(Incorporated in the Republic of Singapore)

OFFICIAL OPENING OF MANSFIELD (THAILAND) CO. LTD.

The Board of Directors of InnoTek Limited (“InnoTek” or the “Company”) is pleased to announce that its wholly owned subsidiary, Mansfield Manufacturing Company Limited (“Mansfield”), has officially opened its plant in Thailand, Mansfield (Thailand) Co., Ltd. (“Mansfield Thailand”).

Mansfield is a manufacturer of precision metal components, commercial tool and die stamping based primarily in the People’s Republic of China.

In April 2017 the Company announced the incorporation of Mansfield Thailand which is located in Thailand’s Rayong province. Mansfield Thailand made its first shipment in January 2018 with support from Mansfield’s plant in Dongguan, China.

Mansfield Thailand is InnoTek’s first production plant in Southeast Asia. Its completion is expected to deepen the Company’s synergies with clients in the office automation business, especially Japanese companies which have relocated production from China to Southeast Asia.

Mansfield Thailand is slated to begin official production in the 2nd half 2018 ending 31 December 2018 (“2H’18”) with its financial contributions to the Company expected to be recognised in the 12 months ending 31 December 2019 (“FY’19”).
