Head, Issuer Compliance and Disclosure Department

Gentlemen:

Further to our disclosures dated May 20, 2010, May 28, 2013, and May 23, 2016 relating to Ayala Corporation's 200 million voting preferred shares (the "Shares"), the dividend rate of the Shares has been re-priced from 3.6950% per annum to 5.7730% per annum, which is equal to the 3-year PHP BVAL reference rate as of May 20, 2019 and will be applicable until May 20, 2022, the next re-pricing date.

Clause 3 of the Terms and Conditions of the Offer and Subscription of the Shares provides that the dividend rate on the Shares will be re-priced on every third year anniversary from the Issue Date, using 3-year PDST-R2 on the subsequent re-pricing dates. In case the PDST-R2 ceases to be an acceptable benchmark, the dividend rate shall mean the replacement mark-to-market benchmark that the Bankers' Association of the Philippines will utilize.

The PDS Treasury Reference Rates R1 (PDST-R1) and R2 (PDST-R2) have been decommissioned as of October 26, 2018 end-of-day and that the Bankers' Association of Philippines now utilize PHP BVAL Reference Rates as replacement benchmark.

Thank you.

Very truly yours,

A large, stylized signature in blue ink, enclosed within a hand-drawn oval.

ESTELITO C. BIACORA
Treasurer
