To: The Shareholders of Global Testing Corporation Limited

Dear Sir/Madam

(1) THE PROPOSED CAPITAL REDUCTION AND CASH DISTRIBUTION

1. INTRODUCTION

- 1.1 The purpose of this Letter is to provide Shareholders with information relating to the proposed Capital Reduction and Cash Distribution, which was announced by the Company on 24 February 2025, and to seek the approval of the Shareholders for the same at the Annual General Meeting of the Company to be held on 30 April 2025 at 9.00 a.m. (the “**AGM**”).
- 1.2 Details of the Capital Reduction and Cash Distribution, including the rationale for and the benefits to the Company, are set out in Section 2 below.
- 1.3 Shareholders are advised that the SGX-ST assumes no responsibility for the contents of this Letter, including the correctness of any of the statements or opinions made or reports contained in this Letter.

2. THE PROPOSED CAPITAL REDUCTION AND CASH DISTRIBUTION

2.1 Introduction

The Company is proposing to undertake the proposed Capital Reduction pursuant to Section 78A read with Section 78C of the Companies Act.

Section 78C of the Companies Act requires that a public company proposing to undertake a capital reduction exercise should, *inter alia*, obtain the approval of its shareholders at a general meeting by way of a special resolution to be tabled at such general meeting.

The purpose of the proposed Capital Reduction is to return to the Shareholders surplus capital of the Company in excess of its needs by way of a cash distribution (the “**Cash Distribution**”) by the Company of S\$0.025 for each Share held by the Shareholders.

The Company will make the Cash Distribution of the sum of approximately S\$837,185.68 (equal to S\$0.025 per Share (excluding treasury shares) to Shareholders), based on the issued and paid-up share capital of the Company of S\$33,304,250.29 comprising 33,487,427 Shares (excluding treasury shares) as at the Latest Practicable Date, subject to the conditions in Section 2.6 below having been satisfied.

The actual amount to be returned to Shareholders pursuant to the Capital Distribution will be based on the issued and paid-up share capital of the Company as at the Record Date.

In determining the Cash Distribution to Shareholders, the Board has ensured that the Company has retained sufficient capital to support its existing operations and pay its debts, if any. Pursuant to this and in compliance with the provisions of Section 78C of the Act, all the Directors will each make a solvency statement (the “**Solvency Statement**”) confirming that:

- (a) as regards the Company’s situation at the date of the Solvency Statement, there is no ground on which the Company could be found to be unable to pay its debts;
- (b) the Company will be able to pay its debts as and when they fall due during the period of 12 months immediately following the date of the Solvency Statement; and
- (c) the value of the Company’s assets is not less than the value of its liabilities (including contingent liabilities) and will not, after the proposed Capital Reduction, become less than the value of its liabilities (including contingent liabilities).

Copies of the Solvency Statements signed by the Directors will be available for inspection at the AGM, as well as at the registered office of the Company throughout the six (6) weeks beginning with the date of the AGM.

The aggregate amount of cash to be paid to each Shareholder pursuant to the proposed Capital Reduction and Cash Distribution will be adjusted by rounding down any fractions of a cent to the nearest cent, where applicable.

The Capital Reduction and Cash Distribution will not result in a cancellation of Shares, or a change in the number of Shares issued by the Company immediately after the Capital Reduction and Cash Distribution.

2.2 Rationale of the Capital Reduction and Cash Distribution

The Directors are of the view that the Capital Reduction is in the best interests of the Company as the Cash Distribution comprises the paid-up capital in excess of the immediate requirements of the Company. The Capital Reduction and Cash Distribution, if effected, would result in the Company having a more efficient capital structure, thereby also improving Shareholders’ return on equity. In determining the level of capital to be returned to the Shareholders, the Company has ensured that it retains sufficient capital for its business and operational needs.

Further, the Directors had explored various investment opportunities for the Company, but as there are currently no such suitable investment opportunities for the Company, the Directors have recommended the Capital Reduction to return cash in excess of its immediate requirements to the Shareholders whilst maintaining sufficient flexibility to position itself to take advantage of business opportunities which may arise in the near or medium term and to adequately cater for its growth and investment needs. The Company will continue to review any suitable investment opportunities which may arise from time to time. As and when any such suitable investment opportunities arise, the Company will fund such new investments by way of internal resources, or if required, by external sources of funding, such as through the proceeds from equity and/or debt financing.

2.3 Details of the Capital Reduction and Cash Distribution

The Capital Reduction and Cash Distribution will be effected in the following manner:

- (a) reducing the issued and paid-up share capital of the Company by S\$837,185.68 from S\$33,304,250.29 (as at the Latest Practicable Date) to S\$32,467,064.61; and
- (b) the Cash Distribution of the sum of approximately S\$837,185.68 (equal to S\$0.025 per Share (excluding treasury shares) to Shareholders), based on the issued and paid-up share capital of the Company of S\$33,304,250.29 comprising 33,487,427 Shares (which excludes treasury shares) as at the Latest Practicable Date, will be paid out to the Shareholders.

The Cash Distribution amount of approximately S\$837,185.68 comprises the issued and paid-up capital in excess of the immediate requirements of the Company.

As at the Latest Practicable Date, the Company has an issued and paid-up share capital of S\$33,304,250.29. Upon completion of the Capital Reduction, the Company will have an issued and paid-up share capital of S\$32,467,064.61.

