

**SAKAE CORPORATE ADVISORY PLANS INTERNATIONAL ROADSHOW FOR
Q&M DENTAL GROUP (SINGAPORE) LIMITED**

Singapore, 9 June 2015 - Sakae Corporate Advisory Pte. Ltd. ("Sakae Corporate Advisory") is pleased to announce that it will be taking Q&M Dental Group (Singapore) Limited ("Q&M Dental") on a programme of international roadshows to up to 15 European and American cities to further showcase Q&M Dental to international investors.

Mr. Douglas Foo, Founder and Chairman of Sakae Holdings Ltd. said, "We are delighted that Q&M Dental's share price has improved significantly since they first engaged Sakae Corporate Advisory in 6 January 2015. This validates Sakae Corporate Advisory's choice of Q&M Dental as our inaugural client for our Corporate Advisory services, and also demonstrates our value-add to our clients. Q&M Dental's business model is highly scalable, and the Management has proven that they can successfully execute strong growth in the business, both organically and inorganically, whether in Singapore or China. In May and June alone, Q&M Dental has announced the proposed acquisitions of eight dental clinics in Singapore and another three clinics in China, and also a proposed partnership with Liaoning Medical University ("LMU") and the LMU affiliated hospital No. 2. The company is strongly capitalised with still over SGD 30 million in cash from the amount raised from its medium term note issuance this year to further support its growth. We believe that the partnership between Q&M Dental and Liaoning Medial University ("LMU") will further strengthen Q&M Dental's business model, as this will ensure that Q&M Dental will have the necessary quality talent to further support its expansion in China. We have received reverse enquiries from a number of international investors regarding Q&M Dental, and believe that the proposed roadshow will be very well received."
