The Board would like to further provide an update to the shareholders of the Company (**“Shareholders”**) on the proposed placement of 2,340,000,000 new Shares to P.T. Tron Asia Pasifik pursuant to a subscription agreement (**“PT. Tron Subscription Agreement”**) that was entered into by the Company and announced on 20 November 2021 (the **“PT. Tron Conditional Placement”**). Further to signing of the PT. Tron Subscription Agreement, the Company received a request for an extension of time for it to fulfil certain key conditions precedent to the PT. Tron Conditional Placement. As the Company would like to conclude its fund raising exercise expeditiously, it revisited some of the potential investors which it has had been in active discussions previously concerning its funding needs. One of such investors, EDIS, responded with a keen interest to be the lead investor in continuing and spearheading the fund raising exercise of the Company. The Company subsequently responded to PT. PRESS RELEASE

ADDVALUE SECURED FUNDING FOR UP TO S\$13.25 MILLION (COMPRISING S\$5.50 MILLION CONDITIONAL COMMITTED FUNDING AND A FURTHER POTENTIAL FUNDING OF S\$7.75 MILLION) FROM INVESTORS (INCLUDING THE LEAD INVESTOR, ECONOMIC DEVELOPMENT INNOVATIONS SINGAPORE PTE LTD) IN STRENGTHENING ITS FINANCIALS AND ENHANCING ITS PROSPECTS

Singapore, 5 December 2021 – Singapore Exchange Mainboard-listed Addvalue Technologies Ltd (“**Addvalue**” or the “**Company**”), a leading player in the mobile satellite communications industry, announced that it has secured funding for up to S\$13.25 million (comprising conditional committed funding of S\$5.50 million and a potential further funding of S\$7.75 million) (the “**Funding**”) from an array of investors (collectively, the “**Investors**”) (including certain creditors and staff of the Company and its subsidiaries (the “**Group**”) and all the directors of the Company (the “**Directors**”). The lead Investor for this funding round is Economic Development Innovations Singapore Pte Ltd (“**EDIS**”) which has entered into subscription agreements that enable it to fund the Company with up to S\$5 million, subject to conditions.

Background leading to the Funding

As the Company would like to conclude its fund raising exercise expeditiously, it revisited some of the potential investors which it has had been in active discussion previously concerning its funding needs. One of whom, EDIS, responded with a keen interest to be a lead investor in continuing and spearheading the fund raising exercise of the Company. The Company subsequently responded to Tron that any funding to be so raised with it following the extension sought would need to be renegotiated as a new deal with the Tron Conditional Placement to be terminated for the

time being. Tron had accepted the Company's position and confirmed that it had no objection to the Company admitting EDIS and the other Investors for the Funding.

The Funding, which is aimed to strengthen the financial position of the Group and enhance its business prospects, is structured to be implemented as follows:
