# CHAIRMAN'S MESSAGE

### DEAR SHAREHOLDERS, PARENTS, AND THE OFS COMMUNITY,

On behalf of the Board of Directors of Overseas Education Limited (OEL), I am pleased to present our annual report for the financial year ended 31 December 2024 (FY 2024). This past year has been one of students' growth, resilience, and achievements — both in the classroom and beyond. Our students continue to embody the spirit of excellence, perseverance, and innovation that define OFS.

### A Year of Students' Excellence

This year, OFS students have excelled in multiple disciplines, reaffirming our commitment to holistic education.

In chess, our U10 team emerged as National Chess Champions in the 65th National Inter-School Team Chess Championship. They dominated the competition, winning the first five games and securing the championship with a decisive final-round draw against some of Singapore's best teams. Across all divisions, OFS students won 13 medals in the international school category. Beyond team victories, OFS is proud to be one of the few schools to have both individual and team chess champions.

Further solidifying our reputation in chess education, OFS has been awarded the prestigious FIDE Gold School Award, a global recognition of our dedication to integrating chess as an educational tool. This honour underscores the school's efforts to develop strategic thinking and problem-solving skills among our students. In sports, our athletes continue to shine. Three of our outstanding swimmers were selected to represent Singapore and compete at an international level, swimming alongside Olympic Champions and World Cup swimmers. Meanwhile, our OFS Tigers Girls 19U Volleyball Team emerged victorious in the Athletic Conference of Singapore International Schools (ACSIS) Championship, demonstrating resilience, discipline, and teamwork.

### Outstanding Academic Achievements

On the academic front, OFS students have once again delivered outstanding results, a testament to their hard work, the expertise of our faculty, and the unwavering support of parents.

At the IGCSE level, our students achieved a remarkable 99% pass rate, with a 100% A rate in English Literature and a 100% A-C rate across all Foreign Languages. These results reflect the strong academic foundation that OFS provides.

Our Grade 12 students also excelled in the IB Examinations, achieving:

- An average IB score of 35, significantly surpassing the global average of 30.32.
- 2 students achieving the perfect score of 45, placing them among the top 1% of IB students in the world.
- A pass rate of 96%, compared to the global pass rate of 80% — an extraordinary feat for an openentry school with no entrance examinations.

- 24% of our students scoring 40 points or more — well above the global average of 9.3%.
- 29% of our students earning a Bilingual Diploma, exceeding last year's global average of 27%.

Since 2015, OFS has proudly upheld a tradition of producing IB perfect scorers, and our graduates continue to secure placements in top universities across the United States, United Kingdom, Europe, and Asia.

### The Arts and Creative Expression

Beyond academics and sports, creativity thrives at OFS. Our students showcased their artistic and musical talents in:

- The High School Theatre production of Arsenic and Old Lace

   a compelling and meticulously staged performance that demonstrated not just acting prowess but also excellence in stage design, costume creation, and production management.
- The Kindred Beginnings Dance Show – a celebration of movement, emotion, and storytelling through dance.
- Battle of the Bands where students showcased their musical talent, creativity, and teamwork in an electrifying competition.
- The Elementary Musical production of *Winnie The Pooh*.

These events underscore OFS dedication to a well-rounded education, where students have the opportunity to explore their passions, express their creativity, and build confidence in all areas of life.

On the financials, I would be pleased to report to our shareholders that OEL Group has recorded net profit after taxation of S\$6.3 million this financial year FY 2024 compared to S\$6.7 million in the previous FY 2023.

Student enrolment remained stable at 2,411 students in FY 2024 compared to 2,402 students in previous FY 2023.

The Board is pleased to propose a final dividend of S\$0.012 per share for approval by shareholders at the forthcoming Annual General Meeting.

#### **A Collective Commitment**

None of these achievements would be possible without the dedication of our teachers, staff, parents, and community partners.

To our faculty and administration, thank you for your unwavering commitment to education and student success.

To our parents, we deeply appreciate your trust and involvement in your child's learning journey.

And to our students — you are the heart of OFS. Your passion, perseverance, and pursuit of excellence inspire us all.

I would also like to express our appreciation to Mr Ho Yew Mun and Mr Leow Wee Kia Clement who have retired from the Board. Thank you for your years of contribution. I also take this opportunity to welcome Mr Jong Voon Hoo and Associate Professor Leong Ching Ching to the Board.

As we move forward, I am confident that OFS will continue to be a beacon of academic excellence, character development, and global citizenship. With your continued support, we will uphold our mission of ensuring that every child graduates not only with knowledge but with the right values, confidence, and skills to navigate the future with purpose.

Thank you for being part of this journey.

# WHO WE ARE

Overseas Education Limited is the holding company of Overseas Family School Limited which operates Overseas Family School (OFS or School), a leading foreign system school in Singapore.

OFS offers a multifaceted and fully integrated inquiry-based programme comprising International Early Years Curriculum, International Primary Curriculum and International Baccalaureate (IB) curriculum to children of expatriate families aged 2 to 18 years old.

OFS maintains cultural diversity on campus and strives to raise students as responsible world citizens. Our Model United Nations programme develops students' skills in communication, research, collaboration, negotiation and presentation, promoting international mindedness and global citizenship from a relatively young age. This programme has even attracted the attention of the Department of Public Information – Outreach Division of the United Nations headquarters in New York. Students are encouraged to flourish at their own pace in an environment that fosters growth through self-discipline, self-respect and respect for others.

A "worldwide family approach" permeates the school system, promoting diversity, critical thinking and lifelong learning so that students can function well in a globalised economy and a culturally diverse society. OFS prides itself as a family-oriented school that greatly values its bonds with parents and students. OFS provides a well-rounded education to students of expatriate families from more than 60 countries, and supported by staff members from some 35 countries.

Approximately 5,000 students can be accommodated at OFS' spacious campus in Pasir Ris, located east of Singapore. Our five-hectare campus with state-of-the-art facilities has been described as the school design of the future.

**Overseas Family School** 

### **MASTER POLICY**

### "To maintain a happy, safe and effective school for overseas families living in Singapore".

### **Open Entry**

OFS enrols foreign students of all abilities, without entry tests. We do not accept that students should be labelled according to their previous academic performance.

We prefer to base our programs on the belief that all students have learning potential. The OFS Intellectual Development programs are designed accordingly. Enthusiasm for learning helps every student perform in school beyond expectations.

#### **Open Examination Entry**

OFS strongly encourages High School students to sit the "International General Certificate of Secondary Education" (IGCSE) and "International Baccalaureate" (IB) examinations. The objective is to lift student achievement levels, beyond every expectation, as preparation for university.

### Self-Discipline

Multi-national and multi-cultural students and teachers encourage the development of a natural respect between them. We can therefore operate with the minimum of school rules or punishments.

A significant OFS policy maintains that "happy students learn better than disciplined students". Throughout OFS, all students discover the benefits of self-discipline for their studies and their lives.

### No Tolerance for Violence

Happy students learn better than highly disciplined students. For a happy school, it is essential that no student or staff member feels threatened by violent or aggressive behaviour from another member of the school community. We continue to make it clear that any act of violence will lead to immediate expulsion.

Students, Teachers, Principals, Management and Staff work together to meet this rarely applied standard.

### **Intellectual Development**

The OFS education model does everything possible to develop each student's intellect. We avoid branding students by ability and consistently adopt the development of each student's intellectual capacity as an OFS objective. All junior students receive professional tuition in Chess and Computer Coding, responding with bright-eyed enthusiasm. The school employs internationally significant Chess and Coding tutors. At Interschool Chess tournaments. OFS students continue to outperform students from other participating international schools.

Younger students, for whom English is a second language, receive regular lessons to strengthen and advance their own Mother Tongue. Their teachers are also native speakers of that Mother Tongue and OFS maintains regular classes in fifteen such languages. Maintaining a student's ability to speak their Mother Tongue while the school is changing their language of instruction does boost their intellectual development.

OFS parents appear to increasingly recognise the importance of these "Intellectual Development" policies.

### Efficient Allocation of Classroom Instruction

OFS continues to hire the best of teaching ability from around the world. Teaching is organised into four age-related schools, each with a Principal and academic support team. The four Principals were all previously successful OFS teachers, and are committed to OFS education policies. Academic teams teaching students within OFS schools are allocated a bare minimum of administration, so they can focus on teaching.

Successful students are the foundation of a great school, which defines a successful education company.

# **ABOUT OFS**

OFS has a unique philosophy of education, which places our student's individual learning needs and experiences at the heart of all we do. We promote a truly international outlook with over 60 nationalities within our student and staff body.

Having such a diversified student population not only prepares our students to integrate and interact within a globalised economy and a culturally diversified society, but also reduces our dependency as a school on the influx of students from any particular country.

We firmly believe in placing our clients, namely the parents and guardians of our students, central in the decisions relating to, and the progress of their children's education. Working in partnership with the parents, OFS provides professional advice, supporting the parents as they make the final decisions on all matters affecting their children.

In addition, we take pride that our academic personnel are given time to focus on quality teaching and learning by only being tasked with teaching duties, with all other administrative duties being carried out by our supportive administrative team.

We have a fully integrated inquirybased curriculum based on the International Early Years Curriculum (IEYC), International Primary Curriculum (IPC), International Baccalaureate Middle Years and Diploma Program (IB MYP & IB DP) and the IGCSE. These curriculums offer OFS the freedom to integrate other specialist intellectual development programs within each school's syllabus such as Chess, Math Coding and the Model United Nations Program, which further our student's skills and abilities and prepares them for the future world of work.

### KINDERGARTEN PRE-K1 TO K2 International Early Years Curriculum

ELEMENTARY SCHOOL GRADES 1 TO 5 International Primary Curriculum

MIDDLE SCHOOL GRADES 6 TO 8 IB Middle Years Programme

HIGH SCHOOL GRADES 9 TO 10 (JUNIOR) IB Middle Years Programme, IGCSE

## ABOUT OFS

### THE OFS CURRICULUM

CURRICULUM

Inquiry-based programmes form the foundation for the development of the curriculum in our School.

### International Early Years Curriculum (IEYC)

The IEYC is offered in Kindergarten. It is a comprehensive curriculum for students aged 2 to 5, comprising IEYC Units of Learning based on exciting themes that capture children's natural curiosity. Each IEYC unit is designed around eight key learning principles that we consider essential to children's learning and development in the early years phase of formal education.

### International Primary Curriculum (IPC)

The IPC is offered in Elementary School. A comprehensive curriculum for students aged 6 to 10, it comprises IPC Units of Work, each based on a theme, designed for a clear learning experience. The IPC Learning Goals form the foundation of the IPC and enable children to acquire sophisticated national, international, global and intercultural perspectives. Each IPC unit comprises learningfocused activities that help children gain a sense of themselves, their community and the world around them, while developing the capacity to take action and make a difference.

### International Baccalaureate Middle Years Programme (IB MYP) and Diploma Programme (IB DP)

The IB MYP is offered throughout the Middle School (Grades 6-8) and for the first two years of High School (Grades 9 and 10). The IB DP is offered in the final 2 years of High School. The IB DP is a globally respected academically rigorous program that provides access to many universities internationally, including all major prestigious institutions across the globe.

### International General Certificate of Secondary Education (IGCSE)

In addition to the IB MYP, we also offer the IGCSE examinations, administered by Cambridge Assessment International Education, UK, to our students in Grade 10. The IGCSE certificate is equivalent to the GCE O-Level certificate and is examinationbased and externally assessed.

### Western Association of Schools and Colleges (WASC)

The School's curriculum is also accredited K-12 by the WASC, California, USA. WASC accreditation serves as a recognition of quality of our School's programmes and operations, and validates the OFS High School Diploma (OFSD). The OFSD, with WASC accreditation, is important to OFS High School graduates seeking admission to universities or other tertiary institutions in North America, in particular the western region of the USA.

### **OPEN ENTRY POLICY**

OFS has an "open entry policy" under which it enrolls students without pre-entry tests or reference to previous school reports. This inclusive education policy supports the school's belief that with proper motivation, and freedom from excess criticism and discipline, all students have the potential to exceed previous academic performances. Administrators, teachers and parents cooperatively provide a supportive environment in which each student is encouraged to reach their highest academic potential. OFS also has an "open examination entry policy" under which all students are encouraged and given assistance to prepare for and take internal and international examinations. Having a Pre-K1 to Grade 12 curriculum enables us to accept enrolment of students at any pre-tertiary education level.

### MODEL UNITED NATIONS (MUN)

Designed to raise student awareness of prevailing global issues, the MUN initiative introduces MUN-advocated skills, mindsets and practices to students of all ages. In 2009, OFS integrated the MUN initiative into our curriculum, and was the first and only Foreign System School (FSS) in Singapore to do so. The MUN initiative seeks to develop students' skills in communication, research, collaboration, negotiation and presentation and to promote international-mindedness from a relatively young age.

In 2011, the Hague International Model United Nations (THIMUN) approved the affiliation status for our School's MUN programme, known as MUNOFS. We have been organising annual MUNOFS conferences for more than ten years. Every year, we organise three MUN conferences – MUNOFS for High School students, MY-MUNOFS for Middle School students and PY-MUNOFS for Elementary

School students. As a result of the pandemic in 2021, OFS built a special hybrid platform which enabled the MUNOFS XIV conference to reach a wider global audience and set of participants (over 350 participants from 20 schools). MY-MUNOFS 2024 saw our largest number of delegates reaching 450 students from over 23 schools including institutions from USA, Taiwan, India and South East Asia. This initiative has not only led to further participation but has also created an OFS student-led programme where students from schools, who do not have such a MUN provision or necessary resources from across the world, can be trained and prepared to participate in future MUN conferences. With the rapid growth and popularity of our conference, 2023 MUNOFS XV saw the expansion of our committees to include the US Senate, Interpol and the Historical Joint Crisis Committee. 2024 saw further extension by adding the Pan-African Parliament. The new experiences gained by the student leaders and team in the run-up preparation for these conferences has given total new meanings to connectivity and global reach in our world. It has also provided a multitude of leadership opportunities for our students to grow their skills and abilities.

We have also initiated iMUN which now runs up to two smaller online debates annually. This is offered free to develop our Grade 8 and 9 student MUN leaders who need to gain more conference experiences. We also host a pre-conference debate in preparation for the MY-MUNOFS, with approximately 100 delegates from Singapore and abroad. We have further expanded the activities for our MUN Executive Team members to prepare and train delegates not just from within OFS, but also from other schools, both locally and abroad. These activities enrich the experiences of our student leaders, building their leadership skills further.

### **USING IT INNOVATIVELY**

Our extensive IT resources, infrastructure and unique OFS integrated software application have enhanced the learning experience and interaction among our students, their parents and our teachers, as well as increased our effectiveness and efficiency in running the School.

We have a school-wide, online assessment system that permits students, parents and teachers to assess the effectiveness of classes that have been taught during a school day. This system supports and promotes student learning, and accurately reports student achievement on an on-going basis.

This system has been a key contributing factor to the academic achievements of our students. Over the past five academic years, the percentage of High School students who obtained 35+ points (which would generally require the students to have obtained a majority of at least six 'A-' grades and above), was consistently above the world-wide percentages of IB DP students. In Academic Year 2023/2024, over 24% of students scored over 40 points or more compared to the 9.3% world average.

Our strength in IT was previously demonstrated with our smooth transition to the mandated homebased learning during the pandemic underpinned by our online OFS Learning Portal. This system has continued to prove vital in providing learning resources, academic support and monitoring tools to ensure all our students reach their full potential.

### **KINDERGARTEN**

• Established in 1992, the Kindergarten is currently led by our Kindergarten Principal and Executive Officer, Ms. Da-Khue Ngo and Kindergarten Curriculum Leadership. Curriculum Leadership support comes from Elementary School to ensure continuity in student learning.

