OFFER ANNOUNCEMENT

1. INTRODUCTION

DBS Bank Ltd. ("**DBS**") wishes to announce, for and on behalf of Keppel Corporation Limited (the "**Offeror**" or "**KCL**"), that the Offeror intends to make a voluntary unconditional cash offer (the "**Offer**") for all the issued ordinary shares (the "**Shares**") in the capital of Keppel Land Limited (the "**Company**" or "**KLL**") other than those already owned, controlled or agreed to be acquired by the Offeror as at the date of the Offer.

2. THE OFFER

- 2.1 Terms.** Subject to the terms and conditions set out in the offer document to be issued by DBS for and on behalf of the Offeror (the “**Offer Document**”), the Offeror will make the Offer on the following basis:

2.1.1 General

The Offeror will make the Offer for all the Shares not already owned, controlled or agreed to be acquired by the Offeror as at the date of the Offer (the “**Offer Shares**”), in accordance with Section 139 of the Securities and Futures Act, Chapter 289 of Singapore, and the Singapore Code on Take-overs and Mergers (the “**Code**”).

2.1.2 Offer Price

The offer price for each Offer Share (the “**Offer Price**”) will be as follows:

For each Offer Share: S\$4.38 in cash (the “Base Offer Price”)

However, in the event that the Offeror acquires or agrees to acquire (or is deemed or treated under Section 215 of the Companies Act, Chapter 50 of Singapore (the “**Companies Act**”) as having acquired or agreed to acquire) Shares (excluding those Shares held by it, its related corporations¹ or their respective nominees as at the Commencement Date which are acquired or agreed to be acquired by them) during the period from (and including) the Commencement Date up to (and including) the final closing date of the Offer (whether pursuant to valid acceptances of the Offer or otherwise) which are equal to or more than the Compulsory Acquisition Threshold, the Offer Price will be as follows:

For each Offer Share: S\$4.60 in cash (the “Higher Offer Price”)

For the avoidance of doubt, the Offeror will extend the Higher Offer Price to all shareholders of the Company (“**Shareholders**”), including those Shareholders who, at the date on which the Compulsory Acquisition Threshold is reached, have already accepted the Offer.

In this Announcement:

“**Commencement Date**” means the date of despatch of the Offer Document; and

“**Compulsory Acquisition Threshold**” means 90 per cent. of the total number of issued Shares (excluding treasury shares and other than those already held by the Offeror, its related corporations or their respective nominees as at the Commencement Date).

¹ Under the Companies Act, a corporation is related to another corporation if the first mentioned corporation is a holding company or a subsidiary of, or a subsidiary of the holding company of, the other corporation.

2.1.3 No Revision of Offer Price

The Offeror does not intend to revise the Offer Price.

2.1.4 Offer Shares

The Offer will also be extended to:

- (i) all issued Shares owned, controlled or agreed to be acquired by any party acting or deemed to be acting in concert with the Offeror in connection with the Offer;
- (ii) all new Shares unconditionally issued or to be issued pursuant to the valid exercise of any options ("**Options**") granted under the Keppel Land Share Option Scheme (the "**Company Scheme**") prior to the final closing date of the Offer;
- (iii) all new Shares unconditionally issued or delivered or to be issued or delivered pursuant to the vesting and release of any outstanding awards ("**Awards**") granted under the Keppel Land Performance Share Plan and the Keppel Land Restricted Share Plan prior to the final closing date of the Offer; and
- (iv) all new Shares unconditionally issued or to be issued pursuant to the valid conversion of any of the outstanding 1.875 per cent. convertible bonds due 29 November 2015 issued by the Company on 29 November 2010 ("**Convertible Bonds**") prior to the final closing date of the Offer.

For the purposes of the Offer, the expression "**Offer Shares**" will include all such Shares.

2.1.5 No Encumbrances

The Offer Shares will be acquired (i) fully paid, (ii) free from all claims, charges, pledges, mortgages, encumbrances, liens, options, equity, power of sale, declarations of trust, hypothecation, retention of title, rights of pre-emption, rights of first refusal, moratoriums or other third party rights or interests of any nature whatsoever (each, an "**Encumbrance**") and (iii) together with all rights, benefits and entitlements attached thereto as at the date of this Announcement and hereafter attaching thereto, including but not limited to the right to receive and retain all dividends, rights and other distributions and/or return of capital ("**Distributions**") declared, paid or made by the Company on or after the date of this Announcement.

