 due for repayment within 12 months after 30 June 2016.

The financial statements of the Group and the Company have been prepared on the going concern basis taking into account that the Company has completed its Scheme of Arrangement on 17 October 2017 where it has settled in full all debts owed by the Company to its existing creditors as at 31 December 2016 and a continuing financial support provided

by Mr. Lim Chwee Kim, a controlling shareholder and Director of the Company. In addition, a director of White Cubic has undertaken to provide continuing financial support. In view of the above, the Board is of the opinion that as at the date of this announcement, there are reasonable grounds to believe that the Company will be able to pay its debts as and when they fall due.

REVIEW OF CONSOLIDATED STATEMENT OF CASH FLOWS

Net cash and cash equivalents for the Group decreased from approximately $103,000 as at 31 December 2015 to approximately $60,000 as at 30 June 2016. This was mainly due to the net cash used in operating activities amounted to approximately $64,000 after incorporating the working capital changes and non-cash item adjustments from the loss during the financial period, partially offset by the net cash from investing activities amounting to approximately $23,000.

#9. Where a forecast, or a prospect statement, has been previously disclosed to shareholders, any variance between it and the actual results.

No forecast or prospect statement has been previously disclosed to shareholders.

#10. A commentary at the date of the announcement of the significant trends and competitive conditions of the industry in which the Group operates and any known factors or events that may affect the Group in the next reporting period and the next 12 months.

On 19 October 2017, the Company announced that the Scheme of Arrangement of the Company which begun in December 2016 was completed after the payment to all the participating creditors has been made in accordance to the Scheme of Arrangement. The completion of the Scheme of Arrangement constitutes a full satisfaction and complete extinguishment and discharge in full all actual and contingent claims against the Company.

The Board is going back to basics and rebuilding the Group step by step. The Board now focuses its energy on the onward journey to resume the trading of the Company's shares. In this regard, the Sponsor, on behalf of the Company, had made an application to the SGX-ST for an extension of time to submit the proposal to resume the trading in the Company's shares ("**Resumption Proposal**"). On 27 January 2017, the SGX-ST informed the Sponsor that it has no objection to granting an extension of time to 30 April 2018. In light of the above, the Company is actively looking for and negotiating with various potential parties with a view of injection of new business into the Company and will prepare the Resumption Proposal for submission to the SGX-ST accordingly.
