- Ordinary Resolution No. 10 is to renew the mandate to allow the Company to purchase or otherwise acquire its issued shares, on the terms and subject to the conditions set out in Ordinary Resolution No. 10.

The Company may use internal resources and/or external borrowings to finance purchases or acquisitions of its shares. The amount of financing required for the Company to purchase or acquire its shares, and the impact on the Company's financial position, cannot be ascertained as at the date of this Notice as these will depend on the number of shares purchased or acquired and the price at which such shares were purchased or acquired and whether the shares purchased or acquired are held in treasury or cancelled.

Based on the number of issued and paid-up shares as at 23 March 2018 (the "**Latest Practicable Date**") and disregarding the shares held in treasury, the purchase or acquisition by the Company of 10 per cent. of its issued shares will result in the purchase or acquisition of 181,364,040 shares.

Assuming that the Company purchases or acquires 181,364,040 shares at the Maximum Price, in the case of Market Purchases of S\$0.400 for one share (being the price equivalent to 105% of the Average Closing Price of the shares), the maximum amount of funds required is approximately S\$72.5 million and in the case of Off-Market Purchases of S\$0.419 for one share (being the price equivalent to 110% of the Average Closing Price of the shares), the maximum amount of funds required is approximately S\$76.0 million.

The financial effects of the purchase or acquisition of such shares by the Company pursuant to the Share Purchase Mandate on the audited financial statements of the Company, and the Company and its subsidiaries, for the financial year ended 31 December 2017, based on certain assumptions, are set out in paragraph 2.7 of the letter to shareholders of the Company dated 11 April 2018 (the "**Letter**"). Please refer to the Letter for further details.

- Ordinary Resolution No. 11, if passed, will renew, effective until the conclusion of the next Annual General Meeting, the mandate to enable the Company, its subsidiaries and associated companies which are considered "entities at risk", or any of them to enter in the ordinary course of business into certain types of interested person transactions with specific classes of the Company's interested persons.