2.1.6 Adjustment for Distributions

Without prejudice to the foregoing, the Offer Price has been determined on the basis that the Offer Shares will be acquired with the right to receive any Distribution that may be declared, paid or made by the Company on or after the date of this Announcement.

In the event any Distribution is or has been declared, paid or made by the Company on or after the date of this Announcement to a Shareholder who validly accepts or has validly accepted the Offer, the Offer Price payable to such accepting Shareholder shall be reduced by an amount which is equal to the amount of such Distribution depending on when the settlement date in respect of the Offer Shares tendered in acceptance by Shareholders pursuant to the Offer falls, as follows:

- (i) if such settlement date falls on or before the books closure date for the determination of entitlements to the Distribution (the “**Books Closure Date**”), the Offeror shall pay the relevant accepting Shareholders the unadjusted Offer Price for each Offer Share, as the Offeror will receive the Distribution in respect of such Offer Shares from the Company; or
- (ii) if such settlement date falls after the Books Closure Date, the Offer Price shall be reduced by an amount which is equal to the amount of the Distribution in respect of each Offer Share, as the Offeror will not receive the Distribution in respect of such Offer Shares from the Company.

As stated in the announcement by the Company dated 21 January 2015, the directors of the Company have proposed that a final one-tier tax exempt dividend (the “**FY2014 Dividend**”) of S\$0.14 per Share be paid for the financial year ended 31 December 2014 (“**FY2014**”). The proposed FY2014 Dividend, if approved at the Annual General Meeting of the Company to be held on 17 April 2015, is expected to be paid on or about 7 May 2015. The Books Closure Date in respect of the FY2014 Dividend is 5.00 p.m. on 23 April 2015.

For purely illustrative purposes only, assuming:

- (a) the settlement date in respect of the Offer Shares validly tendered in acceptance of the Offer falls after the Books Closure Date in respect of the FY2014 Dividend; and
- (b) the amount of the FY2014 Dividend is S\$0.14,

the Offer Price received by an accepting Shareholder shall be S\$4.24 and S\$4.46 for each Offer Share based on the Base Offer Price and the Higher Offer Price, respectively.

2.2 No Conditions

The Offer will not be subject to any conditions and will be unconditional in all respects.

3. NO DOWNSTREAM OFFER FOR KEPPEL REIT AND KEPPEL PHILIPPINES PROPERTIES

3.1 Keppel REIT. As at the date of this Announcement, KLL and its subsidiaries (the "**KLL Group**") hold an aggregate unitholding interest of approximately 45.1 per cent. in Keppel REIT, a real estate investment trust listed on the Main Board of the Singapore Exchange Securities Trading Limited (the "**SGX-ST**"). As the Offeror is the controlling shareholder of the Company and already has statutory control of the Company, the Offeror and its concert parties will not be required to make a general offer for Keppel REIT as a result of the Offer.

3.2 Keppel Philippines Properties. As at the date of this Announcement, the KLL Group holds an aggregate shareholding interest of approximately 51.0 per cent. in Keppel Philippines Properties, Inc. ("**Keppel Philippines Properties**"), a company listed on the Philippines Stock Exchange. The Offeror has received advice that it will not be required to make a tender offer for Keppel Philippines Properties as a result of the Offer.

4. CONFIRMATION RELATING TO DOWNSTREAM OFFER FOR KEPPEL THAI PROPERTIES

As at the date of this Announcement, the KLL Group holds an aggregate shareholding interest of approximately 45.5 percent in Keppel Thai Properties Public Company Limited ("**Keppel Thai Properties**"), a company listed on The Stock Exchange of Thailand. The Offeror has received advice that it will likely not be required to make a tender offer for Keppel Thai Properties as a result of the Offer and is in the process of seeking confirmation from the Office of the Securities and Exchange Commission of Thailand. If required under the relevant laws and regulations of Thailand, the Offeror will make a tender offer for Keppel Thai Properties.

5. NO OPTIONS OFFER

As at the date of this Announcement, based on the latest information available to the Offeror, there are 1,997,120 outstanding Options to subscribe for an aggregate of 1,997,120 Shares granted under the Company Scheme. Under the rules of the Company Scheme, the Options are not transferable by the holders thereof. In view of this restriction, the Offeror will not make an offer to acquire the Options, although, for the avoidance of doubt, the Offer will be extended to all new Shares unconditionally issued or to be issued pursuant to the valid exercise of any Options prior to the final closing date of the Offer.