2.4 Illustration

The following illustrates the position of a Shareholder who holds 100 fully paid-up Shares as at the Record Date:

	Shareholder
<u>Position before the Capital Reduction</u>	
Number of Shares currently held	100
<u>Position after the Capital Reduction</u>	
Cash Distribution received (S\$)	2.50
Number of Shares held after the Capital Reduction	100

In summary, Shareholders will receive S\$2.50 in cash for every 100 Shares (or S\$0.025 in cash for each Share) held as at the Record Date. Shareholders holding odd lots of Shares (i.e. lots other than board lots of 100 Shares) will likewise receive S\$0.025 in cash for each Share held by them or on their behalf as at the Record Date. The shareholding of each Shareholder in the Company shall remain unchanged immediately after the proposed Capital Reduction and Cash Distribution.

2.7 **Effective Date of Capital Reduction**

As set out in Section 2.6 above, the Capital Reduction is subject to the satisfaction of, *inter alia*, the conditions set out therein.

After Shareholders' approval has been obtained for the Capital Reduction at the AGM, the Company will lodge with ACRA a notice containing the text of the Capital Reduction resolution. If no creditor of the Company objects to, and applies to the High Court of Singapore for the cancellation of, the Capital Reduction resolution, the Company will lodge further requisite documents with ACRA as provided under Section 78E(2) of the Act after the end of six (6) weeks, and before the end of eight (8) weeks, beginning with the date of the Capital Reduction resolution upon which the Capital Reduction will take effect.

The Company will then publicly announce and notify Shareholders of the Effective Date of the Capital Reduction through an SGXNET announcement.

2.8 **Administrative procedures for the Capital Reduction and Cash Distribution**

The following paragraphs set out the administrative procedures for the Capital Reduction and Cash Distribution.

Record Date

The notice of the Record Date is set out on page 9 of this Letter.

Persons registered in the Register of Members and Depositors whose Securities Accounts are credited with Shares as at the Record Date will be considered for purposes of the Capital Reduction on the basis of the number of such Shares registered in their names or standing to the credit of their Securities Accounts as at the Record Date (the "**Entitled Shareholders**"). Accordingly, the Entitled Shareholders will receive a sum of S\$0.025 for each Share held by them as at the Record Date.

If, however, a creditor objects to and makes an application to the High Court of Singapore for the cancellation of the Capital Reduction resolution within the prescribed time periods, the Capital Reduction will only take effect if the High Court of Singapore dismisses the creditor's application.

Subject to the satisfaction of the conditions set out in Section 2.6 above, the Company will make announcement(s) to notify Shareholders of the effective date of the Capital Reduction and the date of payment pursuant to the Cash Distribution in due course.

Payment of the Cash Distribution

Payment pursuant to the Cash Distribution will be made in the following manner:

(a) Shareholders holding Scrip Shares

Shareholders whose Shares are registered in the Register of Members as at the Record Date will have the cheques for payment of their entitlements to the Cash Distribution under the Capital Reduction despatched to them by ordinary post at their own risk addressed to their respective addresses in the Register of Members on the payment date to be announced in due course (the “**Expected Payment Date**”). The Company shall not be liable for any loss in transmission.

(b) Depositors

Shareholders who are Depositors and who have Shares standing to the credit of their Securities Accounts as at the Record Date will have the cheques for payment of their respective entitlements to the Cash Distribution under the Capital Reduction despatched to them by CDP by ordinary post at their own risk on the Expected Payment Date. Neither the Company nor CDP shall be responsible or liable for any loss in transmission. Alternatively, such Depositors will have payment of their respective entitlements to the Cash Distribution under the Capital Reduction made in such other manner as they may have agreed with CDP for the payment of dividends or other distributions on the Expected Payment Date.

Shareholders who hold Shares registered in their own names in the Register of Members and who wish to deposit their Shares with CDP prior to the Record Date must deliver their existing share certificates in respect of their Shares, together with the duly executed instruments of transfer in favour of CDP, at least twelve (12) Market Days prior to the Record Date in order for their Securities Accounts to be credited with the relevant Shares by the Record Date.

2.9 Taxation

Shareholders should note that the following statements are not to be regarded as advice on the tax position of any Shareholder or on any tax implications arising from the Capital Reduction and Cash Distribution. Shareholders who are in doubt as to their respective tax positions or any such tax implications or who may be subject to tax in a jurisdiction outside Singapore should consult their own professional advisers.

For Singapore income tax purposes, payments made by a Singapore resident company to shareholders pursuant to share capital reductions are generally classified as either a return of capital (which is a capital gain not subject to tax) or a receipt of dividends (which is tax exempt under the one-tier corporate tax system). As such, for Singapore income tax purposes, any gains from such transactions are generally not taxable unless the proceeds constitute taxable revenue gains or profits from a trade or business carried on by the shareholders.

In relation to the Cash Distribution to be made to Shareholders pursuant to the Capital Reduction, as the amounts which are to be paid to Shareholders pursuant to the Cash Distribution will be paid out of the reduction of the existing issued and paid up share capital of the Company, the Cash Distribution should generally be regarded as a return of capital and not taxable in Singapore for the Shareholders unless the proceeds constitute taxable revenue gains or profits from a trade or business carried on by the Shareholders.

Shareholders are advised to consult their own tax advisors as to the precise tax consequences of the Cash Distribution pursuant to the Capital Reduction.

Shareholders whose Shares are registered in the Register of Members as at the Record Date will have the cheques for payment of their entitlements to the Cash Distribution under the Capital Reduction despatched to them by ordinary post at their own risk addressed to their respective addresses in the Register of Members on the expected payment date as set out below (the "**Expected Payment Date**"). The Company shall not be liable for any loss in transmission.
