About Natural Cool Holdings Limited

Natural Cool's principal businesses are Airconditioning and Engineering, Paints and Coatings, Technology, and Food and Beverages.

Natural Cool's Airconditioning and Engineering Division distributes, supply and installs Air-Conditioning and Mechanical Ventilation systems ("**ACMV**") and provides ACMV services to customers in the retail, commercial and industrial sectors. In addition, the Division is also involved in providing facilities management, mechanical and electrical, fire protection, critical environment, and plumbing and sanitary products and services.

The Group's Paints and Coatings Division manufactures and sells industrial paints and solvents, principally under the 'Cougar' brand. Furthermore, the Division also represents a number of leading overseas brands in Singapore.

Natural Cool's Technology Division specialises in communications engineering and Internet of Things solutions. With its core engineering capabilities located in Singapore, the Division serves the train-borne communications market and the estate management market both domestically and overseas.

In addition, the Group has a Food and Beverages arm which manufactures, distributes and retails cooked snack food and dumplings in Singapore. It also operates a number of restaurant outlets.