Instead the Offeror will make an appropriate options proposal (the "**Options Proposal**") to the holders of the Options. The Options Proposal will be made on the basis of the "see-through" price of the Options. In other words, the price to be paid for each Option (the "**Option Price**") will be the amount (if positive) of the Offer Price (as determined in the manner set out in paragraph 2.1.2 above) less the exercise price of the Option. If the exercise price of an Option is equal to or more than the Offer Price, the Option Price for each Option will be the nominal amount of S\$0.001.

6. AWARDS

In relation to the Awards, the Offeror is considering an appropriate proposal (the "**Awards Proposal**") to be made to the holders of the Awards to preserve the alignment of interest between such holders and KCL and its subsidiaries (the "**Keppel Group**"). Further details of the Awards Proposal will be set out in a separate announcement or the Offer Document.

7. CONVERTIBLE BONDS OFFER

7.1 Convertible Bonds. As at the date of this Announcement, based on the latest information available to the Offeror, the Company has an outstanding aggregate principal amount of S\$499,800,000 Convertible Bonds which are convertible into 74,375,000 new Shares at the prevailing conversion price of S\$6.72 per Share. The outstanding Convertible Bonds, if converted at the prevailing conversion price, represent approximately 4.57 per cent. of the maximum potential issued share capital of the Company.²

7.2 Convertible Bonds Offer. Pursuant to Rule 19 of the Code, an appropriate offer will be made to the holders of the Convertible Bonds ("**Bondholders**") to acquire the Convertible Bonds, other than those already owned, controlled or agreed to be acquired by the Offeror (the "**Convertible Bonds Offer**").

7.3 Convertible Bonds Offer Price. The offer price for each principal amount of the Convertible Bonds tendered in acceptance of the Convertible Bonds Offer (the "**Convertible Bonds Offer Price**") will, in accordance with Note 1(a) on Rule 19 of the Code, be a fixed "see-through" price (the "**See-Through Price**"), being the Offer Price for one Offer Share multiplied by the number of Shares (rounded down to the nearest whole number) into which the relevant principal amount of Convertible Bonds may be converted, as follows:

- (i) the See-Through Price (based on the Base Offer Price) if the Compulsory Acquisition Threshold is not reached; and
- (ii) a higher See-Through Price (based on the Higher Offer Price) if the Compulsory Acquisition Threshold is reached.

For the avoidance of doubt, the Offeror will extend the higher See-Through Price to all Bondholders, including those Bondholders who, at the date on which the Compulsory Acquisition Threshold is reached, have already accepted the Convertible Bonds Offer.

The actual Convertible Bonds Offer Price payable to each accepting Bondholder will be determined based on the aggregate principal amount of Convertible Bonds that are tendered by a Bondholder in acceptance of the Convertible Bonds Offer. For purely illustrative purposes only, based on the prevailing conversion price of S\$6.72 per Share, the Convertible Bonds Offer Price for

² For the purposes of this Announcement, "**maximum potential issued share capital of the Company**" means the total number of Shares which would be in issue if all the outstanding Options are validly exercised, all the Shares under vested Awards are issued and/or delivered and all outstanding Convertible Bonds are validly converted.

- (a) every S\$250,000 principal amount of Convertible Bonds based on the Base Offer Price will be S\$162,944.76 in cash; or
- (b) every S\$250,000 principal amount of Convertible Bonds based on the Higher Offer Price will be S\$171,129.20 in cash.

7.4 No Encumbrances. The Convertible Bonds will be acquired (i) free from all Encumbrances and (ii) together with all rights, benefits and entitlements attached thereto as at the date of this Announcement and hereafter attaching thereto, including but not limited to the right to receive and retain all interest, payments, rights and other distributions declared, paid or made by the Company on or after the date of this Announcement.

7.5 Further Details. Further details of the Convertible Bonds Offer will be set out in the Offer Document.

10. RATIONALE FOR THE OFFER AND THE CONVERTIBLE BONDS OFFER

The Offeror believes that the Offer and the Convertible Bonds Offer are beneficial for the following reasons:

A sound and well-timed investment, in a business integral to the Keppel Group and in markets with positive medium to long term outlooks

The Offer is a sound and well-timed investment. As an integral business of the Keppel Group, KLL is in markets that have positive medium to long term outlooks. KLL's core markets of Singapore and China, and growth markets in Indonesia and Vietnam are expected to benefit from (i) rising urbanisation, the bulk of which is forecasted to take place in Asia in the next 15 years, (ii) a focus on infrastructure development in developing countries to support sustainable growth and (iii) an increase in the number of new consumers in emerging markets that is expected to reach one billion by 2025.

