NOTES TO THE UNAUDITED CONDENSED FINANCIAL INFORMATION FOR THE PERIOD ENDED 31 MARCH 2017

1. **Basis of preparation and accounting policies**

1.1 Reporting entity

Inch Kenneth Kajang Rubber Public Limited Company ("the Company") is a company incorporated in Scotland with its registered office at 7 Castle Street, Edinburgh EH2 3AP, Scotland. The principal operating office is at 22nd Floor Menara Promet (KH), Jalan Sultan Ismail, 50250 Kuala Lumpur, Malaysia. All of the operations of the Company and its subsidiaries are located in Malaysia and Thailand.

The consolidated unaudited financial information of the Company as at 31 March 2016 includes the Company, its subsidiaries and its interest in an associated undertaking (together referred to as the "Group").

1.2 Basis of preparation

The unaudited financial information has been prepared on a going concern basis and in accordance with IAS34 Interim Financial Reporting. The financial information has been prepared under the historical cost convention except for the fair value measurement of available-for-sale investments and freehold estate lands. The financial information is also presented to comply in all material respects of the requirement of the Malaysian FRS 134 Interim Financial Reporting and Chapter 9 of the Bursa Malaysia Listing Requirements.

The unaudited quarterly consolidated financial information to 31 March 2017 included in this Announcement has been prepared by applying accounting policies consistent with those used in the preparation of the most recent audited financial statements of the Group, being for the year ended 31 December 2016. The consolidated financial statements of the Group for the year ended 31 December 2016 are available at Bursa Malaysia website, the Company's registered office in Scotland and its operating office in Malaysia.

1.3 Changes in accounting policies

On 19 November 2011, the Malaysian Accounting Standards Board ("MASB") issued a new MASB approved accounting framework, the Malaysian Financial Reporting Standards ("MFRS Framework"). The MFRS Framework is to be applied by all Entities Other Than Private Entities for annual periods beginning on or after 1 January 2012, with the exception of entities that are within the scope of MFRS 141 "Agriculture" and/or IC Interpretation 15 "Agreements for Construction of Real Estate", including their parent, significant investor and venturer (herein called "Transitioning Entities").

Based on the MASB announcement on 2 September 2014, adoption of the MFRS Framework by Transitioning Entities will only be mandatory for annual periods beginning on or after 1 January 2017.

The subsidiaries within the Group fall within the scope definition of Transitioning Entities and have opted to defer adoption of the new MFRS Framework. However the Group financial statements will continue to be prepared using the IFRS Framework for the financial statements for the year ending 31 December 2017. The subsidiaries expect to be in a position to fully comply with these requirements for the financial year ending 31 December 2017.

The Group foresees that there will be no material impact on the financial statements as the real estate business would only be operational after 2018 and the current oil palm plantation has already exceeded its normal economic lifespan.
