[Singapore, September 25 2015](#): - Singapore based Sunright Limited (SGX: Sunright) today announced unaudited full year financial results for the year ended 31 July 2015.

For Release After 5:07 p.m., September 25, 2015

Mr. Sam Lim, Executive Chairman & Chief Executive Officer said:

“The Group recorded an improved profit after tax of S\$6.6 million, in FY 2015, compared to a profit of S\$2.4 million in the previous year.

Our Services business remains strong. We introduced two new products in the last quarter of our financial year and have already received orders from customers. The launch of our g32 test handler for sensors and KX5 test and burn-in system, started on an encouraging note.”

He further said,

“During the year, Sunright concluded the sale of its direct interest in the “Test” business, to KESM Industries Berhad, as previously approved by shareholders.”

He added,

“We are now focused on accelerating the commercialization of our innovative products and services, with differentiated values and unique proprietary technologies.”

“In recognition of the loyal support of our shareholders, the Directors have recommended an ordinary dividend, as well as a special dividend, subject to the approval of the shareholders at the coming Annual General Meeting.”