• In 2015, the Kindergarten programme was extended to open our doors to our youngest age group of children, the 2-year olds.

• The Kindergarten programme is offered to students aged between 2 and 5. It comprises the inquiry-based International Early Years Curriculum that is specially designed to enrich and stimulate the minds of young children, to provide students with a positive attitude towards school and to develop a love for learning.

• The Kindergarten operates a full day schedule from 9.00 am to 3.30 pm for its Pre-K2, K1 and K2 classes. The Pre-K1 classes operate on either the above schedule or a half-day schedule from 9.00 am to 12 noon.

### ELEMENTARY SCHOOL

• Established in 1991, the Elementary School is led by our Elementary School Principal and Executive Officer, Ms. Penny Liew, two Deputy Principals and Elementary School Curriculum Leadership.

• The Elementary School has a 25-period week, with five one-hour periods per day. Designed for students from aged 6 to 10, the programme comprises the inquiry-based International Primary Curriculum that encourages students to develop the conceptual understanding, knowledge and skills they need to become lifelong learners. The Elementary School operates on a full-day schedule from 9.00 am to 3.30 pm.

### **MIDDLE SCHOOL**

• Established in 1991, the Middle School is currently led by our Middle School Principal and Executive Officer, Ms. Arin Mares, one Deputy Principal and Middle School Curriculum Leadership.

• The Middle School has a 25-period week, with five one-hour periods per day, delivering the first three years of the IB MYP. The Middle School operates on a full-day schedule from 9.00 am to 3.30 pm.

### **HIGH SCHOOL**

• Established in 1991, the High School is led by our High School Principal and Executive Officer, Mr. Adam Ashton, two Deputy Principals and High School Curriculum Leadership, covering both Junior and Senior High Schools. • The Junior High School has a 25-period week with five one-hour periods per day. It operates on a full-day schedule from 9.00 am to 3.30 pm. Concurrent with the final two years of the IB MYP, the Junior High School students at OFS are also offered the IGCSE syllabus at Grades 9 and 10.

• The Senior High School has a 25-period week with five one-hour periods per day. It operates on a full-day schedule from 9.00 am to 3.30 pm.

• In Grade 12, students will usually attempt to obtain the full IB Diploma or obtain the IB Certificates for individual subjects. On graduation from Grade 12 from OFS, by having obtained a minimum of 22 credits from the various courses from Grades 9 to 12, among other requirements, our students will be conferred the OFS High School Diploma. The OFS High School Diploma is evidence that a student has satisfactorily completed four years of high school at OFS.

# ABOUT OFS

### OUR UNIQUE PROGRAMMES

In addition, our School offers other programmes to supplement the curriculum, which include:

### STUDY PREPARATION PROGRAMME (SPP) AND FOREIGN LANGUAGE PROGRAMME

English is the language in which our School conducts the teaching of our main curriculum. For students for whom English is not their first language, where necessary we offer them the specialised SPP. SPP classes teach students the academic English required for their subjects and are conducted by qualified language teachers. It is a high intensity programme which is also intended to develop strong study habits and learning skills in students. The programme has three levels:

• At Levels 1 and 2 (SPP1 & SPP2), the students undergo an intensive language acquisition programme, conducted by specialist teachers trained to teach English for speakers of other languages; and

• When basic proficiency is reached, our students are moved to Level 3 (SPP3) where they join a regular homebase and participate in all regular classes. Students can elect to get extra support in English or continue with their mother tongue during the Language period.

During Mathematics, SPP1 students will be taught in a dedicated class by a Mathematics specialist. SPP2 and SPP3 students are taught Mathematics in a mainstream class.

A main objective of SPP is to enable SPP students to join the mainstream classes as quickly as possible, preferably at the same grade level as their non-SPP peers, so that they do not lose an academic year.

At OFS, all non-SPP students are expected to study another major international language apart from English, or their mother tongue. The five foreign languages currently offered at OFS are French, German, Hindi, Mandarin and Spanish.

### INTELLECTUAL DEVELOPMENT PROGRAMMES

The OFS educational model does everything possible to develop student intellect, for greater breadth and depth of learning. We avoid branding students by ability, and have consistently adopted as an institutional objective, development of each student's intellectual capacity. Over the years, OFS has introduced initiatives specifically designed to meet these goals and our new campus provides the space, environment and opportunity to be even more effective.

Our Intellectual Development Programmes include Mother Tongue, Chess and Math Coding.

All junior students receive professional tuition in Chess and Math Coding and these sessions develop essential future facing skill development in all students. In 2024, OFS was awarded the prestigious FIDE GOLD School Award, which is global recognition of the school's commitment to using chess as a powerful educational tool to foster intellectual and personal growth.

Young students for whom English is not their first language, receive

regular lessons to strengthen and advance their own Mother Tongue. Their teachers are native speaking teachers of that Mother Tongue. To date OFS has regular classes in 15 Mother Tongues. Research shows that maintaining a student's Mother Tongue while changing the language of instruction at school is extremely positive for their intellectual development.

We currently offer Mother Tongue classes in Danish, Dutch, Finnish, French, German, Hebrew, Italian, Japanese, Korean, Mandarin, Norwegian, Portuguese, Russian, Spanish and Swedish.

OFS attracts enthusiastic parental recognition of the importance of these "Intellectual Development" policies for their children.

### ENRICHMENT AND AFTER-SCHOOL PROGRAMMES

For the Enrichment Programme, OFS currently offers over 30 optional activities that students from K1 to Grade 12 may enrol in. These optional activities range from physical sports activities such as artistic and rhythmic gymnastics, badminton, ballet, basketball, cricket, golf, hip hop, inline skating, karate, sailing, soccer, taekwondo, tennis, and volleyball, to classroom activities such as art, automotive and race car engineering, baking, clay modelling, coding, cooking wizards, Fun Aerospace, Lego Engineers and speech & drama. In addition, students can also choose to do a third language taught by native teaching professionals. These optional activities are provided by both external service providers who are carefully screened and selected by the OFS Enrichment Programme

team, as well as our suitably qualified teachers. Language courses are also open for participation by the parents of our students. These optional activities are fees payable.

Apart from the enrichment programmes, OFS teachers also conduct extra-curricular activities and after-school sports programmes. Students can choose to join various after-school clubs to learn the arts, music, dance or drama. With the reintroduction of competitive sports (OFS Tigers) in August 2020, students can participate in most sports either at a competitive or recreational level, such as basketball, badminton, cricket, cross country, football, gymnastics, netball, rugby, swimming, softball, tennis, track team and touch football. No extra fees are payable for such extra-curricular activities.

### COLLEGE ADMISSION COUNSELLING

Our Academic Advisors provide comprehensive support to students

and their families through all aspects of the university application process. We host information evenings, workshops, and alumni meetings to provide students and their families with information on admission requirements to colleges and universities around the world. In these sessions, they share information about the different educational systems, degrees, and courses available for tertiary education. The Academic Advisors also offer special workshop opportunities to guide students through the varying demands of the different university systems, including providing students with guidance and feedback on their application essays. Finally, for those students whose applications require interviews, they provide mock interview sessions and feedback. For those students striving to attain entrance to the most esteemed global universities places, our Prestigious University Program (PUP) is available. PUP provides further individualised support and preparation for the rigorous entrance requirements

set by those institutions. In 2024, over 30% of graduates received places in the top 25 universities (QS World Rankings) including Ivy Leagues schools such as Brown and Dartmouth College as well as Cambridge University, UK.

As part of their role, our Academic Advisors are also in regular contact with universities and organise annual visits, primarily online, from representatives of colleges and universities world-wide including Canada, Australia, Hong Kong, Europe, Singapore, Japan, the United Kingdom, and the United States. We encourage Grade 11 and 12 students and their parents, to meet these representatives, whether online or in person, to learn about different academic programmes, their entry requirements, application procedures and other prerequisites for admission. During the academic year, we welcome numerous visits from universities from around the world and host two big university fairs.

# OPERATIONS & FINANCIAL REVIEW

### **INCOME STATEMENT**

### **Total Revenue**

The Group recorded a revenue of \$42.98 million for the second half year ended 31 December 2024 (H2 2024) compared to \$44.24 million for the corresponding period ended 31 December 2023 (H2 2023). For the full year ended 31 December 2024 (FY 2024), total revenue was \$88.52 million compared to \$87.83 million for the last financial year (FY 2023).

Tuition fees revenue was lower at \$41.09 million in H2 2024 compared to \$42.29 million in H2 2023 due to the decline in student enrolment in H2 2024. Overall, tuition fees revenue ended marginally higher at \$84.87 million for FY 2024 compared to \$84.54 million for FY 2023 due mainly to the support of better student enrolment in the first half of FY 2024.

Registration fees revenue was \$0.61 million in H2 2024 and comparable to H2 2023. Registration fees revenue was \$1.23 million in FY 2024 compared to \$1.19 million in FY 2023.

School shop revenue was \$0.40 million in H2 2024 compared to \$0.44 million in H2 2023. School shop revenue was \$0.56 million in FY 2024 compared to \$0.61 million in FY 2023.

Enrichment programme revenue was \$0.55 million in H2 2024 and comparable to H2 2023. Enrichment programme revenue ended higher at \$1.12 million in FY 2024 compared to \$1.00 million in FY 2023.

Interest income was \$0.31 million in H2 2024 compared to \$0.33 million in H2 2023. Interest income ended higher at \$0.72 million in FY 2024

compared to \$0.47 million in FY 2023 due to better interest rates received on fixed deposits in first half of FY 2024.

Other income at \$0.02 million in H2 2024 and \$0.03 million in FY 2024 was comparable to H2 2023 and FY 2023.

### **Operating Expenses**

Total expenses before depreciation and amortisation was higher at \$34.29 million in H2 2024 compared to \$33.07 million in H2 2023. For FY 2024, total expenses before depreciation and amortisation was also higher at \$67.05 million compared to \$64.39 million in FY 2023. Details of expenses are as follows:

Personnel expenses were \$25.75 million in H2 2024 and \$50.55 million in FY 2024, compared to \$24.92 million in H2 2023 and \$49.11 million in FY 2023. The higher personnel expenses in FY 2024 were mainly due to requirement for additional academic staff.

School shop costs were \$0.29 million in H2 2024 compared to \$0.31 million in H2 2023. School shop costs were \$0.38 million in FY 2024 compared to \$0.42 million in FY 2023.

Enrichment programme costs were \$0.38 million in H2 2024 compared to \$0.34 million in H2 2023. Enrichment programme costs were \$0.78 million in FY 2024 compared to \$0.65 million in FY 2023.

Utilities expenses were \$0.67 million in H2 2024 compared to \$0.69 million in H2 2023. Utilities expenses at \$1.35 million in FY 2024 was comparable to FY 2023. The School is partially using solar renewable energy as its source of electricity for the school campus.

Upkeep and maintenance expenses were \$1.02 million in H2 2024 compared to \$0.93 million in H2 2023. Upkeep and maintenance expenses were \$1.84 million in FY 2024 compared to \$1.72 million in FY 2023.

Finance costs were lower at \$2.05 million in H2 2024 compared to \$2.27 million in H2 2023. Finance costs were also lower at \$4.21 million in FY 2024 compared to \$4.44 million in FY 2023 due mainly to the declining interest rates in FY 2024.

Other operating expenses were \$4.16 million in H2 2024 and \$7.95 million in FY 2024, compared to \$3.63 million in H2 2023 and \$6.73 million in FY 2023. The higher other operating expenses in H2 2024 and FY 2024 was mainly due to higher property tax and general costs inflation.

Depreciation and amortisation expenses were \$6.29 million in H2 2024 compared to \$6.21 million in H2 2023. Depreciation and amortisation expenses were \$12.49 million in FY 2024 compared to \$12.73 million in FY 2023.

The Group recorded a \$0.86 million and \$0.58 million fair value loss in H2 2024 and FY 2024, compared to fair value loss of \$1.52 million and \$1.36 million in H2 2023 and FY2023 respectively. The fair value loss arose from fair value changes of the interest-rate-swap contracts that the Group entered to hedge against rising interest rates on bank borrowings. More information is provided in Note 10 of the Condensed Interim Consolidated Financial Statements.

### Profitability

Profit before taxation was \$1.53 million in H2 2024 compared to \$3.44 million in H2 2023. Profit before taxation for FY 2024 ended lower at \$8.41 million compared to \$9.34 million in FY 2023.

Income tax expense for H2 2024 and FY 2024 were \$0.52 million and \$2.14 million respectively. The H2 2024 and FY 2024 income tax expense comprised mainly the provision for current tax of \$0.81 million and \$2.69 million respectively. The reversal of net deferred tax for H2 2024 and FY 2024 were \$0.30 million and \$0.55 million respectively. The income tax expense in H2 2023 and FY 2023 were \$1.15 million and \$2.61 million respectively.

Net profit after taxation for H2 2024 was \$1.01 million compared to H2 2023 of \$2.29 million. Net profit after taxation for FY 2024 ended at \$6.27 million compared to \$6.73 million for FY 2023.

# **OPERATIONS** & FINANCIAL REVIEW

### **BALANCE SHEET**

Total property, plant and equipment and right-of-use assets at 31 December 2024 amounted to \$212.12 million compared to \$221.57 million at 31 December 2023. The decrease of \$9.45 million was due mainly to the depreciation charge for the financial year, offset by the additional right-of-use assets and other plant and equipment of \$3.41 million and \$1.28 million respectively during the financial year.

Derivatives (current and non-current) at 31 December 2024 of \$0.83 million (2023: \$1.41 million) represent the fair values of interest-rate-swap contracts entered into by the Group to hedge against rising interest rates on bank borrowings. More information is provided in Note 10 of the Condensed Interim Consolidated Financial Statements. Inventories of school uniforms, books and stationery for sale at the school shop were \$0.50 million at 31 December 2024 compared to \$0.45 million at 31 December 2023.

Trade receivables comprised amounts attributable to tuition fees, registration fees, school shop revenue and other revenue. Trade receivables of \$0.98 million at 31 December 2024 were higher compared to \$0.92 million at 31 December 2023 due mainly to the timing of collection of the receivables for the reporting year.

Other receivables and deposits at 31 December 2024 were \$0.57 million compared to \$0.51 million at 31 December 2023.

Prepayments at 31 December 2024 were \$1.74 million compared to \$1.62 million at 31 December 2023. The Group's cash and cash equivalents amounted to \$53.65 million at 31 December 2024 and \$55.68 million at 31 December 2023. The decrease was due to cash movements (cash generated or cash used) in operating, investing and financing activities as explained in the Review of Group cash flow below.

Trade and other payables and liabilities were lower at \$1.33 million at 31 December 2024 compared to \$1.82 million at 31 December 2023 due mainly to timing of payments of operating expenses.

Total fees received in advance (current and non-current) was \$32.55 million at 31 December 2024 and \$36.11 million at 31 December 2023. The total fees received in advance at 31 December 2024 and 31 December 2023 comprised tuition fees collected before the commencement of the next

semester in January, and registration fees collected upon enrolment. The advance collection was higher in FY 2023 due mainly to the timing of the receipts.

Lease liabilities (current and noncurrent) were \$4.66 million at 31 December 2024 compared to \$6.41 million at 31 December 2023. The variation in the lease liabilities was due to the expiration and renewal of the lease contracts for teachers' apartments.

Borrowings - Bank Loan (current and non-current) was \$84.23 million at 31 December 2024 compared to \$90.48 million at 31 December 2023. The Group paid the quarterly instalment of \$1.54 million each in January, April, July and October 2024. More information on the bank loan facility is disclosed in Note 15 in the Condensed Interim Consolidated Financial Statements.

Goods and Services Tax payable of \$3.45 million and \$3.19 million at 31 December 2024 and 31 December 2023 respectively arose mainly from the billing of next semester's tuition fees. GST rate applicable in the billing was 9% in FY 2024 and 8% in FY 2023.

