SUSTAINABILITY REPORT “SUSTAINING OUR FUTURE”

Del Monte Pacific Limited (the Group or DMPL) is pleased to announce that it has published its FY2019 Sustainability Report “***Sustaining our Future***” in line with the Global Reporting Initiative (GRI) framework.

The Sustainability Report is DMPL’s commitment to grow the business in a manner that sustains a healthy balance amongst diverse interests of all its stakeholders - consumers, customers, business partners, host communities, employees, and shareholders.

The report captures the targets and performance of the Group’s sustainability priorities across six categories -- products, employees, environment, governance, communities and economy. The report also includes DMPL’s contribution to the 17 UN Sustainable Development Goals.

Sustainability is deeply rooted in the Group’s history. As a leading global food company, sustainability is an integral part of DMPL’s long-range strategic plan to ensure that it stays on course in its commitment to “***Sustaining our Future***” in line with its vision – *Nourishing Families. Enriching Lives. Every Day.*

DMPL invites you to download and read the report from <https://www.delmontepacific.com/sustainability/sustainability-report>.
