PROFIT GUIDANCE ANNOUNCEMENT – HALF YEAR ENDED 30 SEPTEMBER 2024

The Board of Directors (the “**Board**”) of HS Optimus Holdings Limited (the “**Company**”, together with its subsidiaries, collectively, the “**Group**”) wishes to update shareholders of the Company that the Group is expected to report a higher net loss for the half year ended 30 September 2024 (“**HY2025**”) as compared to the previous half year ended 30 September 2023 (“**HY2024**”).

Based on the preliminary review of the Group’s unaudited financial results for HY2025, the expected losses are mainly due to continued macroeconomic uncertainty and an inflationary environment which has resulted in (i) lower revenue from the Company’s door business and (ii) weakening of the US Dollar against Malaysian Ringgit resulting in a significant unrealized foreign exchange loss in HY2025 as compared to the unrealized foreign exchange gain in HY2024. This profit guidance is not based on any financial figures or information which has been audited or reviewed by the Company’s auditors.

The Company is in the process of finalising its HY2025 financial results and will provide further details of the Group’s performance when it releases the financial results on or before 14 November 2024.

In the meantime, shareholders of the Company are advised to exercise caution when dealing in the shares of the Company. Persons who are in doubt as to the action they should take should consult their stockbrokers, bank managers, solicitors, accountants or other professional advisers.