Deferred tax liabilities amounted to \$5.41 million at 31 December 2024 compared to \$5.96 million at 31 December 2023. The net deferred tax liabilities arose from the tax effect on temporary differences between the net book value and the tax-writtendown-value of qualifying assets.

#### **CASH FLOW STATEMENT**

The net cash generated from operating activities in FY 2024 was \$20.52 million, which consisted of cash inflow from operating activities before working capital changes of \$26.99 million, net working capital outflow of \$4.14 million and interest received of \$0.71 million and income tax paid of \$3.04 million.

The net cash used in investing activities of \$1.63 million was for the capital expenditure in the normal course of business.

The net cash used in financing activities of \$20.92 million comprised lease payments of \$5.14 million, lease interest paid of \$0.30 million, payment of bank loan interest of \$3.92 million, bank loan repayment of \$6.16 million and dividends payment of \$5.40 million during the reporting period.

### SIGNIFICANT TRENDS AHEAD

The Group noted that geopolitical tensions have intensified, and the global economic environment is becoming more volatile and uncertain.

The Group expects the foreign system schools' landscape and the operating environment to remain competitive and challenging.

However, the Group is cautiously optimistic that the inflow of expatriate families and student enrolment will continue to improve alongside Singapore's policies to attract foreign investments, talent and create new jobs in Singapore.

# SUSTAINABILITY HIGHLIGHTS

### **GOVERNANCE FOR SUSTAINABILITY**

The Group's sustainability governance structure, established in 2022, continues to support the Board in embedding sustainability into the organisation's strategic framework. This structure facilitates the delegation of sustainability initiatives to the management team, fostering a collaborative and integrated approach to sustainability. Clearly defined roles and responsibilities provide a structured framework to guide sustainability efforts, as depicted in Figure below. This governance structure remains instrumental in driving effective planning, execution, and reporting of sustainability initiatives across the organisation.

The Board is supported by the Audit Committee in assessing climate risks, the Remuneration Committee in linking remuneration to sustainability strategy, and the Nominating Committee in appointing the Sustainability Team Lead. Our CEO has an overall accountability for sustainability performance, while our CFO leads the Sustainability Team in the delivery of key sustainability performance matters. The Sustainability Work Teams are responsible for the execution of our sustainability initiatives.

### **Tackling Climate Change**

Building on last year's stakeholder engagement survey, we expanded our assessment of climate risks and conducted a qualitative scenario analysis using two Shared Socioeconomic Pathways (SSP) scenarios: SSP1 and SSP5. These scenarios align with IPCC guidelines, ensuring a comprehensive evaluation of both societal choices and emissions trajectories in shaping climate risks.

As a people-centric organisation, the Group is vulnerable to the physical risks of climate change. The intensifying climate threats will increasingly impact school operations, affecting student and staff onboarding, escalating operational costs, and posing reputational risks. To enhance resilience, we recognise the need to move beyond immediate challenges and implement proactive risk mitigation strategies. Our commitment remains steadfast in reducing GHG emissions and strengthening disaster preparedness, ensuring long-term sustainability and competitiveness in an evolving climate landscape.

#### **Material ESG Topics in FY2024**

Material topics refer to the environmental, social, and governance (ESG) issues that have a significant impact on an organisation's business performance, stakeholders, and sustainability strategy. These topics are identified through a material assessment, considering factors such as regulatory requirements, stakeholder concerns, industry trends, and long-term business risks and opportunities. This year we engaged our external stakeholders via online survey to understand their ESG priorities. The internal stakeholder survey results from 2023 were incorporated into the overall materiality assessment and also embarked into identifying the SASB (Sustainability Accounting Standards Board) topics to support our transitions towards IFRS in the coming year. The top 12 ESG topics for FY2024 are as follows:

### 1. Quality education & gainful employment

- 2. Anti-corruption
- 3. Data security & Security Practices
- 4. Training and Education
- 5. Occupational Health and Safety
- 6. Employment

- 7. Diversity and Equal Opportunity
- 8. Energy & Emissions
- 9. Waste
- 10. Water and Effluents
- 11. Marketing & Recruiting practices
- 12. Economic Performance

#### Health, Safety and Security

The health, safety, and security of our community remain a top priority. We maintain a comprehensive regime covering security, health, food hygiene, and safety. The OFS Security Department, supported by a third party security solutions provider, ensures campus safety, while the IT Department upholds cybersecurity and data protection.

Our in-house clinic, with a retainer doctor and full-time nurses, provides prompt medical care. We enforce a robust fire and emergency management system, a strict Safeguarding Policy, and a zero-tolerance stance on violence to protect our students and staff.

### **Environmental Performance**

	FY2024 Performance
Total Electricity Consumption	4,860,515.42 kWh
Total Energy Consumption	18,009.32 GJ
Total Scope 1 & 2 GHG Emissions(Market-based)	1,672 tCO <sub>2</sub> e
Total Water Withdrawal	29,345 m³
Total Waste Generated	60,610kg

Our overall resource consumption and waste generation saw gradual increases in FY2024 compared to FY2023. However, our purchase and retirement of RECs (Renewable Energy Certificates) have brought down energy emissions. OFS continues to explore green energy and resource efficiency options.

# SUSTAINABILITY HIGHLIGHTS

#### **Engagement with Community**

In 2024, OFS continued our ongoing community services including Beach Clean-ups, Riding for the Disabled (RDA) and Movement for the Intellectually Disabled (MINDS). Driven by social responsibility, our students advocated endangered animals through Conservation Club, repurposed plastic bottles into furniture through Eco-Bricks Club, explored areas for improvements to align with UN SDGs, promoted gender equality through Girl Up Club, and volunteered to collect food for Food from the Heart. More community services are reported in our Sustainability Report for FY2024.

Details of our management, performance and targets for the top 12 material topics are available in our Sustainability Report for FY2024.

## CORPORATE GOVERNANCE REPORT

The Board of Directors (the **"Board**") and management of Overseas Education Limited (the **"Company**") and its subsidiaries (collectively referred to as the **"Group**") place great importance in a high standard of corporate conduct to uphold good corporate governance. This commitment and continuous support of the Code of Corporate Governance 2018 (the **"Code**") and accompanying Practice Guidance can be seen from the Board's and management's efforts to promote and maintain values which emphasise transparency, accountability, integrity and proper conduct at all times in the business operations and dealings of the Company so as to create value for its stakeholders and safeguard the Group's assets.

This report describes the practices the Company has undertaken with respect to each of the principles and guidelines and the extent of its compliance with the Code and should be read as a whole, instead of being read separately under the different principles of the Code. The Company has complied in all material aspects with the principles and guidelines set out in the Code and where there are deviations from the Code, the reasons for the deviations are explained accordingly in this report.

### **BOARD MATTERS**

### THE BOARD'S CONDUCT OF ITS AFFAIRS

Principle 1: The Company is headed by an effective Board which is collectively responsible and works with management for the long-term success of the Company.

### Role of the Board

As of the date of this report, the Company is headed by an effective Board comprising six (6) directors of whom two (2) are executive directors, two (2) are non-executive non-independent directors, and two (2) are independent directors. Their combined wealth and diversity of skills, experience, gender and knowledge of the Group enables them to contribute effectively to the strategic growth and governance of the Group. The Board assumes responsibility for stewardship of the Group and is primarily responsible for the protection and enhancement of long-term value and returns for shareholders. The Board supervises the management of the business and affairs of the Group, provides corporate direction, monitors managerial performance and reviews financial results of the Group.

The principal functions of the Board, apart from its statutory responsibilities, include:

- Providing entrepreneurial leadership and setting the overall strategy and direction of the Group, taking into account environmental and social factors as part of its strategic formulation;
- Overseeing the management of the Group's business affairs, financial controls, performance and resource allocation;
- Monitoring and reviewing the performance of the management team;
- Approving the Group's strategic plans, key business initiatives, acquisition and disposal of assets, significant investments and funding decisions and major corporate policies;
- Establishing a framework of prudent and effective controls and overseeing the processes of risk management, financial reporting and compliance, evaluating the adequacy of internal controls and safeguarding the shareholders' interests and the Group's assets;
- Approving the release of the Group's half and full-year financial results, related party transactions of material
  nature and submission of the relevant checklists to the Singapore Exchange Securities Trading Limited ("SGX-ST");
- Appointing directors and key management personnel, including the review of their performance and remuneration packages and succession planning as an on-going process;

# CORPORATE GOVERNANCE REPORT

- Reviewing and endorsing corporate policies in keeping with good corporate governance and business practices;
- · Identifying the key stakeholder groups and recognising that their perceptions affect the Company's reputation; and
- Setting the Group's values and standards (including ethical standards), and ensuring that obligations to shareholders and other stakeholders are understood and met.

All directors objectively discharge their duties and responsibilities at all times as fiduciaries in the interests of the Company and hold management accountable for performance. The Board also sets the tone for the Group in respect of ethics, values and desired organisation culture, and ensures proper accountability within the Group. Directors must avoid situations in which their own personal or business interest directly or indirectly conflict or potentially conflict with the interest of the Group. Where a director has a conflict or potential conflict of interest in relation to any matter, he/she will immediately declare his/her interest to all directors and send a written notice to the Chairman and/or Company Secretary, setting out the details of his/her interest and the conflict; and will recuse himself/herself from any discussion on the matter and abstain from participating in any Board decision.

#### **Board Processes**

To ensure that specific issues are subject to consideration and review before the Board makes its decisions, the Board has established three (3) Board committees, namely, the Audit Committee ("**AC**"), Nominating Committee ("**NC**") and Remuneration Committee ("**RC**") (collectively "**Board Committees**"), responsible for making recommendations to the Board. These Board Committees operate within clearly defined terms of reference and play an important role in ensuring good corporate governance in the Company and within the Group. The terms of reference of the Board Committees are reviewed by the Board Committees on a regular basis to ensure their continued relevance and to enhance the effectiveness of these Board Committees. The roles and responsibilities of these Board Committees are provided for in the latter sections of this report on Corporate Governance.

The Company has since its official listing on the SGX-ST on 7 February 2013, held its Board meetings on a quarterly basis. The Company announces the unaudited financial statements of the Company and of the Group on a half-yearly basis as required under the Listing Rules. For the reporting financial year ended 31 December 2024 ("**FY2024**"), the Board held a total of four (4) meetings. The minutes of all Board and Board Committees meetings, which provide a fair and accurate record of the discussion and key deliberations and decisions taken during the meetings, are circulated to the Board and Board Committees. The Board is free to seek clarification and information from the management on all matters within their purview. Ad-hoc meetings are convened at such other times as may be necessary to address any specific significant matters that may arise. The Board also approves important matters pertaining to the Group through written resolutions, which are circulated to the Board together with all relevant information relating to the proposed matters. The Company's Constitution (the "**Constitution**") provides for the meetings of the directors to be held by means of telephonic conference or other methods of simultaneous communication be it electronic or telegraphic means when necessary.

The agenda for meetings is prepared in consultation with the Chairman, the Executive Directors and/or the chairman of the Board committees. The agenda and documents are circulated in advance of the scheduled meetings.

The frequency of meetings and the attendance of each director at every Board and Board Committee meeting for FY2024 are disclosed in the table reflected below:

#### Notes:

(1) Re-designated as Non-Executive Chairman and Non-Executive Non-Independent Director on 25 April 2024.

(2) Appointed as Independent Director on 25 April 2024.

(3) Retired as Director on 25 April 2024.

(4) Re-designated as Non-Executive Non-Independent Director on 1 July 2024.

#### \* By invitation

The directors were appointed based on their experience, stature and potential to contribute to the proper guidance of the Group and its businesses.

### **Director Orientation and Training**

The Company conducts briefing and orientation programs for new directors to familiarise themselves with the Group's structure and organisation, businesses and governance policies. Briefings or discussions will be conducted by the Chairman, Chief Executive Officer ("**CEO**") and/or senior management on the key aspects of the business activities of the Group and its strategic direction, as well as their duties and responsibilities as directors. The aim of the orientation program is to give directors a better understanding of the Group's business which allow them to assimilate into their new roles. New directors are also informed about matters such as the Code of Dealing in the Company's securities.

Directors and key management personnel are encouraged to attend relevant training programmes, courses, conferences and seminars on new laws, regulations and updates on commercial areas conducted by relevant professional organisations from time to time. Changes to regulations and accounting standards are monitored closely by the management. In order to keep pace with such regulatory changes, the Company provides opportunities for ongoing training on Board processes and best practices as well as any updates on changes in legislation and financial reporting standards, regulations and guidelines from the SGX-ST that affect the Company and/or the directors in discharging their duties effectively.

The Board as a whole is updated regularly on risk management, corporate governance, insider trading and key changes to the relevant regulatory requirements and financial standards, so as to enable them to properly discharge their duties as Board or Board Committee members.

# CORPORATE GOVERNANCE REPORT

New releases issued by the SGX-ST and Accounting and Corporate Regulatory Authority ("**ACRA**"), which are relevant to the directors are circulated to the Board. The Company Secretary also informs the directors of upcoming conferences and seminars relevant to their roles as directors of the Company as well as key amendments and their impact on the Code and Listing Manual of the SGX-ST. The external auditors would update the AC and the Board on new and revised financial reporting standards that are applicable to the Company or the Group annually.

### **Matters Requiring Board Approval**

The authority for approval of, inter alia, the following transactions rest with the Board:

- Approval of half and full year results announcements for release to the SGX-ST;
- Approval of annual reports and audited financial statements;
- Convening of shareholders' meetings;
- Approval of corporate strategies;
- Approval of material acquisitions and disposal of assets;
- · Approval of major investment and funding decisions;
- Issuance of shares or declaration of dividends; and
- Approval of announcements or press releases concerning the Group for release to the SGX-ST.

While matters relating in particular to the Company's objectives, strategies and policies require the Board's direction and approval, the management is responsible for the day-to-day operation and administration of the Company and of the Group in accordance with the objectives, strategies and policies set by the Board.

### Access to Information

To assist the Board to fulfil its responsibilities, the management provides the directors with management reports which contain complete, adequate and timely information on Board affairs and issues that require the Board's decision as well as ongoing reports relating to the operational and financial performance of the Group. For matters that require the Board's decision, relevant members of the management staff are invited to attend and present at a specific allocated time during the Board and Board Committee meetings. Periodic financial reports, budgets, forecasts, material variance reports and disclosure documents are also provided to the directors, where appropriate, prior to the Board and Board Committee meetings. In respect of budgets, any material variance between the projections and actual results are disclosed and explained during the meetings. Directors are also informed of any significant developments or events relating to the Group. In addition, the directors are entitled to request from the management such additional information as needed to make informed decisions. The management ensures that any additional information requested is provided to the directors in a timely manner.

The directors have separate and independent access to the key management personnel at all times and there is no restriction of access to the key management personnel in carrying out their duties. Where necessary, the Company will, upon the request of directors (whether as a group or individually), provide them with independent professional advice, to enable them to discharge their duties and responsibilities effectively. The costs of such professional advice will be borne by the Company.

The directors have separate and independent access to the Company Secretaries, who provide the directors with regular updates on the requirements of the Companies Act and all the rules and regulations of the SGX-ST. The Company

Secretaries or their representatives attend all Board and Board Committee meetings, and assist the Chairman of the Board and Board Committees in ensuring that the relevant procedures are followed and reviewed such that the Board and Board Committees function effectively. The role of the Company Secretary has been formally established in a letter of engagement with the Company. The responsibilities include advising the Board on governance matters and assisting the Chairman to ensure information flow within the Board, Board Committees and between the management and directors. The decision to appoint or remove the Company Secretary is made by the Board as a whole.

### **BOARD COMPOSITION AND GUIDANCE**

### Principle 2: The Board has an appropriate level of independence and diversity of thought and background in its composition to enable it to make decisions in the best interests of the Company.

