ABOUT VENTURE

Venture Corporation Limited (“**Venture**” and together with its subsidiaries, the “**Group**”) was formed in 1989 as an electronic services provider following the merger of three companies. With over three decades of consistent growth and about 11,000-strong today, the Group is a leading provider of technology services, products and solutions, with established capabilities spanning innovation, design and development, product and process engineering, design for manufacturability and supply chain management in diverse technology domains.

Headquartered in Singapore, the Group comprises more than 40 companies worldwide with Centers of Excellence in Southeast Asia, Northeast Asia, America and Europe.

The Group is well-known for its deep know-how and expertise in various technology domains. These include life science, genomics, molecular diagnostics, medical devices and equipment, healthcare, luxury lifestyle and wellness technology, test and measurement instrumentation, networking and communications, semiconductor equipment, advanced industrial as well as computing, printing and imaging technology.

Venture will continue to invest in new technologies and enhance its talent pool and their technical capabilities to offer a wide range of differentiated services. It is the preferred partner-of-choice for over 100 global companies, including Fortune 500 corporations, and ranks among the best in managing the value chain for leading electronics companies.