The long term fundamentals for the global property market is also positive. The number of megacities with a population of more than 10 million is expected to increase 50 per cent. to 36 by 2025, while the number of additional people living in cities is forecasted to reach 1.2 billion by 2025.

Unlock value for KCL's shareholders

The Offer is expected to be accretive for KCL's shareholders. Based on the Offer terms, a full privatisation of KLL would raise the FY2014 earnings per share of KCL by 13 per cent. from S\$1.04 per share to S\$1.18 per share and improve the return on equity of KCL as at 31 December 2014 from approximately 18.8 per cent. to approximately 21.0 per cent. on a pro forma basis.

Grow the Keppel Group as a strong group with diversified and sizeable contributions from all three core businesses

The Keppel Group is committed to a multi-business approach, with three strong pillars in offshore & marine, property and infrastructure. A full privatisation of KLL will diversify revenue streams and provide an opportunity to leverage the Keppel Group's financial and organisational strengths to realise potential synergies across three core businesses.

The Keppel Group will seek to increase collaboration among the different business units. Potential synergies between our business units include (i) joint development of integrated townships such as the Tianjin Eco-City development, (ii) joint development of data centres and (iii) district heating and cooling systems.

Leverage KCL's strengths to achieve the best risk-adjusted returns

By privatising KLL, KCL would see an increase of its shareholders' fund from approximately S\$10.38 billion to approximately S\$10.77 billion on a pro forma basis and net profits from approximately S\$1,885 million to approximately S\$2,149 million on a pro forma basis.

KCL's diversified earnings and credit standing would provide easier access to financing from financial institutions, as well as debt and equity markets. The financial strength of KCL can be harnessed to support the KLL Group's property business.

If KLL ceases to be a separate listed entity, the Keppel Group will be better able to streamline its organisational structure, and allocate capital and resources across its core businesses to optimise risk-adjusted returns and enhance shareholder returns.

11. THE OFFEROR'S INTENTIONS FOR THE COMPANY

The Offeror currently intends for the Company to continue its existing business activities and has no plans to (i) introduce any major changes to the business of the Company or its subsidiaries (each a "**KLL Group Company**"), (ii) re-deploy the fixed assets of any KLL Group Company, (iii) affect the operations of any KLL Group Company or (iv) discontinue the employment of the existing employees of any KLL Group Company, in each case, other than in the ordinary and usual course of business.

The Offeror may request the board of directors of the Company at any time and from time to time, to consider any options or opportunities in relation to any KLL Group Company which may present themselves and which it may regard to be in the best interests of such KLL Group Company and conduct a review of the KLL Group's business strategy to identify potential areas in which the Company can achieve optimal value and generate higher returns in the long term.

In particular, the Offeror may request the board of directors of the Company to undertake an assessment of (a) the KLL Group's capital structure and needs and (b) the human resource requirements of the KLL Group, taking into account the future plans for the KLL Group but ensuring continuity of its existing operations and the objectives of retaining and attracting competent personnel to further enhance the management and operations of the KLL Group.

12. LISTING STATUS AND COMPULSORY ACQUISITION

- 12.1 Listing Status and Trading Suspension.** Under Rule 1105 of the Listing Manual of the SGX-ST (**"Listing Manual"**), upon announcement by the Offeror that acceptances have been received that bring the holdings of the Shares owned by the Offeror and parties acting in concert with the Offeror to above 90 per cent. of the total number of issued Shares (excluding treasury shares), the SGX-ST may suspend the trading of the listed securities of the Company on the SGX-ST until such time when the SGX-ST is satisfied that at least 10 per cent. of the total number of issued Shares (excluding treasury shares) are held by at least 500 Shareholders who are members of the public. Under Rule 1303(1) of the Listing Manual, where the Offeror succeeds in garnering acceptances exceeding 90 per cent. of the total number of issued Shares (excluding treasury shares), thus causing the percentage of the total number of Shares (excluding treasury Shares) held in public hands to fall below 10 per cent., the SGX-ST will suspend trading of the listed securities of the Company at the close of the Offer.