#### **Board Composition**

As of the date of this report, the Board consists of six (6) members comprising the Non-Executive Chairman and Non-Executive Non-Independent Director, two (2) Executive Directors with one (1) of them also being the Chief Executive Officer, one (1) Non-Executive Non-Independent Director and two (2) Independent Directors:

#### **Executive Directors**

Wong Lok Hiong (Chief Executive Officer and Executive Director) Ho Hie Wu (Chief Financial Officer and Executive Director)

### **Non-Executive Directors**

Tan Teng Muan (Non-Executive Chairman and Non-Executive Non-Independent Director) Jong Voon Hoo (Lead Independent Director) Associate Professor Leong Ching Ching (Independent Director) David Peter Walker (Non-Executive Non-Independent Director)

#### **Board Independence**

The Board has adopted the Code's criteria of an independent director in its review that all independent directors have satisfied the criteria of independence. The current Board composition also complies with Provisions 2.2 and 2.3 of the Code where the independent and non-executive directors make up a majority of the Board.

The independence of each director is reviewed annually by the NC in accordance with the Code's definition of independence. Each independent director is required to complete a 'Confirmation of Independence' form to confirm his/her independence. The form, which was drawn up based on the definitions and guidelines set forth in Provision 2.1 of the Code and the Nominating Committee Guide issued by the Singapore Institute of Directors, requires each director to assess whether he/she considers himself/herself independent despite not having any of the relationships defined in the Code.

# CORPORATE GOVERNANCE REPORT

The NC had conducted a review on the independence of all the independent directors. On 11 January 2023, the SGX-ST amended the Listing Rules to prescribe a nine-year tenure limit for independent directors. Rule 210(5)(d)(iv) of the Listing Rules states that a director will not be independent if he has been a director of the issuer for an aggregate period of more than nine (9) years (whether before or after listing). Such director may continue to be considered independent until the conclusion of the next annual general meeting of the issuer. Rule 210(5)(d)(iv) takes effect for an issuer's annual general meeting for the financial year ending on or after 31 December 2023. As at the date of this Report, none of the independent directors have served for an aggregate period of more than nine (9) years. The Board, having considered the recommendation of the NC, has recommended the appointment of Ang Tsu En Evelyn and Choo Chih Chien Benjamin as independent directors at the forthcoming AGM. Subject to shareholders' approval, Ang Tsu En Evelyn and Choo Chih Chien Benjamin would be appointed as independent directors of the Company. Further details of Ang Tsu En Evelyn and Choo Chih Chien Benjamin may be found on pages 63 to 68 of this Annual Report.

Each member of the NC had abstained from the discussions on the review of their independence and abstained from voting on any resolution in relation to their independence.

### **Board Size**

The size and composition of the Board are reviewed from time to time by the NC with a view to determine the impact of its number upon effectiveness. The NC decides on what it considers an appropriate size, taking into account the scope and nature of the Group's operations, the requirements of the business and the need to avoid undue disruptions from changes to the composition of the Board and Board Committees. The composition of the Board is reviewed at least annually by the NC to ensure that there is an appropriate mix of expertise and experience, qualifications, gender and age to enable the management to benefit from a diverse perspective of issues that are brought before the Board. The Board in concurrence with the NC, was of the view that the current number of six (6) directors and the composition are appropriate and effective. Nonetheless, in order to strengthen the independence element of the Board, the NC is recommending the appoinment of two additional independent directors at the forthcoming AGM. No individual or small group of individuals dominate the Board's decision-making.

### **Regular Meetings for Independent Directors**

Although all the directors have an equal responsibility for the Group's operations, the independent directors play an important role (i) in ensuring that the strategies proposed by the management are constructively challenged and developed by taking into account the long-term interests of the shareholders and (ii) in reviewing the performance of management in meeting agreed goals and objectives, and monitoring the performance reporting. The independent directors meet at least once a year, or periodically as appropriate without the presence of management and Executive Directors in order to facilitate a more effective check on management and provide feedback to the Chairman of the Board.

#### **Board Diversity**

With the introduction of Rule 710A of the Listing Rules effective from 1 January 2022, the Board has formulated and implemented a board diversity policy (the "**Board Diversity Policy**") that addresses gender, skills and experience and other relevant aspects of diversity.

Under the Board Diversity Policy, the Board considers whether there is an appropriate mix of members taking into account factors including but not limited to appropriate balance and mix of gender, relevant skills, experience and core competencies including accounting / finance, legal / corporate governance / sustainability, investment, risk management, business and management experience, and relevant industry knowledge to foster constructive debate. In reviewing the appointments of new directors, the Board together with the NC ensures that it sets relevant objectives to promote and achieve diversity on the Board, and that appointments are based on merit and after due consideration of the collective skills needed to strengthen the overall board governance role.
The Board composition reflects the Company's commitment to Board diversity in terms of gender, skills and experience. The table below sets out the Company's diversity targets, timelines for achieving the targets as well as its progress towards achieving the targets:

Target	Progress and plans towards	achieving target
<b>Gender Representation</b> To enhance gender diversity by having at least two female directors	The previous target of appointing at least one additional female director has been met as at the date of the previous AGM of the Company by the appointment of Associate Professor Leong Ching Ching. At the forthcoming general meeting, Ang Tsu B Evelyn is being nominated as an independent director	
<b>Skills and Experience</b> To ensure skillset of directors on the Board with	Currently the proportion of identified core competencie

	<ul> <li>Choo Chih Chien Benjamin is a Director at Genesis Law Corporation and his practice areas include mergers and acquisitions, joint ventures, fintech and advising listed companies on securities regulations.</li> </ul>
	When identifying new director(s) for appointment to the Board, the Company strives to ensure that candidates who have the relevant skills, expertise and/or experience in the above mentioned core competencies are included for consideration by the NC.
<b>Board Independence</b> To have a board with majority independent director representation within the next 2 years	Currently, independent directors do not form the majority of the Board. However, should the proposed appointment of the two (2) independent directors be approved at the forthcoming AGM, independent directors will make up the majority of the Board and the Company will meet this target.

Each director and proposed director has been appointed and nominated respectively based on his/her relevant experience and competencies, and collectively the Board provides diversity of expertise and knowledge in areas such as accounting, finance, investment, risk management, legal and business management. This diversity facilitates constructive debate on the business activities of the Company and enables the management to benefit from a diverse and objective set of perspectives on issues that are brought before the Board. The Board, in concurrence of the NC, was of the view that the directors possess the necessary competencies to provide the management with a diverse and objective perspective on issues so as to lead, govern and contribute to the Company effectively.

The profiles of the Board are set out on pages 6 and 7 of the Annual Report.

To-date, none of the independent directors of the Company has been appointed as director of the Company's principal subsidiary, which is based in Singapore.

#### CHAIRMAN AND CHIEF EXECUTIVE OFFICER

### Principle 3: There is a clear division of responsibilities between the leadership of the Board and management, and no one individual has unfettered powers of decision-making.

For FY2024, the role of CEO was assumed by Wong Lok Hiong, Executive Director of the Company, who is the cofounder and the Chief Executive of Overseas Family School Limited, a wholly owned subsidiary of the Company, and the role of the Chairman was assumed by Tan Teng Muan, as the Non-Executive Chairman and Non-Executive Non-Independent Director of the Company. In line with Provision 3.1 of the Code, the CEO and the Chairman are separate persons to ensure an appropriate balance of power, increased accountability, and greater capacity of the Board for independent decision making. There is a clear division of responsibilities between the Chairman and the CEO, who are also not related to each other.

As the CEO, Wong Lok Hiong is responsible for the day-to-day business operations of the Group. She plays an instrumental role in charting the direction and strategic development of the Group and formulates business strategies, policies, budget and business development of the Group and promoting high standards of corporate governance.

As Chairman, Tan Teng Muan leads the Board and is responsible for the effective working of the Board including:

- Scheduling of meetings (with the assistance of the Company Secretary) to enable the Board to perform its duties while not interfering with the flow of the Group's operations;
- Setting the meeting agenda of the Board;
- Ensuring that Board meetings are held when necessary;
- Facilitating contributions from the independent directors and encouraging constructive relationships between the directors;
- Exercising control over the quality, quantity and timeliness of information flow between the management and the Board;
- Ensuring and fostering constructive and effective communication with shareholders;
- Promoting a culture of openness and debate at the Board; and
- Promoting high standards of corporate governance with full support from the directors and management.

The Board is of the opinion that the process of decision making by the Board has a strong independent element and provides for collective decisions without any individual or small group of individuals dominating the Board's decision making.

#### Lead Independent Director

In maintaining good corporate governance, Jong Voon Hoo, the Lead Independent Director of the Company, leads and coordinates the activities of the independent directors and facilitates a two-way flow of information between shareholders, the Chairman and the Board. Hence, he contributes to a balance of viewpoints on the Board. He is the principal liaison on Board issues between the independent directors and the Chairman of the Board. The Lead Independent Director is available to shareholders where they have concerns and for which contact through the normal channels of the CEO, Executive Directors or Chief Financial Officer ("CFO") has failed to resolve or for which such contact is inappropriate.

Where appropriate, the Lead Independent Director meets with the other independent directors without the presence of the Executive Directors and provides feedback to the Chairman.

#### **BOARD MEMBERSHIP**

Principle 4: The Board has a formal and transparent process for the appointment and re-appointment of directors, taking into account the need for progressive renewal of the Board.

#### **Nominating Committee Composition**

As of the date of this report, the Board established the NC which consists of four (4) directors, of which two (2) are independent, following reconstitution of the NC and re-designation of two (2) directors as non-executive non-independent directors during the year. The NC is chaired by the Lead Independent Director, Jong Voon Hoo. The other NC members are Tan Teng Muan, Associate Professor Leong Ching Ching and David Peter Walker. The NC Chairman is also a director who has no relationship with the Company, its related corporations, its 5% shareholders or partners or its officers, and is not directly associated with 5% shareholders. In order for the NC to comprise a majority of independent directors in compliance with the Code, the Company has proposed the appointment of two (2) new independent directors at the forthcoming AGM, who will be considered for membership in the respective committees should their appointments be approved at the AGM.

#### **Nominating Committee Role**

#### The NC is regulated by its terms of reference and its key functions include:

- Nomination and re-nomination of the directors of the Company having regard to their contribution, performance
  and ability to commit sufficient time and attention to the affairs of the Group, taking into account their respective
  commitments outside the Group;
- · Determining annually whether a director is independent;
- Deciding whether a director is able to and has been adequately carrying out his/her duties as a director; notwithstanding that the director has multiple board representations;
- Reviewing of board succession plans for directors, in particular, the Chairman, the CEO and key management personnel;
- Development of a process and criteria for evaluation of the performance of the Board, Board Committees and directors;
- · Reviewing of training and professional development programmes for the Board;
- Reviewing and approval of new employment of persons related to the directors, CEO and controlling shareholders and the proposed terms of their employment; and
- Appointment and re-appointment of directors (including alternate directors, if applicable).

The NC held two (2) meetings for the reporting financial year. Pursuant to the Constitution of the Company, one-third of the directors of the Company shall retire from office by rotation, with each director retiring at least once every three (3) years. Directors who retire are eligible to stand for re-election.

#### **Director Appointment and Re-appointment**

The Board has delegated to the NC the functions of developing and maintaining a transparent and formal process for the appointment and re-appointment of directors, making recommendations for directors who are due for retirement by rotation and seeking re-election at a general meeting and determining the independent status of each director.

The Company has in place, policies and procedures for the appointment of new directors, including the description on the search and nomination procedures. Each member of the NC shall abstain from voting on any resolutions and making recommendations and/or participating in any deliberations of the NC in respect of his/her re-nomination as a director.

Despite some of the directors having multiple board representations, the NC has reviewed the directorships of the directors and is satisfied that these directors are able to, and have adequately carried out their duties as directors of the Company after taking into consideration the number of listed company board representations and other principal commitments of these directors. Currently, the Board does not determine the maximum number of listed board representations any director may hold. The NC and the Board will review the requirement to determine the maximum number of listed board representations as and when it deems fit. Currently, the Company does not have any alternate director.

Subject to shareholders' approval at the AGM, the Board, having considered the recommendation of the NC, has approved the nominations of Ang Tsu En Evelyn and Choo Chih Chien Benjamin as independent directors. Details of the proposed new directors seeking appointment are found in Table B set out on page 63 to page 68 of this Annual Report.

Where a vacancy arises, the NC will consider each candidate based on the selection criteria determined after consultation with the Board and after taking into consideration the qualification, experience, ability to contribute effectively to the Board and to add value to the Group's business, in line with its strategic objectives before recommending the suitable candidate to the Board for approval.

Candidates may be suggested by directors or the management or sourced from external sources. The NC will interview the candidates and assess them based on objective criteria approved by the Board such as integrity, independent mindedness, possession of the relevant skills required or skills needed to complement the existing Board members, ability to commit the time and effort to carry out his/her responsibilities, good decision making track record, relevant experience and financial literacy. The NC will make a recommendation to the Board on the appointment and the Board appoints the most suitable candidate who must stand for re-election at the next AGM of shareholders.

Particulars of interests of directors who held office at the end of the financial year in shares and share options in the Company and in related corporations (other than wholly-owned subsidiaries) are set out in the Directors' Statement.

Regulation 96 of the Constitution requires one-third of the Board to retire and submit themselves for re-election by shareholders at each AGM. All directors submit themselves for re-nomination and re-election at regular intervals of at least once every three (3) years. A retiring director shall retain office until the close of the AGM at which he retires. In addition, Regulation 102 of the Constitution provides that every new director must retire and submit themselves for re-election at the next AGM of the Company following his/her appointment during the year.

The dates of initial appointment, last re-election, directorships and principal commitments of each director are set out below as at the date of this report:

Please refer to the "Board of Directors" section of the Annual Report for detailed information relating to the directors.

#### **BOARD PERFORMANCE**

### Principle 5: The Board undertakes a formal annual assessment of its effectiveness as a whole, and that of each of its Board Committees and individual directors.

In line with the principles of good corporate governance, the Board has implemented a structured process to be carried out by the NC to evaluate the effectiveness of the Board as a whole, its Board Committees and individual directors annually. The performance criteria for the Board evaluation includes an evaluation of the size and composition of the Board, the Board's access to information, accountability, Board processes, Board performance in relation to discharging its principal responsibilities, communication with the management and standards of conduct of the directors. This encourages constructive feedback from the Board and enhances its performance over time.

The NC had also implemented a process to be carried out by the NC to assess the effectiveness of the Board Committees annually. During the financial year under review, each director was required to complete the evaluation form adopted by the NC to assess the overall effectiveness of the Board and Board Committees. In addition, the NC has implemented an annual self-assessment exercise to be performed individually by each director to assess his/her contribution to the Board's effectiveness. The evaluation results of the Board, Board Committees and individual assessments are reviewed and discussed by the NC. Any recommendation and suggestion arising from the evaluation exercise are circulated to the Board for consideration of the appropriate measures to be taken. The criteria taken into consideration by the NC and the Chairman include contribution. Such assessments by the directors are useful and constructive, and this collective process has provided opportunities to obtain insightful feedback from each director on suggestions to enhance the effectiveness of the Board. These assessments have helped directors to be more focused on their duties, responsibilities and contributions to the effectiveness of the Board. Following the review, the Board is of the view that the Board and its Board Committees operate effectively and each director is contributing to the overall effectiveness of the Board. No external facilitator was used during the evaluation process.

Selected performance criteria will not change from year to year unless they are deemed necessary and the Board is able to justify the changes.

The NC, in considering the re-nomination of any director, had considered factors including their performance in the Board as a whole, its Board Committees and individual performance including his/her attendance, preparedness, participation and contributions in the proceedings of the meetings.

