About Magnus Energy Group Ltd. (www.magnusenergy.com.sg)

Listed since 04 August 1999

Magnus Energy Group Ltd is listed on the Catalist Board of the Singapore Securities Exchange Trading Limited. While started its businesses as the integrated mechanical and engineering specialist, the Group swiftly added the property development, construction and related businesses into its diversified portfolio. The acquisition of a controlling stake in Mid-Continent Equipment Group Pte Ltd in April 2004 has enabled the Group to establish new business opportunities in the oil and gas as well as alternative energies industries.

The Group seeks to achieve a diversified portfolio and will selectively invest in profitable projects. This will be an ongoing process for the Group as it looks to broaden its earnings base and at the same time re-engineer itself to explore new acquisition and investment opportunities across the Asia Pacific region.