Shareholders are advised to note that Rule 723 of the Listing Manual requires the Company to ensure that at least 10 per cent. of the total number of issued Shares (excluding treasury shares) is at all times held by the public (the **"Shareholding Requirement"**). In addition, under Rule 724 of the Listing Manual, if the percentage of the total number of issued Shares (excluding treasury shares) held in public hands falls below 10 per cent., the Company must, as soon as practicable, announce that fact and the SGX-ST may suspend trading of all securities of the Company on the SGX-ST. Rule 724 of the Listing Manual further states that the SGX-ST may allow the Company a period of three months, or such longer period as the SGX-ST may agree, for the percentage of the total number of issued Shares (excluding treasury shares) held by members of the public to be raised to at least 10 per cent., failing which the Company may be delisted from the SGX-ST.

To the best of the Offeror's knowledge and based on information available to the Offeror as at the date of this Announcement, the free float of the Company is approximately 45 per cent.

In the event the Company does not meet the free float requirements of the Listing Manual, the Offeror does not intend to maintain the present listing status of the Company and accordingly, does not intend to place out any Shares held by the Offeror to members of the public to meet the Shareholding Requirement.

- 12.2 Compulsory Acquisition.** Pursuant to Section 215(1) of the Companies Act, in the event that the Offeror reaches or exceeds the Compulsory Acquisition Threshold, the Offeror will be entitled to exercise the right to compulsorily acquire all the Shares of Shareholders who have not accepted the Offer (**"Dissenting Shareholders"**) on the same terms as those offered under the Offer.

In such event, the Offeror intends to exercise its right to compulsorily acquire all the Offer Shares not acquired under the Offer. The Offeror will then proceed to delist the Company from the SGX-ST.

Dissenting Shareholders have the right under and subject to Section 215(3) of the Companies Act, to require the Offeror to acquire their Shares in the event that the Offeror, its related corporations or their respective nominees acquire, pursuant to the Offer, such number of Shares which, together with the Shares held by the Offeror, its related corporations or their respective nominees, comprise 90 per cent. or more of the total number of issued Shares as at the final closing date of the Offer. **Dissenting Shareholders who wish to exercise such right are advised to seek their own independent legal advice.** Unlike Section 215(1) of the Companies Act, the 90 per cent. threshold under Section 215(3) of the Companies Act does not exclude Shares held by the Offeror, its related corporations or their respective nominees.

13. FINANCIAL ASPECTS OF THE OFFER

13.1 Benchmarking the Offer. The Offer Price represents the following premium over the historical traded prices of the Shares:

	Benchmark Price (S\$)	Premium of the Base Offer Price to Benchmark Price (%)	Premium of the Higher Offer Price to Benchmark Price (%)
Last traded price per Share as quoted on the SGX-ST on 20 January 2015 (being the last full market day preceding the date of this Announcement on which the Shares were traded on the SGX-ST (the "Last Trading Day"))	3.65	20	26
The volume weighted average price ("VWAP") of the Shares as transacted on the SGX-ST for the one-month period up to and including the Last Trading Day	3.50	25	31
VWAP of the Shares as transacted on the SGX-ST for the three-month period up to and including the Last Trading Day	3.40	29	35

(2) Computed based on the Share prices rounded to the nearest two decimal places.

The Base Offer Price also exceeds the highest closing price of the Shares in the three-year period up to and including the Last Trading Day.

- 13.2 Comparison of the Offer Price to Net Asset Value ("NAV").**³ The Base Offer Price and the Higher Offer Price of S\$4.38 and S\$4.60, respectively, implies a Price/NAV ratio of 0.88 times and 0.93 times respectively.

Further enquiries will be made of such persons after the date of this Announcement and the relevant disclosures will be made in the Offer Document.

³ In this Announcement, the NAV per Share used is S\$4.95 based on Shareholders' fund of S\$7,656 million as reported in the unaudited consolidated financial statements of the KLL Group for FY2014 as announced by the Company on 21 January 2015.

⁴ In this Announcement, **"Company Securities"** means any (i) Shares, (ii) Options, (iii) Awards, (iv) Convertible Bonds, (v) securities which carry voting rights in the Company or (vi) convertible securities, warrants, options or derivatives in respect of the Shares or securities which carry voting rights in the Company.

15. CONFIRMATION OF FINANCIAL RESOURCES