#### **REMUNERATION MATTERS**

#### PROCEDURES FOR DEVELOPING REMUNERATION POLICIES

Principle 6: The Board has a formal and transparent procedure for developing policies on director and executive remuneration, and for fixing the remuneration packages of individual directors and key management personnel. No director is involved in deciding his or her own remuneration.

#### **Remuneration Committee Composition**

The RC comprises four (4) directors, of which two (2) are independent, following reconstitution of the RC and redesignation of two (2) directors as non-executive non-independent directors during the year. The RC is chaired by an independent director, Associate Professor Leong Ching Ching. The other RC members are Jong Voon Hoo, Tan Teng Muan and David Peter Walker. In order for the RC to comprise a majority of independent directors in compliance with the Code, the Company has proposed the appointment of two (2) new independent directors at the forthcoming AGM, who will be considered for membership in the respective committees should their appointments be approved at the AGM. In discharging their duties, the RC members have access to advice from the internal human resources personnel, and if required, advice from external experts.

#### **Remuneration Committee Role**

The Group's remuneration policy is to provide remuneration packages at market rates which reward successful performance and attract, retain and motivate directors and key management personnel. The RC recommends to the Board a framework for the remuneration for the Board and key management personnel and to determine specific remuneration packages for each director based on transparency and accountability.

The RC is regulated by its terms of reference and its key functions include:

- Reviewing and recommending to the Board a framework of remuneration and specific remuneration packages, including termination terms, for all directors and executive officers of the Company;
- Reviewing the service agreements of the Executive Directors and key management personnel of the Group;
- Performing an annual review of the remuneration of employees related to directors to ensure that their remuneration packages are in line with the Group's staff remuneration guidelines and commensurate with their respective job scope and level of responsibility; and
- Reviewing and approving the bonuses, pay increases and/or promotions of employees related to directors.

The RC recommends, in consultation with the CEO, a framework of remuneration policies for key management personnel and directors serving on the Board and Board Committees, and determines specifically the remuneration package for each director of the Company. The RC's review of remuneration packages takes into consideration the long-term interest of the Group and ensures that the interest of the directors align with that of the shareholders. The review covers all aspects of remuneration including but not limited to directors' fees, salaries, allowances, bonuses and benefits-in-kind. In addition, the RC also reviews the remuneration of senior key management personnel. The RC's recommendations are submitted to the entire Board for endorsement. Each member of the RC shall abstain from voting on any resolutions and making any recommendations and/or participating in any deliberations of the RC in respect of his/her remuneration package.

In setting out the remuneration packages, the RC would take into consideration pay and employment conditions within the industry and in comparable companies. The remuneration packages should take into account the Group's relative performance and the performance of the individual directors and key management personnel.

#### **Remuneration Experts**

The RC, in considering the remuneration of all directors, has not sought external advice nor appointed remuneration consultants during the reporting financial year.

#### **Termination Clauses**

In reviewing the service agreements of the Executive Directors and key management personnel of the Group, the RC will review the Group's obligations arising in the event of termination of these service agreements, to ensure that such service agreements contain fair and reasonable termination clauses which are not overly generous. The RC aims to be fair and avoids rewarding poor performance. The RC has reviewed and recommended to the Board and the Board concurred that the termination clauses are fair and reasonable and not overly generous. There was no termination of any key management personnel during the reporting financial year.

#### LEVEL AND MIX OF REMUNERATION

Principle 7: The level and structure of remuneration of the Board and key management personnel are appropriate and proportionate to the sustained performance and value creation of the Company, taking into account the strategic objectives of the Company.

#### **Remuneration Framework**

The remuneration packages of the Executive Directors are determined based on the framework recommended by the RC where the RC reviews the length of the fixed appointment period, the notice period for termination and the terms of the compensation package in the event of the termination of any Executive Directors' service agreements to ensure that the terms of such clauses are not onerous to the Company. In setting remuneration packages, the Company takes into consideration the remuneration packages and employment conditions within the industry, the long-term interest and risk policies of the Company, as well as the Group's relative performance and the performance of each director.

#### **Non-Executive Director Remuneration**

The non-executive directors are paid directors' fees taking into account factors including but not limited to the effort, time spent and the scope of responsibilities of these directors. Independent directors should not be over-compensated to the extent that their independence may be compromised and no director is involved in deciding his/her own remuneration. The directors' fees are recommended by the RC and submitted to the Board for endorsement. Directors' fees are recommended by the Board for approval at the Company's AGM. To facilitate timely payment of directors' fees, directors' fees are paid in advance on a quarterly basis for the current financial year in which the fees are incurred.

#### **Contractual Provisions to Reclaim Incentives**

The Executive Directors do not receive directors' fees. The remuneration packages of the Executive Directors and the key management personnel comprise primarily a basic salary component and a variable component comprising other benefits and bonuses. The remuneration packages of the Executive Directors and key management personnel do not contain any financial incentive component. Therefore, the use of contractual provisions to allow the Company to reclaim incentive components of remuneration from Executive Directors and key management personnel in exceptional circumstances of misstatement of financial results or misconduct resulting in financial loss to the Company would not be applicable in these circumstances.

On 26 January 2022, a new service agreement was drawn up for Wong Lok Hiong with her re-designation as the CEO and Executive Director of the Company. The new service agreement is for an initial period of three (3) years, and is subject to review by the RC and provides for automatic renewal for a further term of three (3) years unless either party gives to the other not less than six (6) months' prior notice of that party's intention not to renew. The service agreement for Wong Lok Hiong was renewed for a further term of three (3) years.

The employment agreement with the Executive Director, Ho Hie Wu has no fixed term and is terminable by either party with three (3) months' prior notice.

#### **Long-term Incentives**

The Company currently has no employee share option schemes or other long-term incentive scheme in place, as the Company does not consider it appropriate for staff members of a school to be motivated by financial incentives, including share-based incentives.

#### **DISCLOSURE ON REMUNERATION**

Principle 8: The Company is transparent on its remuneration policies, level and mix of remuneration, the procedure for setting remuneration, and the relationships between remuneration, performance and value creation.

The level and mix of remuneration of each director and top five (5) key management personnel (who are not directors and those who were in service for FY2024) were as follows:

#### Directors

Names	Salary	Bonus	Other Benefits	Directors' Fees	Total
	(S\$)	(S\$)	(S\$)	(S\$)	(S\$)
Tan Teng Muan	-	-	-	150,000	150,000
Wong Lok Hiong	384,000	-	20,058	-	404,058
Ho Hie Wu	480,000	-	23,859	-	503,859
Jong Voon Hoo <sup>(1)</sup>	-	-	-	88,833	88,833
Leong Ching Ching <sup>(1)</sup>	-	-	-	75,167	75,167
Ho Yew Mun <sup>(2)</sup>	-	-	-	38,000	38,000
Leow Wee Kia Clement <sup>(2)</sup>	-	-	-	38,000	38,000
David Peter Walker	-	-	-	100,000	100,000

#### Notes:

(1) Appointed as Independent Director on 25 April 2024.

(2) Retired as Director on 25 April 2024.

#### **Top 5 Key Management Personnel**

Names	Salary	Bonus	Other Benefits	Total
	(%)	(%)	(%)	(%)
S\$200,000 to S\$400,000				
Jason Lee Chwee Soon	93.8	-	6.2	100.0
Erny Rusly	91.0	-	9.0	100.0
Joyce Chee Jingying	95.6	-	4.4	100.0
Vanessa McConville	74.6	-	25.4	100.0
Adam Ashton	95.5	-	4.5	100.0

The aggregate total remuneration paid to top five (5) key management personnel (who are not directors or the CEO) for FY2024 was S\$1,604,249.

#### Remuneration of Employee Related to Director, CEO or Substantial Shareholder

Remuneration of an employee who is an immediate family member of a director or the CEO or substantial shareholder, and whose remuneration exceeds \$\$100,000 for FY2024, is as follows:

Name	Salary	Bonus	Other Benefits	Total
	(%)	(%)	(%)	(%)
S\$250,000 to S\$350,000				
Joyce Chee Jingying (Daughter of CEO and Executive Director, Wong Lok Hiong)	95.6	-	4.4	100.0

Save as disclosed above, no other employee whose remuneration exceeded S\$100,000 during the year is an immediate family member of any of the members of the Board, the CEO or a substantial shareholder of the Company.

The basis of determining the remuneration of this related employee is the same as the basis of determining the remuneration of other unrelated employees.

Shareholders' approval will be sought at the forthcoming AGM of the Company on 24 April 2025 for the payment of directors' fees proposed to be paid quarterly in advance for the financial year ending 31 December 2025 amounting to an aggregate of S\$595,000.

No termination, retirement and post-employment or other long-term incentives have been granted to the directors or key management personnel during FY2024.

The RC and the Board have considered and are of the view that the Group's remuneration packages are appropriate and fair.

#### **ACCOUNTABILITY AND AUDIT**

#### **RISK MANAGEMENT AND INTERNAL CONTROLS**

Principle 9: The Board is responsible for the governance of risk and ensures that management maintains a sound system of risk management and internal controls, to safeguard the interests of the Company and its shareholders.

#### **Risk Governance**

The Board recognises the importance of sound internal controls and risk management practices to good corporate governance. The Board affirms its overall responsibility for the Group's systems of internal controls and risk management, and for reviewing the adequacy and effectiveness of those systems on an annual basis. The internal control and risk management functions are performed by the Group's key management personnel and reported to the AC for review.

It should be noted, in the opinion of the Board, that such system is designed to manage rather than to eliminate the risk of failure to achieve business objectives, and that it can provide only reasonable, and not absolute, assurance against material misstatement of loss, and include the safeguarding of assets, the maintenance of proper accounting records, the reliability of financial information, compliance with appropriate legislation, regulation and best practice, and the identification and containment of business risk. The Board notes all internal control systems contain inherent limitations and no system of internal controls could provide absolute assurance against the occurrence of material errors, poor judgment in decision-making, human error losses, fraud or other irregularities.

#### **Annual Review**

The Group appointed Messrs Deloitte and Touche Enterprise Risk Services Pte Ltd ("**Deloitte and Touche**") as the independent internal auditors of the Group to review the effectiveness of the Group's internal controls taking into consideration the size and complexity of the Group's operations. Relying on the reports from the independent internal auditors, management letter issued by the external auditors (to the extent as required by them to form an audit opinion on the statutory financial statements) and the representation letters from the management, the AC will carry out assessments of the effectiveness of key internal controls during the year. Any material non-compliance or weaknesses in internal controls or recommendations from the independent internal auditors and external auditors to further improve the internal controls will be reported to the AC. The AC will follow up on the actions taken by the management and on the recommendations made by both the independent internal auditors and external auditors.

- (a) For FY2024, the Board has received assurances on a half yearly basis from the CEO and the CFO of the Company that the financial records have been properly maintained and the financial statements give a true and fair view of the Group's operations and finances. The Board has taken steps to ensure compliance with legislative and regulatory requirements. In line with the Listing Rules, the Board provides a negative assurance statement to the shareholders in respect of the interim financial statements.
- (b) The CEO and the key management personnel have given assurance to the Board that the Group's risk management and internal control systems in addressing financial, operational, compliance and information technology controls and risk management systems are adequate and operating effectively.

All the directors and executive officers of the Company have signed undertaking letters pursuant to Rule 720(1) of the Listing Manual of the SGX-ST.

#### **Board's Conclusion**

Based on the various management controls put in place, work performed by the internal and external auditors, representation letter from the management and periodic reviews by the management, the Board with the concurrence of the AC is of the opinion that the Group's system of internal controls and risk management procedures in addressing financial, operational, compliance and information technology controls, and risk management systems maintained by the Group during the year are adequate and effective as at 31 December 2024.

#### AUDIT COMMITTEE

#### Principle 10: The Board has an Audit Committee which discharges its duties objectively.

#### **Audit Committee Composition**

The AC currently comprises of four (4) directors, of which two (2) are independent, following reconstitution of the AC and re-designation of two (2) directors as non-executive non-independent directors during the year. Jong Voon Hoo is the AC Chairman and Lead Independent Director. The other AC members are Associate Professor Leong Ching Ching, Tan Teng Muan and David Peter Walker. The Board is of the view that the members of the AC are appropriately qualified in that they have sufficient accounting or related financial management expertise and experience to discharge the AC's function. None of the AC members were previous partners or directors of the existing auditing firm within the previous two (2) years and/or hold any financial interest in the auditing firm. In order for the AC to comprise a majority of independent directors in compliance with the Code, the Company has proposed the appointment of two (2) new independent directors at the forthcoming AGM, who will be considered for membership in the respective committees should their appointments be approved at the AGM.

#### Audit Committee Role

The role of the AC is to assist the Board with discharging its responsibility to safeguard the Group's assets, maintain adequate accounting records and develop and maintain effective systems of internal control. To achieve this, the AC ensures that its members have the appropriate qualifications to provide independent, objective and effective oversight.

The AC shall meet periodically on the following matters:

- Review with the external auditors the audit plan, their management letter with the management's response, and their independence, adequacy, effectiveness and objectivity of producing the results within the scope
- Review with the external auditors the Company's year-end financial statements, raise any significant issues which have a material impact on the interim financial statements or financial updates previously announced by the Company and bring to the Board immediately, if applicable and advise the Board if changes are needed to improve the quality of future interim financial statements or financial updates;
- Review with the internal auditors the internal audit plan and their evaluation of the adequacy of the Group's internal controls and accounting system before submission of the results of such review to the Board for approval prior to the incorporation of such results in the annual report, if applicable;
- Monitor and review the implementation of the external auditors' management letters and internal auditors' recommendations with the concurrence of management in relation to the adequacy of internal controls, risk management and accounting systems addressing financial, operational, compliance and information technology controls;
- Review the assurance from the CEO and CFO on the financial statements before submission to the Board for approval, focusing in particular on changes in accounting policies and practices, major risk areas, significant adjustments resulting from the audit, the going concern statement, compliance with accounting standards as well as compliance with any stock exchange and statutory/regulatory requirements;
- Review the adequacy and effectiveness of internal controls/procedures and risk management systems, and ensure co-ordination between the external auditors and management, review the assistance given by management to the external auditors, and discuss problems and concerns, if any, arising from the interim and final audits, and any matters with the auditors;

- Review together with external auditors any suspected fraud or irregularity, or suspected infringement of any relevant laws, rules or regulations, which has or is likely to have a material impact on the Group's operating results or financial position, and management's response;
- Consider the appointment or re-appointment of the external and internal auditors, matters relating to resignation, dismissal, remuneration and terms of engagement of the auditors;
- Review transactions falling within the scope of Chapters 9 and 10 of the SGX-ST Listing Manual;
- Undertake such other reviews and projects as may be requested by the Board and report to the Board its findings from time to time on matters arising and requiring the attention of the AC;
- Undertake such other functions and duties as may be required by statute or the SGX-ST Listing Manual, and by such amendments made thereto from time to time; and
- Review the Company's procedures for whistle-blowing policy endorsed by the AC by which staff may, in confidence, raise concerns about possible improprieties in matters of financial reporting, financial control, or any other matters.

The AC has the explicit authority to investigate any matter within its terms of reference and full access to and cooperation by the management. It has the discretion to invite any director or member of the Group's management to its meetings. The AC has, within its terms of reference, the authority to obtain independent professional advice and reasonable resources at the Company's expense to enable it to discharge its functions properly.

Where, by virtue of any vacancy in the membership of the AC for any reason, the number of members is reduced to less than three (3), the Board shall, within two (2) months thereafter, appoint such number of new members to the AC.

Apart from the duties listed above, the AC shall commission and review the findings of internal investigations into matters where there is any suspected fraud or irregularity, or failure of internal controls or infringement of any Singapore law, rule or regulation which has or is likely to have a material impact on the Group's operating results and/or financial position.

The AC has reviewed all Interested Person Transactions for FY2024 and is of the opinion that Chapter 9 of the Listing Manual of the SGX-ST has been complied with.

Each member of the AC shall abstain from voting on any resolutions and making any recommendations and/or participating in any deliberations of the AC in respect of matters in which he is interested.

Annually, the AC meets with the internal and external auditors separately without the presence of the management.

#### **External Auditors**

For the financial year under review, the AC reviewed the non-audit services provided by the external auditors and was satisfied that the extent of such service will not prejudice the independence and objectivity of the external auditors.

In July 2010, the SGX-ST and ACRA launched the "Guidance to Audit Committees on Evaluation of Quality of Work performed by External Auditors" which aims to facilitate the AC in evaluating the external auditors. Accordingly, the AC had evaluated the performance of the external auditors based on the key indicators of audit quality set out in the Guidance such as performance, adequacy of resources and experience of their audit engagement partner and auditing team assigned to the Group's audit, the size and complexity of the Group.

In addition, in October 2015, with the support from SGX and the Singapore Institute of Directors, ACRA had introduced the Audit Quality Indicators ("**AQIs**") Disclosure Framework to assist the ACs in evaluating the re-appointment of external auditors. In January 2020, ACRA introduced some revisions to the Framework following a post-implementation review. The revised framework comprises seven (7) AQIs to be disclosed at the engagement and firm level. Accordingly, the AC had evaluated the external auditors based on the seven (7) AQIs at engagement and/or firm-level.

Changes to accounting standards and accounting issues which have a direct impact on the financial statements were reported to the AC, and highlighted by the external auditors in their meetings with the AC.

The Company has approved the following aggregate amount of fees paid/payable to the external auditors for FY2024:

Services	Amount
	S\$'000
Audit service	195
Non-audit service	16
Total	211

Non-audit service relates to tax compliance service.

Save for the above, the Company did not pay any other non-audit fee to the external auditors during FY2024.

The AC has undertaken a review of the services, scope, independence and objectivity of the external auditors. Messrs Ernst & Young LLP, the external auditors of the Company, has confirmed that they are a Public Accounting Firm registered with ACRA and provided a confirmation of their independence to the AC. The AC received a report from management on their evaluation of the performance and effectiveness of the work of the external auditors.

Having assessed the external auditors based on its own interactions with the external auditors, management's evaluation and on factors such as performance and quality of their audit partners and auditing team, their overall qualification and their independence status, the AC is satisfied that Rule 712(2)(a) of the Listing Manual of the SGX-ST has been complied with. In this regard, the AC recommends to the Board the nomination of Messrs Ernst & Young LLP for re-appointment as the external auditor at the forthcoming AGM.

The Company has complied with Rules 712 and 715 of the Listing Manual of the SGX-ST as all subsidiaries of the Company are audited by Messrs Ernst & Young LLP for the purposes of the consolidated financial statements of the Company and its subsidiaries.

#### **Internal Audit function**

The Company has engaged Deloitte and Touche for the internal audit function who has a direct and primary reporting line to the AC and assist the AC in overseeing and monitoring the implementation of improvements required on internal control and risk management system weaknesses. The Board recognises the importance of maintaining an internal audit function to provide an independent assurance over the soundness of the system of internal controls and risk management procedures within the Group to safeguard shareholders' investments and the Group's assets. The AC has the responsibility to review the adequacy and effectiveness of the internal audit function annually, review the internal audit programmes and ensure co-ordination between internal auditors, external auditors and management, and ensure that the internal auditors meet or exceed the standards set by nationally or internationally recognised professional bodies. The AC also reviews and approves the hiring, removal and evaluation of its outsourced internal auditors.

The internal auditors are provided with unfettered access to the Group's properties, information, records and personnel, including the AC for performing their internal audit review, and have appropriate standing within the Company.

In FY2024, the AC evaluated and recommended the re-appointment of Deloitte and Touche for the internal audit function for the balance of one (1) year of their three (3) year term based on Deloitte and Touche's objectivity, independence, experience and competency. The Board concurred with AC for the re-appointment of Deloitte and Touche as the independent internal auditors of the Group for the balance of one (1) years of their three (3) year term.

The internal auditors are guided by the Standards for Professional Practice of Internal Auditing set by The Institute of Internal Auditors. The AC reviews and evaluates the scope of work deliverables by the independent internal auditors annually and ensures that the internal audit function is adequately resourced and has appropriate standing within the Group. The AC is satisfied that (i) the internal audit function has adequate resources to perform its function effectively; (ii) the internal audit function is staffed by suitable qualified and experienced professionals with the relevant experience; and (iii) independent internal auditors have unfettered access to all of the Group's documents, records, properties and personnel, including the AC.

#### Whistle-blowing Policy

The AC in consultation with the Board initiated the implementation of a whistle-blowing policy for all employees of the Group. This policy aims to provide an avenue for employees to raise concerns and provide reassurance that they will be protected from reprisals or victimisation for raising any concerns about fraud and for whistle-blowing in good faith. The Group has designated an independent function to investigate whistleblowing reports made in good faith and ensures that the identity of the whistleblower is kept confidential and the Group is committed to ensure protection of the whistleblower against detrimental or unfair treatment.

The Board noted that no incidents in relation to whistle-blowing matters have been raised during the year by any staff to indicate possible improprieties in matters of financial reporting, financial control, or any other matters.

#### Audit Committee's Commentary on Significant Financial Reporting Matters

With the introduction of the new and revised Auditor Reporting Standards applicable to the audit of financial statements for periods ending on or after 15 December 2016, the external auditors are required to include the Key Audit Matters ("**KAM**") in the Company's Annual Report. KAM typically include significant risk areas of the financial statements most susceptible to misstatements, involving key judgements and estimates, as well as major transactions that require extensive auditing efforts.

In line with the recommendations by ACRA, Monetary Authority of Singapore and SGX, the AC can help to improve transparency and enhance the quality of corporate reporting by providing a commentary on key financial reporting matters as follows:

#### KAM – Ability to renew the land lease

The AC reviewed the KAM presented by the external auditors together with management, challenged the factors and conditions relating to the successful renewal of the land lease, and considered the disclosures in this respect. The AC concurred and agreed with the external auditors and management on their assessment and judgement on the significant matter reported by the external auditors.

#### SHAREHOLDER RIGHTS AND ENGAGEMENT

#### SHAREHOLDER RIGHTS AND CONDUCT OF GENERAL MEETINGS

Principle 11: The Company treats all shareholders fairly and equitably in order to enable them to exercise shareholders' rights and have the opportunity to communicate their views on matters affecting the Company. The Company gives shareholders a balanced and understandable assessment of its performance, position and prospects.

The Company firmly believes in high standards of transparent corporate disclosure, in line with the continuous obligations of the Company under the Listing Manual of the SGX-ST and the Companies Act. The Board's policy is that all shareholders should equally and on a timely basis be informed of all major developments that impact the Group. Half yearly and full year results are published through the SGXNet, news releases and the Company's website. All information of the Company's new initiatives are first disseminated via SGXNet followed by a news release, which are also available on the Company's website.

Where there is inadvertent disclosure made to a selected group, the Company will make the same disclosure publicly to all others as soon as practicable.

Shareholders are encouraged to attend the general meetings of shareholders to ensure a high level of accountability and to be updated on the Company's strategies and goals. Notices of general meetings are dispatched to shareholders, together with explanatory notes or a circular on items of special business (if necessary), at least 14 clear calendar days before the meeting for ordinary resolutions and/or 21 clear calendar days before the meeting for special resolutions. The Board welcomes the views of shareholders who wish to raise issues concerning the Company, either informally or formally before or during these general meetings. The Board and the Chairmen of the AC, NC and RC are normally present and available to address questions relating to the work of their respective committees at general meetings. Furthermore, the external auditors are present to assist the Board in addressing any relevant queries by the shareholders.

In usual circumstances, if any shareholder is unable to attend, he/she is allowed to appoint up to two (2) proxies to vote on his/her behalf at the meeting through proxy forms sent in advance. The Constitution does not allow corporations and members of the Company to appoint more than two (2) proxies to attend and vote at general meetings and

for other absentia voting methods such as by mail, electronic mails, fax and/or other methods due to the concern of verification and authenticating of the shareholders' identity. A Relevant Intermediary<sup>1</sup> may appoint more than 2 proxies, but each proxy must be appointed to exercise the rights attached to a different share or shares held by him/ her (which number and class of shares shall be specified). An investor who holds shares under the Central Provident Fund Investment Scheme ("**CPF Investor**") and/or the Supplementary Retirement Scheme ("**SRS Investor**") (as may be applicable) may attend and cast his/her vote(s) at the meeting in person. CPF and SRS Investors who are unable to attend the meeting but would like to vote, may inform their CPF and/or SRS Approved Nominees to appoint the Chairman of the meeting to act as their proxy, in which case, the CPF and SRS Investors shall be precluded from attending the meeting.

The Board also notes that there should be separate resolutions on each substantially separate issue that may be tabled at the general meeting. Detailed information on each resolution in the AGM agenda is in the explanatory notes to the Notice of AGM in the Annual Report.

To promote greater transparency and effective participation, the Company has conducted the voting of all its resolutions by electronic polling at all its AGMs since 2015. An independent external consultant is also appointed as scrutineer for the electronic poll voting process. The outcome of the AGM, including the total numbers and percentage of votes cast for, or against, or to abstain from voting each resolution tabled, are announced immediately at the AGMs and via SGXNet on the same day after the AGMs.

The Company prepares minutes of general meetings incorporating the substantial and relevant comments or queries from shareholders that are relevant to the agenda of the meeting and responses from the Board and the management. Such minutes will be published on SGXNet and the Company's website as soon as practicable.

The Company's policy is to pay dividends of at least 50.0% of its net profit after tax to shareholders for each financial year. The dividend policy may be subject to modification in the sole and absolute discretion of the Board. In compliance with Rule 704(24) of the Listing Rules of the SGX-ST, in the event that the Board decides not to declare or recommend a dividend, the Company is mindful to disclose the reason(s) for the decision together with the announcement of the financial statements.

<sup>&</sup>lt;sup>[1]</sup>A Relevant Intermediary is:

a) a banking corporation licensed under the Banking Act 1970 or a wholly-owned subsidiary of such a banking corporation, whose business includes the provision of nominee services and who holds shares in that capacity; or

b) a person holding a capital markets services licence to provide custodial services for securities under the Securities and Futures Act 2001 and who holds shares in that capacity; or

c) the Central Provident Fund Board established by the Central Provident Fund Act 1953, in respect of shares purchased under the subsidiary legislation made under that Act providing for the making of investments from the contributions and interest standing to the credit of members of the Central Provident Fund, if the Board holds those shares in the capacity of an intermediary pursuant to or in accordance with that subsidiary legislation.

#### **ENGAGEMENT WITH SHAREHOLDERS**

Principle 12: The Company communicates regularly with its shareholders and facilitates the participation of shareholders during general meetings and other dialogues to allow shareholders to communicate their views on various matters affecting the Company.

The Company recognises the importance of actively engaging with stakeholders to promote effective and fair communication.

Although the Company has not adopted a formal investor relations policy to regularly convey pertinent information to the shareholders, the Board acknowledges its obligation to furnish timely information to shareholders and ensures that full disclosure of material information is made in its Annual Report to comply with statutory requirements and the Listing Manual of the SGX-ST. The Company does not practice selective disclosure. Price sensitive information is first publicly released through SGXNet, before the Company meets with any investors or analysts. The AGM is held within four (4) months after the end of the financial year. All shareholders of the Company will receive the Annual Report with the Notice of AGM by post. The Notice of AGM will also be published in a newspaper. Shareholders of the Company may also download the Annual Report with the Notice of AGM from the Company's website at <u>https://oel.listedcompany.com.</u> Together with the Annual Report, the Company also attaches a copy of the proxy form to shareholders in order that shareholders can appoint proxy(ies) to cast votes on their behalf by completing the proxy form attached to the Notice of AGM.

The Company announces the unaudited financial statements of the Company and of the Group on a half-yearly basis as required under the Listing Rules, and will continue to keep shareholders updated as and when appropriate, should there be any material developments (financial or otherwise) relating to the Company and the Group, to provide a better understanding of the Company's performance in the context of the current business environment.

To keep all shareholders of the Company updated on the latest announcements, press releases, and share details of the Company, shareholders have 24-hour access to the Company's website (<u>https://oel.listedcompany.com</u>). In addition, automated email alert services on the latest announcements and press releases broadcasted to SGXNet by the Company can be subscribed to by shareholders through the Company's website. Shareholders can also post their enquiries to the Company via email at <u>ir@ofs.edu.sg</u>.

#### MANAGING STAKEHOLDER RELATIONSHIPS

#### **ENGAGEMENT WITH STAKEHOLDERS**

# Principle 13: The Board adopts an inclusive approach by considering and balancing the needs and interests of material stakeholders, as part of its overall responsibility to ensure that the best interests of the Company are served.

The Company recognises the vitalness of stakeholders' engagement for the Company's long-term sustainability. The Company engages with key stakeholders such as students, students' parents, teachers and staff, business partners, educational institutions as well as government agencies and regulators, to align the Company's sustainable approach with their expectations. Please refer to the section on "Sustainability Highlights" on page 24 to 28 of and the full Sustainability Report released on SGXNet together with this Report for more information on how the Company manages its stakeholder relationships.

This Corporate Governance ("**CG**") Report together with the Annual Report aim to provide comprehensive and transparent reporting of the Group's overall objectives and performance to the Company's stakeholders. The Company welcomes feedback on the CG Report and its sustainability performance. Please address all feedback to investor relations that can be found at the Company's corporate website at <u>ir@ofs.edu.sg</u> that is maintained to communicate and engage with stakeholders.

More information on the Company's material stakeholders, sustainability efforts (including its strategy and key areas of focus), and performance can be found in the Sustainability Report which is also uploaded at the Company's corporate website.

#### **RISK MANAGEMENT**

The Company is continually reviewing and improving the business and operational activities to take into account the risk management perspective. This includes reviewing management and manpower resources, and updating workflows, processes and procedures to meet the current and future market conditions. Currently the AC is overseeing the function of risk management and the Company will consider the need to establish a risk management committee to assist the Board in carrying out its responsibility of overseeing the Company's risk management framework and policies should circumstances change.

#### **MATERIAL CONTRACTS**

Save for the service and employment agreements between the Executive Directors and the Company, there were no material contracts of the Company or its subsidiaries involving the interest of any other directors or controlling shareholders subsisting as at FY2024 or have been entered into since the end of the previous financial year.

#### **INTERESTED PERSON TRANSACTIONS**

There were no interested party transactions equal to or exceeding S\$100,000 in aggregate between the Company and any of its interested persons (namely, directors, executive officers or controlling shareholders of the Group or the associates of such directors, executive officers or controlling shareholders) subsisting for FY2024.

In accordance with the recommendations by the Audit Committee Guidance Committee, the Company has adopted an interested person transaction policy, which specifies that all interested transactions with an interested person, as defined in the policy, will be at arm's length and on terms generally available to an unaffiliated third party under the same or similar circumstances. Details of the review procedures for future interested person transactions were disclosed in the Company's Prospectus dated 31 January 2013.

Except for the limited exceptions set in the policy, transactions with interested persons that will exceed S\$100,000 in any calendar year must receive the approval of the Board prior to the Company entering into the interested transaction.

#### **DEALINGS IN SECURITIES**

The Company has adopted its own internal Code of Conduct to provide guidance to all officers and employees of the Company and its subsidiaries with regard to dealings in the Company's securities in compliance with Rule 1207(19) of the Listing Manual of the SGX-ST. The Group's officers and employees are prohibited from dealing in the Company's securities while in possession of unpublished price-sensitive information of the Group, as well as during the periods commencing one (1) month before the announcement of the Company's half year and full year results, and ending on the date of the announcement of the relevant results.

Directors and executives are also expected to observe insider-trading laws at all times even when dealing with securities within the permitted trading period. They are also encouraged not to deal in the Company's securities on short-term considerations.

#### **UPDATE ON USE OF IPO PROCEEDS**

As at the date of the financial statements 26 March 2025, the Company announced updates on the use of proceeds raised from the initial public offering ("**IPO Proceeds**") amounting to S\$68,033,985 (after deducting IPO expenses of S \$3,966,015) as follows:

	S\$
Net IPO Proceeds	68,033,985
Amount of proceeds utilised for the building of a new school campus	(65,635,545)
Balance proceeds	2,398,440

It is intended that the balance S\$2,398,440 of the IPO Proceeds also be used wholly towards the future capital expenditure for the school campus at 81 Pasir Ris Heights.

### AUDIT COMMITTEE

The AC carried out its functions in accordance with section 201B (5) of the Singapore Companies Act 1967 (the "Act"). In performing these functions, the AC:

- Review with the external auditors the audit plan, their management letter with the management's response, the nature and extent of the external auditor's non-audit services to the Group and their independence, adequacy, effectiveness and objectivity of producing the results within the scope;
- Review with the external auditors the Group's year-end financial statements, raise any significant issues which have a material impact on the interim financial statements or financial updates previously announced by the Company and bring to the Board immediately, if applicable and advise the Board if changes are needed to improve the quality of future interim financial statements or financial updates;

## DIRECTORS' STATEMENT

## AUDIT COMMITTEE (CONT'D)

- Review with the internal auditors the internal audit plan and their evaluation of the adequacy of the Group's internal controls and accounting system before submission of the results of such review to the Board for approval prior to the incorporation of such results in the annual report, if applicable;
- Monitor and review the implementation of the external auditors' management letter and internal auditors' recommendations with the concurrence of management in relation to the adequacy of internal controls, risk management and accounting systems addressing financial, operational, compliance and information technology controls;
- Review the assurance from the CEO and CFO on the financial statements before submission to the Board for approval, focusing in particular on changes in accounting policies and practices, major risk areas, significant adjustments resulting from the audit, the going concern statement, compliance with accounting standards as well as compliance with any stock exchange and statutory/regulatory requirements;
- Review the adequacy and effectiveness of internal controls / procedures and risk management systems and ensure co-ordination between the external auditors and management, review the assistance given by management to the external auditors, and discuss problems and concerns, if any, arising from the interim and final audits, and any matters with the auditors;
- Review together with external auditors any suspected fraud or irregularity, or suspected infringement of any relevant laws, rules or regulations, which has or is likely to have a material impact on the Group's operating results or financial position, and management's response;
- Consider the appointment or re-appointment of the external and internal auditors and matters relating to resignation, dismissal, remuneration and terms of engagement of auditors;
- Review transactions falling within the scope of Chapters 9 and 10 of the SGX-ST Listing Manual;
- Undertake such other reviews and projects as may be requested by the Board and report to the Board its findings from time to time on matters arising and requiring the attention of the AC;
- Undertake such other functions and duties as may be required by statute or the SGX-ST Listing Manual, and by such amendments made thereto from time to time; and
- Review the Company's procedures for whistle-blowing policy endorsed by the AC by which staff may, in confidence, raise concerns about possible improprieties in matters of financial reporting, financial control, or any other matters.

The AC, having reviewed all non-audit services provided by the external auditor to the Group, is satisfied that the nature and extent of such services would not affect the independence of the external auditor. The AC has also conducted a review of interested person transactions.

Further details regarding the AC are disclosed in the Report of Corporate Governance.

## AUDITOR

Ernst & Young LLP have expressed their willingness to accept re-appointment as auditor.

On behalf of the board of directors:

Wong Lok Hiong Director

Ho Hie Wu Director

26 March 2025

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2024

To the members of Overseas Education Limited

### **REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS**

#### Opinion

We have audited the financial statements of Overseas Education Limited (the "Company") and its subsidiaries (collectively, the "Group"), which comprise the balance sheets of the Group and the Company as at 31 December 2024, statements of changes in equity of the Group and the Company, consolidated statement of comprehensive income and consolidated statement of cash flows of the Group for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying consolidated financial statements of the Group, the balance sheet and the statement of changes in equity of the Company are properly drawn up in accordance with the provisions of the Companies Act 1967 (the "Act") and Singapore Financial Reporting Standards (International) (SFRS(I)) so as to give a true and fair view of the consolidated financial position of the Group and the financial position of the Company as at 31 December 2024 and of the consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group and changes in equity of the Company for the year ended on that date.

#### **Basis for opinion**

We conducted our audit in accordance with Singapore Standards on Auditing ("SSAs"). Our responsibilities under those standards are further described in the Auditor's responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Group in accordance with the Accounting and Corporate Regulatory Authority ("ACRA") Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities ("ACRA Code") together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Key audit matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For the matter below, our description of how our audit addressed the matter is provided in that context.

We have fulfilled our responsibilities described in the *Auditor's responsibilities for the audit of the financial statements* section of our report, including in relation to the matter below. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial statements. The results of our audit procedures, including the procedures performed to address the matter below, provide the basis for our audit opinion on the accompanying financial statements.

#### Ability to renew the land lease

The school buildings represent a significant proportion of the Group's assets. As at 31 December 2024, the net carrying value of the school buildings amounting to S\$148,058,521 which comprise 71% of the Group's total property, plant and equipment, and 54% of the Group's total assets. The Group depreciates the school buildings over an estimated useful life of 50 years.

## FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2024

To the members of Overseas Education Limited

#### Key audit matters (cont'd)

The current land lease of the school site is for 30 years and expires in 2043. The successful renewal of the land lease is dependent on the government's land use plan in relation to the school site and subject to the Group meeting the conditions imposed by the relevant authorities. In assessing the Group's ability to renew the land lease, Management received confirmation from a government authority in prior years to support the Group's application for the renewal of the lease when it is due for renewal, subject to certain conditions. Based on past correspondences with the government authority and Management's assessment on its ability to meet or negotiate the conditions by the next renewal, Management assessed that it is highly probable that the application for renewal of lease would be successful taking into consideration the overall private education landscape and external information. In estimating the useful life of the school buildings, Management had previously engaged an independent valuer who estimated the useful life of the school buildings' superstructure and substructure to be 50 years from 2015.

In view of the shorter current land lease term of 30 years when compared to the school buildings' useful life of 50 years, any change to the useful life of the school buildings in the event of non-renewal of the current lease will have a significant financial impact on the computation of the annual depreciation charge of the Group. Due to the significant judgement exercised by the Management and the potential financial impact to the Group, we determined this to be a key audit matter.

We carried out procedures to review the reasonableness of Management's assessment in determining the appropriateness of the useful life of 50 years for the purpose of computing the annual depreciation charge. We reviewed the correspondences in prior years with the relevant authority to assess Management's evaluation of the likelihood of the Group obtaining a renewal of the current lease. We checked that the land has been exclusively zoned for use by an education institution as part of the government's regulatory plans. We reviewed Management reports and supporting documents assessing the conditions of renewal, taking into consideration the overall private education landscape and external information. As part of assessing the conditions imposed by the relevant authorities, we compared the Group's fee structure against other competitors in the international school market and Management's assessment of the Group's ability to increase its student headcount. Additionally, we had evaluated the objectivity, competency and capabilities of the independent valuer and their basis of estimation of the expected useful life of the school buildings. We further assessed the adequacy of the disclosures on the Group's accounting policy for property, plant and equipment in Note 2.6, the relevant significant accounting judgement in Note 3, and the details and movement of Property, plant and equipment in Note 9 to the financial statements.

#### Other information

Management is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2024

To the members of Overseas Education Limited

#### Responsibilities of management and directors for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Act and SFRS(I), and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The directors' responsibilities include overseeing the Group's financial reporting process.

#### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

## FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2024

To the members of Overseas Education Limited

#### Auditor's responsibilities for the audit of the financial statements (cont'd)

• Plan and perform the group audit to obtain sufficient appropriate audit evidence regarding the financial information of the entities or business units within the group as a basis for forming an opinion on the group financial statements. We are responsible for the direction, supervision and review of the audit work performed for purposes of the group audit. We remain solely responsible for our audit opinion.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS**

In our opinion, the accounting and other records required by the Act to be kept by the Company and by those subsidiary corporations incorporated in Singapore of which we are the auditors have been properly kept in accordance with the provisions of the Act.

The engagement partner on the audit resulting in this independent auditor's report is Tan Swee Ho.

#### 2.1 Basis of preparation

The consolidated financial statements of the Group and the balance sheet and statement of changes in equity of the Company have been prepared in accordance with Singapore Financial Reporting Standards (International) (SFRS(I)).

The financial statements have been prepared on the historical cost basis except as disclosed in the accounting policies below. The financial statements are presented in Singapore Dollars (S\$), the functional currency of the Company.

#### 2.2 Changes in accounting policies

The accounting policies adopted are consistent with those of the previous financial year except in the current financial year, the Group has adopted all the new and revised standards which are effective for annual periods beginning on or after 1 January 2024. The adoption of these standards and interpretations did not have any material effect on the financial performance or position of the Group and the Company.

#### 2.3 Standards issued but not yet effective

The Group has not adopted the following standards and interpretations that have been issued but not yet effective:

Description	Effective for annual periods beginning on or after

### 2. MATERIAL ACCOUNTING POLICY INFORMATION (CONT'D)

#### 2.3 Standards issued but not yet effective (cont'd)

The directors expect that the adoption of the standards and amendments above will have no material impact on the financial statements in the year of initial application, apart from SFRS(I) 18 Presentation and Disclosure in Financial Statements issued on 4 October 2024, effective for financial years beginning on or after 1 January 2027.

SFRS(I) 18 is a new standard that replaces SFRS(I) 1-1 Presentation of Financial Statements. SFRS(I) 18 introduces new categories of subtotals in the statement of profit or loss. Entities are required to classify all income and expenses within the statement of profit or loss into one of five categories: operating, investing, financing, income taxes and discontinued operations, wherein the first three are new. It also requires disclosure of newly defined management-defined performance measures, subtotals of income and expenses, and includes new requirements for the location, aggregation and disaggregation of financial information.

In addition, narrow-scope amendments have been made to SFRS(I) 1-7 Statement of Cash Flows, which include changing the starting point for determining cash flows from operations under the indirect method, from 'profit or loss' to 'operating profit or loss' and removing the optionality around classification of cash flows from dividends and interest. In addition, there are consequential amendments to several other standards. SFRS(I) 18 will apply retrospectively.

The amendments will have impact on the disclosure in the financial statements but not on the measurement or recognition of items in the Group's financial statements. The Group is in the process of analysing the new disclosure requirements and to assess if changes are required to their internal information systems.

#### 2.4 Basis of consolidation and business combinations

#### Basis of consolidation

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries as at 31 December 2024. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if, and only if, the Group has:

- Power over the investee (i.e., existing rights that give it the current ability to direct the relevant activities of the investee)
- Exposure, or rights, to variable returns from its involvement with the investee
- The ability to use its power over the investee to affect its returns

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2024

### 2. MATERIAL ACCOUNTING POLICY INFORMATION (CONT'D)

#### 2.5 Foreign currency

The financial statements are presented in Singapore Dollars, which is also the Company's functional currency. Each entity in the Group determines its own functional currency and items included in the financial statements of each entity are measured using that functional currency.

#### (a) Transactions and balances

Transactions in foreign currencies are measured in the respective functional currencies of the Company and its subsidiaries.

Exchange differences arising on the settlement of monetary items or on translating monetary items at the end of the reporting period are recognised in profit or loss except for exchange differences arising on monetary items that form part of the Group's net investment in foreign operations, which are recognised initially in other comprehensive income and accumulated under foreign currency translation reserve in equity.

#### (b) Consolidated financial statements

For consolidation purpose, the assets and liabilities of foreign operations are translated into Singapore Dollars at the rate of exchange ruling at the end of the reporting period and their profit or loss are translated at the exchange rates prevailing at the date of the transactions. The exchange differences arising on the translation are recognised in other comprehensive income.

#### 2.6 Property, plant and equipment

All items of property, plant and equipment are initially recorded at cost. Subsequent to recognition, all items of property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses.

Depreciation of assets begins when they are available for use and is computed on a straight-line basis over the estimated useful life of the assets as follows:

-	30 years
-	50 years <sup>#</sup>
-	6 to 25 years
-	6 years
-	3 to 10 years (to a residual value)*
-	6 years
	- - - -

<sup>\*</sup> School buildings are depreciated over 50 years despite the current land lease of 30 years on the expectation that the land lease will be renewed for a further term of at least 20 years before its expiry on 13 June 2043, and an independent external valuer's opinion that the substructure and the superstructure of the school buildings have over 50-year useful lifespan. Depreciation commenced on 1 July 2015, when operations commenced at the new school.

\* Motor vehicles are depreciated to a residual value of the vehicles' minimum Preferential Additional Registration Fee ("PARF") benefit, a rebate granted when vehicles are deregistered within 10 years from date of registration.

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2024

### 2. MATERIAL ACCOUNTING POLICY INFORMATION (CONT'D)

#### 2.7 Intangible assets

(a) Computer software

Acquired software licences are stated at cost less accumulated amortisation and accumulated impairment in value, if any. These costs are amortised using the straight-line method over their estimated useful lives of 6 years.

*(b) Software development costs* 

Software development costs are expensed as incurred. An intangible asset arising from development expenditure on an individual project is recognised only when the Group can demonstrate the technical feasibility of completing the intangible asset so that it will be available for use or sale, its intention to complete and its ability to use or sell the asset, how the asset will generate future economic benefits, the availability of resources to complete and the ability to measure reliably the expenditure during the development.

Following initial recognition of software development costs as an intangible asset, it is carried at cost less accumulated amortisation and accumulated impairment losses, if any. Amortisation of the intangible asset begins when development is complete and the asset is available for use. The carrying value of software development costs are reviewed for impairment annually when the asset is not yet in use or more frequently when an indication of impairment arises during the reporting year. Upon completion, the software development costs are amortised over their estimated useful lives of 9 years.

#### 2.8 Impairment of non-financial assets

The Group assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when an annual impairment assessment for an asset is required, the Group makes an estimate of the asset's recoverable amount, which is the higher of its fair value less costs of disposal and its value in use.

#### 2.9 Subsidiaries

In the Company's separate financial statements, investments in subsidiaries are accounted for at cost less impairment losses.

#### 2.10 Financial instrument

(a) Financial assets

Non-derivative financial assets are initially measured at fair value plus directly attributable transaction costs. These non-derivative financial assets, which are held for collection of contractual cash flows that represent solely payment of principal and interest, are subsequently measured at amortised cost using the effective interest method, less impairment.

#### **Derivatives**

Derivative financial instruments are initially recognised at fair value on the date the contracts are entered into and subsequently measured to their fair value at the end of each reporting period. Changes in fair value of derivatives are recognised in profit or loss.

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2024

### 2. MATERIAL ACCOUNTING POLICY INFORMATION (CONT'D)

#### 2.10 Financial instrument (cont'd)

(b) Financial liabilities

Financial liabilities include trade payables, which are normally settled on 30 to 90 day terms and other amounts payable. These financial liabilities are initially measured at fair value less directly attributable transaction costs, and subsequently measured at amortised cost using the effective interest method.

#### 2.11 Cash and cash equivalents

Cash and cash equivalents comprise cash at banks and on hand, demand deposits and short-term, highly liquid investments readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

#### 2.12 Impairment of financial assets

The Group recognises an allowance for expected credit losses ("ECLs") for all debt instruments not held at fair value through profit or loss.

For trade receivables, the Group applies a simplified approach in calculating ECLs. Therefore, the Group monitors changes in credit risk, and recognises a loss allowance based on lifetime ECLs at each reporting date. The Group has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

At every reporting date, the Group evaluates whether the debt instrument is considered to have low credit risk using all reasonable and supportable information that is available without undue cost or effort. In addition, the Group considers that there has been a significant increase in credit risk when the contractual payments are more than 90 days past due.

The Group considers a financial asset in default when internal or external information indicates that the Group is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Group. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

#### 2.13 Inventories

Inventories consist of stationery supplies available to students, school uniforms and fabric for making of school uniforms. Inventories are stated at the lower of cost, determined on a weighted average cost basis, and net realisable value.

Allowance is provided for damaged, obsolete and slow-moving items to adjust the carrying value of inventories to the lower of cost and net realisable value.

#### 2.14 Employee benefits

#### (a) Defined contribution plans

The Group makes contributions to the Central Provident Fund ("CPF") scheme in Singapore, a defined contribution pension scheme. These contributions are recognised as an expense in the period in which the related service is performed.

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2024

### 2. MATERIAL ACCOUNTING POLICY INFORMATION (CONT'D)

#### 2.14 Employee benefits (cont'd)

#### (b) Employee leave entitlement

Employee entitlements to annual leave are recognised as a liability when they accrued to the employees. A provision is made for the estimated liability for leave as a result of services rendered by employees up to the end of the reporting period.

#### 2.15 Borrowing costs

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

#### 2.16 Leases

The Group assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

#### (a) As lessee

The Group applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Group recognises lease liabilities representing the obligations to make lease payments and right-of-use assets representing the right to use the underlying leased assets.

#### Right-of-use assets

The right-of-use assets are also subject to impairment. The accounting policy for impairment is disclosed in Note 2.8.

The Group's right-of-use assets are disclosed in Note 21.

#### Lease liabilities

Lease liabilities are measured at the present value of the lease payments. In calculating the present value of lease payments, the Group uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g. changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

The Group's lease liabilities are disclosed in Note 21.

#### Short-term leases and leases of low-value assets

The Group applies the short-term lease recognition exemption to its short-term leases of machinery (i.e. those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies that the lease of low-value assets recognition exemption to leases of office equipment that are considered to be low value. Lease payments on short-term leases and leases of low value assets are recognised as expense on a straight-line basis over the lease term.

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2024

### 2. MATERIAL ACCOUNTING POLICY INFORMATION (CONT'D)

#### 2.17 Revenue recognition

(a) Rendering of services

Revenue from tuition fees and enrichment programme revenue are recognised over the duration of the course. Amounts of fees relating to future periods are included in fees received in advance.

The Group charges non-refundable registration fees to new students who register with the school. Registration fees revenue is recognised over the estimated average student life in the school.

(b) Sale of goods

Revenue from sales of supplies at the school shop is recognised when control of the goods has been transferred to the customer at a point in time. Control is transferred upon the delivery of the goods.

The amount of revenue recognised is based on the contractual price and does not include variable consideration such as right of returns, refunds, trade discounts or volume rebates.

(c) Interest income

Interest income is recognised using the effective interest method.

#### 2.18 Segment reporting

The Company and its subsidiaries operate in Singapore in the business segment of provision of education under a foreign education system. Substantially all revenue, expenses, assets and liabilities are derived from operations in Singapore.

#### 3. SIGNIFICANT ACCOUNTING JUDGEMENTS AND ESTIMATES

The preparation of the Group's consolidated financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities at the end of each reporting period. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in the future periods.

Management is of the opinion that there are no significant estimations made in applying accounting estimates and policies that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2024

### 3. SIGNIFICANT ACCOUNTING JUDGEMENTS AND ESTIMATES

#### Judgements made in applying accounting policies

In the process of applying the Group's accounting policies, management has made the following judgements, which has the most significant effect on the amount recognised in the consolidated financial statements:

#### Ability to renew the land lease

The current land lease is 30 years, and the Group expects to seek the relevant authorities' approval for the extension of the lease for a further term of at least 20 years before its expiry on 13 June 2043. The school site is zoned exclusively for use by an educational institution and the buildings have also been purpose-built for use as a school. The school buildings have an estimated useful lives of 50 years based on the assets' expected utility to the Group and the future economic benefits embodied in the assets. The judgement applied on the ability to renew the land lease at the end of 30 years is significant to the determination of the depreciation period of 50 years for the school buildings.

The carrying amount of the school buildings as at 31 December 2024 was S\$148,058,521 (2023: S\$151,714,287).

Estimating average student life for registration fees recognition over time

The Group charges non-refundable registration fees to new students who register with the school. The performance obligation is determined to be satisfied over the estimated student life in the school. Management estimates the average student life in the school with reference to historical data of student enrolment over the past 5 years and computes the average number of years a student spends with the school. A reassessment of the average student life is conducted on an annual basis.

		834,193		1,409,442
<b>Statement of comprehensive income</b> Fair value loss on derivatives		(575,249)		(1,359,261)

In 2022, the Group entered into interest rate swaps with a financial institution with notional amount of \$\$60,000,000 to partially hedge its exposure to interest rate risk on its variable rate borrowings from the same financial institution. The interest rate swaps entitle the Group to receive, on a quarterly basis, floating interest equal to prevailing SORA and pay a fixed rate of interest at rates ranging from 1.74% to 1.86% (2023: 1.74% to 1.86%) per annum. The interest rate swaps mature on 16 February 2027.

The fair values of the derivatives at 31 December 2024 are measured based on the methods and assumptions used to estimate their fair values as set out in Note 30. The Group does not apply hedge accounting and records interest rate swaps at fair value with changes in value recorded in profit or loss.

In 2019, the Group entered into an agreement for a 10-year bank term loan of \$\$117,750,000 (with maturity on 15 April 2029) to fully redeem the outstanding Company's bonds. The loan is unsecured, payable in quarterly instalments of \$\$1,540,000, with a final payment of outstanding loan balance upon maturity. The loan bears interest at average rates ranging from 5.4% to 5.6% (2023: 4.9% to 5.6%) per annum during the year. Any amount of the loan outstanding at the end of the 10-year term is subject to further refinancing. Loan interest expense is computed based on the effective interest method.

The unsecured bank loan is subject to the following covenants:

- (a) The minimum net worth will not be less than the outstanding amount of the loan.
- (b) Debt service coverage ratio will not be less than 1.50:1.
- (c) Adjusted debt service coverage ratio will not be less than 1.25:1.

The covenants are tested half yearly, at 30 June and 31 December. The Group has complied with these covenants as at 31 December 2024 and 31 December 2023.

### 28. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Group and the Company are exposed to financial risks arising from its operations and the use of financial instruments.

The Group's principal financial instruments comprise cash and cash equivalents, short term deposits and derivatives. The main purpose of these financial instruments is to provide finance for the Group's operations. The Group has various other financial assets and liabilities such as trade and other receivables and payables, which arise directly from its operations, and borrowings. The Group enters into derivative financial instruments, namely interest rate swaps, to manage the interest rate risk arising from its sources of financing.

The main risks arising from the Group's and the Company's financial instruments are interest rate risk, liquidity risk and credit risk. The Board reviews and agrees policies for managing each of these risks and they are summarised below.

#### Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of the Group's and the Company's financial instruments will fluctuate due to changes in market interest rates. The Group's and the Company's exposure to interest rate risk arises primarily from the Group's and Company's cash and bank deposits and borrowings from a financial institution. Interest rate risk is managed by partially hedging the risk through interest rate swaps from floating to fixed rates of interest with the primary objective of reducing interest rate fluctuations risk arising from adverse movements in interest rates on variable interest rate borrowings. The details of the interest rates relating to the interest-earning financial assets and interest-bearing financial liabilities are disclosed in Notes 12 and 20, respectively.

Since the Group's and the Company's deposits are usually placed on a short term basis, there is no significant exposure arising from interest rate fluctuation. It is the Group's and the Company's policy to place surplus funds with reputable banks whose head office is regulated by Singapore authorities.

#### Sensitivity analysis for interest rate risk

The following table demonstrates the sensitivity of the Group's profit before tax to a reasonably possible change if the market interest rates increased/(decreased) by 100 basis point (2023: 100 basis point), with all other variables held constant.

#### Liquidity risk

Liquidity risk is the risk that the Group and the Company will encounter difficulty in meeting financial obligations due to shortage of funds.

The Group's and the Company's exposure to liquidity risk arises in the general funding of the Group's operating activities. The Group and the Company manage its liquidity risk by maintaining cash and cash equivalent balances sufficient to meet operating expenses, capital expenditure and bank loan repayment.

The table below summarises the maturity profiles of the Group's and the Company's financial assets and liabilities at the end of the reporting period based on contractual undiscounted repayment obligations:

### 28. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONT'D)

### Credit risk

Credit risk is the risk of loss that may arise on outstanding financial instruments should a counterparty default on its obligations. The Group's main exposure to credit risk arises primarily from trade and other receivables and cash and cash equivalents. The credit risk on such trade and other receivables is minimal as the Group collects the fees in advance of rendering services. For other financial assets including cash and cash equivalents and derivatives, the Group minimises credit risk by placing the surplus funds and dealing in derivatives with reputable banks.

The Group considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

The Group has determined the default event on a financial asset to be when the counterparty fails to make contractual payments, and when internal or external information indicates that the Group is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Group.

To assess whether there is a significant increase in credit risk, the Group compares the risk of a default occurring on the asset as at reporting date with the risk of default as at the date of initial recognition.

The Group considers available reasonable and supportive forwarding-looking information and significant changes in the payment status and behaviour of debtors.

Regardless of the analysis above, a significant increase in credit risk is presumed if a debtor is more than 90 days past due in making contractual payment.

The Group determined that its financial assets are credit-impaired when:

- There is significant difficulty of the debtors
- A breach of contract, such as a default or past due event
- It is becoming probable that the debtor will enter bankruptcy

Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Group. Where loans and receivables have been written off, the Group continues to engage enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.

## 28. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONT'D)

### Credit risk (cont'd)

### Trade receivables

The Group provides for lifetime expected credit losses for all trade receivables using a provision matrix. The provision rates are determined based on the Group's historical observed default rates analysed in accordance to days past due by grouping of customers based on observable ageing buckets. The expected credit losses below also incorporate forward looking information such as unemployment rate of Singapore residents.

Summarised below are the information about the loss allowance provision and the credit risk exposure on the Group's trade receivables using provision matrix:

	Current S\$	More than 30 days past due S\$	More than 60 days past due S\$	More than 90 days past due S\$	Total S\$

Information regarding loss allowance movement of trade receivables is disclosed in Note 14.

During the financial year, the Group wrote-off S\$28,205 (2023: S\$7,207) of trade receivables against allowance (Note 14) which are more than 90 days past due as the Group does not expect to receive future cash flows from these debtors and there are no significant recoveries from collection of amounts previously written off.

### **30. FAIR VALUE OF FINANCIAL INSTRUMENTS**

#### Fair values

The fair value of a financial instrument is the amount at which the instrument could be exchanged or settled between knowledgeable and willing parties in an arm's length transaction, other than in a forced or liquidation sale.

Management has determined that the carrying amounts of cash and cash equivalents, trade and other receivables, trade and other payables, and bank borrowings reasonably approximate their fair values because these are mostly short term nature or that they are floating rate instruments that are re-priced to market interest rates on or near the end of the reporting period.

The fair values of the non-current deposits, staff housing deposits and other long term asset approximate their carrying value and are estimated using the discounted estimated cash flow analysis. Where repayment terms are not fixed, future cash flows are projected based on management's best estimates. The discount rates used are the current market incremental lending rates for similar types of lending and borrowing arrangements.

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2024

### 30. FAIR VALUE OF FINANCIAL INSTRUMENTS (CONT'D)

### Fair values (cont'd)

(a) Fair value hierarchy

The Group categorises fair value measurements using a fair value hierarchy that is dependent on the valuation inputs used as follows:

- Level 1 Quoted prices (unadjusted) in active market for identical assets or liabilities
- Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, and
- Level 3 Unobservable inputs for the asset or liability

Fair value measurements that use inputs of different hierarchy levels are categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

Interest rate swaps are valued using a valuation technique with market observable inputs, primarily forward rate curve and discount rate curve. The most frequently applied valuation technique include swap models, using present value calculations.

### 31. CAPITAL MANAGEMENT

The primary objective of the Group's capital management is to ensure that it maintains a strong credit rating and healthy capital ratios in order to support its operations and maximise shareholder value.

The Group manages its capital structure and makes adjustments to it, in light of changes in economic conditions. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. No changes were made in the objectives, policies or processes during the years ended 31 December 2024 and 31 December 2023.

The Group will continue to be guided by prudent financial policies which are to finance the operations and repayment of borrowings mainly through cash generated from operating activities.

To consider and if thought fit, to pass the following resolution as an Ordinary Resolution, with or without any modifications:

8. Authority to issue shares in the capital of the Company pursuant to Section 161 of the Companies Act 1967 and Rule 806 of the Listing Manual of the Singapore Exchange Securities Trading Limited

That pursuant to Section 161 of the Companies Act 1967 and Rule 806 of the Listing Manual of the SGX-ST, the Directors of the Company be authorised and empowered to:

- (a) (i) issue shares in the Company ("shares") whether by way of rights, bonus or otherwise; and/or
  - (ii) make or grant offers, agreements or options (collectively, "**Instruments**") that might or would require shares to be issued, including but not limited to the creation and issue of (as well as adjustments to) options, warrants, debentures or other instruments convertible into shares,

at any time and upon such terms and conditions and for such purposes and to such persons as the Directors of the Company may in their absolute discretion deem fit; and

(b) (notwithstanding the authority conferred by this Resolution may have ceased to be in force) issue shares pursuant to any Instruments made or granted by the Directors of the Company while this Resolution was in force,

#### (the "Share Issue Mandate")

#### provided that:

- (1) the aggregate number of shares (including shares to be issued pursuant to the Instruments, made or granted pursuant to this Resolution) and instruments to be issued pursuant to this Resolution shall not exceed 50% of the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company (as calculated in accordance with sub-paragraph (2) below), of which the aggregate number of shares and Instruments to be issued other than on a pro-rata basis to existing shareholders of the Company shall not exceed 20% of the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company shall not exceed 20% of the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company (as calculated in accordance with subparagraph (2) below);
- (2) (subject to such calculation as may be prescribed by the SGX-ST) for the purpose of determining the aggregate number of shares and Instruments that may be issued under sub-paragraph (1) above, the total number of issued shares and Instruments shall be based on the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company at the time of the passing of this Resolution, after adjusting for:
  - (a) new shares arising from the conversion or exercise of any convertible securities;
  - (b) new shares arising from exercising share options or vesting of share awards, provided the options or awards were granted in compliance with Part VIII of Chapter 8 of the Listing Manual of the SGX-ST; and
  - (c) any subsequent bonus issue, consolidation or subdivision of shares;

Adjustments in accordance with 8(2)(a) or 8(2)(b) above are only to be made in respect of new shares arising from convertible securities, share options or share awards which were issued and outstanding or subsisting at the time of passing of the Share Issue Mandate.

- (3) in exercising the Share Issue Mandate conferred by this Resolution, the Company shall comply with the provisions of the Listing Manual of the SGX-ST for the time being in force (unless such compliance has been waived by the SGX-ST) and the Constitution of the Company; and
- (4) unless revoked or varied by the Company in a general meeting, the Share Issue Mandate shall continue in force (i) until the conclusion of the next AGM of the Company or the date by which the next AGM of the Company is required by law to be held, whichever is earlier or (ii) in the case of shares to be issued in pursuance of the Instruments, made or granted pursuant to this Resolution, until the issuance of such shares in accordance with the terms of the Instruments.
